Snow Day Shannon Stacey,Jennifer Greene,Barbara Dunlop,2013-12-03 A trio of stormy seaside romances features a man who falls back in love with his ex after returning home, a woman who is rescued from a blizzard by her high-school crush, and a woman who falls for the rival of her inherited family home.

Snow Struck Nick Courage,2022-02-15 An historic blizzard is raging across the eastern seaboard, and three unsuspecting kids are about to find themselves smack in the middle of it! Perfect for fans of the I SURVIVED series who are looking for a high-stakes adventure! Neither Elizabeth nor her little brother, Matty, have ever been north of Georgia. They're used to sandals and shorts, not boots and parkas. So when they fly to New York City to spend the holidays with their cousin Ashley, they want to experience one thing: SNOW! Ashley can't wait to show her cousins how magical Manhattan is at Christmastime. But instead of a week of fun, what they get is an arctic blast that knocks out the power and plunges the skyscrapers into darkness. It's unreal: the blizzard covers the Statue of Liberty in ice and topples the famous Christmas tree at Rockefeller Center! When Ashley's dog, Fang, gets lost outside, the cousins take matters into their own hands. . . and are caught in the storm's dangerous path as they chase Fang across the frozen city. Can the little Pomeranian survive the cold, snow, and ice blanketing Manhattan? Can they?

Snow Storm Davidson King,2019 The city of Haven Hart rests under the heel of Christopher Manos. He reigns over the most dangerous and deadliest citizens as the most powerful crime boss the city has seen in generations. Yet, for the last five years, the harshest edges of his nature have been tempered by the loving devotion of his husband, Snow, and the nephew Christopher adores like a son. His life is a balance of darkness and light until a birthday trip for his nephew, Simon, is interrupted by a hail of bullets and explosions, threatening to destroy it all. Snow has found a home, a family, and the love of one of Haven Hart's most powerful men. When Christopher and Simon are kidnapped, Snow risks everything to find his family. Utilizing specialized skills he learned on the streets and the finer points of running a city from his crime boss husband, Snow takes on roles he never dreamed he would--protector, leader, and avenger. No one threatens his family and lives. Experienced enough to know he can't do this alone, Snow calls in every favor he is owed, risking his life promising favors in return, all to save his family and the man he loves. The sins of the Manos crime family are escaping the dark recesses of the past and threatening the bright future of everything Snow and Christopher have built. Yet, even with the help of some unlikely and uniquely dangerous people, Snow finds himself wondering if their efforts will be enough to save the two most important people in his life. Will the loving family Snow has finally found be taken from him forever?--Page 4 of cover

Shaped by Snow Ayja Bounous,2019-11-19 Those who love winter will love this book. But as we steadily erase the season that sets us free from friction, *Shaped by Snow* will appeal to anyone who has ever looked up and thrilled at the first flakes fat in the autumn sky. —BILL MCKIBBEN Skier and debut author Ayja Bounous explores threats to the winters and watershed in the face of climate change and the far-reaching impacts of a diminishing snowpack on the American West—not only from ecological and economic perspectives, but also in regard to emotional and psychological health, as she realizes how deeply her personal relationships are tied to the snow-covered mountains of Utah's Wasatch range. AYJA BOUNOUS is a Utah native and avid skier. She holds an MA in Environmental Humanities from the University of Utah and bachelor's degrees in Music and Environmental Studies from Santa Clara University. She lives in Salt Lake City, Utah.

A Storm of Ice and Stars Lisa Lueddecke,2018-10-04 Red lights appear in the sky over Skane, causing a cloak of fear and suspicion to fall like a blanket of snow. In a desperate attempt to keep out the plague, the village barricades its borders. Teenager Janna won't turn her back on people seeking refuge and is banished to the swirling snow and lurking darkness beyond the village. Can she survive?

The Snow Storm Morgan Dawson, The Williamson family sets out on a road trip to reach their family for the holidays. Along the ride they run into bad weather, multiple accidents and unnerving strangers. When a near accident forces them off the road, they meet a man who befriends the father. He tells him of this motel not too far up the street, in case they need a place to wait out the approaching snow storm. When the family is forced to find a place to stay, that motel seems to be their only option. Everything seems normal at first, but the longer the stay the more sinister things become until the family is forced to fight for their lives.. will they make it through the holidays? Will the survive this snow storm? This is the book 1 of The Snow Storm.

A Climatology of Selected Storms for Wallops Island, Virginia, 1971–1975 Robert O. Berthel,1976 The SAMS hydrometeor erosion tests, held during the winter storm seasons of 1971 through 1975, have yielded considerable meteorological data concerning the weather situations that were prevalent at the time of each test. The situations have been categorized into three different types and the data under each category have been statistically analyzed to produce the mean values and corresponding standard deviations of many meteorological parameters. The data are presented in both tables and graphs for each category, plus wind speed direction up to 12 km in altitude for all situations. A general description of storm structure is given defining regions of precipitation and zones of transition. An appendix of general climatic data for Wallops Island, Virginia is included. (Author).
