Christmas Snowflakes 2 Jamie Brocco, 2023-09-12 The Christmas Snowflakes Series reintroduces the art of making paper snowflakes. The snowflake designs will help creative readers and their beneficiaries remember our Savior, Jesus Christ, during the busy Christmas Season. Each book has 25 patterns + 6 bonus patterns (Christmas is on the 25th, and December has 31 days), at least one XL 20 pattern, and templates for folding practice. Although snowflake patterns are provided, hopefully readers will gain the confidence to create their own snowflakes. With a wide audience of eight years old and up, readers can share their snowflake creations on Facebook, Instagram, etc. I am looking forward to seeing how readers will express themselves within the art of snowflakes! The first book of the Christmas Snowflake Series starts very simply and focuses on the humble shepherds. Pictures and descriptions show

how a sheep's face can be created with a series of paper punches: simple shapes creating the desired image. Snowflakes can be pressed flat, but fold lines are intentionally left to show how the snowflakes are made. The second book moves to an intermediate level to enhance your paper crafting skills.

Snowflakes Cindy Higham, 2020-01-21 Create unique paper snowflakes at home or in the classroom with 144 patterns designed for every season. Everyone can have fun using *Snowflakes: Creative Paper Cutouts for All Seasons*, creating one-of-a-kind designs for Christmas, Thanksgiving, Halloween, Valentine's Day, St. Patrick's Day, and other holidays, plus themes for winter, spring, summer, and fall. The 144 patterns are ideal for scrapbooking, holiday cards, and decorating. You can also use your snowflake patterns as quilt blocks, stencils, crochet patterns, wood ornaments, or patterns for stained glass! Use *Snowflakes* as a tool to learn the techniques and then begin experimenting on your own.

Decorative Paper Snowflakes Brenda Lee Reed, 1987-07-01 With the 45 elegant designs in this book and a pair of sharp scissors, you can cut up a snowstorm of beautiful paper snowflakes, perfect for Christmas tree ornaments and other holiday decorations. The airy, lacy designs can also be adapted as valentines, greeting cards, table centerpieces, and decorations of all kinds.

Snowflake Rebecca Wright, 2019-11-12 Create a flurry of snowflake-inspired projects, from cards and giftwrap to complex sculptures. Let it snow The myriad patterns and basic hexagonal structure of snowflakes have inspired these 15 festive projects. Start with single snowflakes for cutouts and embellishments, and then move to the more delicate wall art, wreaths, and a 3-D Christmas Angel. To save time, you can even fold and cut the designs to make multiples at once. Easy-to-follow, step-by-step instructions and line illustrations guide you throughout, together with inspirational photography of the finished projects. Fifty pages of original templates--which you can scan, trace, or cut--are grouped together at the back of the book, in addition to a template directory with extra patterns to mix and match into your own work.

Creating Snowflake Art C. Angela Mohr, 2008 Remember the snowflakes you cut as a child? This book re-introduces basic cutting techniques for snowflakes and provides designing tips for making original snowflake papercuttings. Use snowflakes for everyday or seasonal decorating. Use design and cutting skills to make other interesting flat and three-dimensional ornaments. Frame personalized snowflakes for unique gift giving. With the fundamentals mastered, snowflakes can become a fun part of everyday decorating and gift giving.
