Wayne Edward Clarke

Storm Cursed Patricia Briggs, 2019-05-07 In this powerful entry in the #1 New York Times bestselling series, Mercy Thompson must face a deadly enemy to defend all she loves... My name is Mercedes Athena Thompson Hauptman, and I am a car mechanic. And a coyote shapeshifter. And the mate of the Alpha of the Columbia Basin werewolf pack. Even so, none of that would have gotten me into trouble if, a few months ago, I hadn't stood upon a bridge and taken responsibility for the safety of the citizens who lived in our territory. It seemed like the thing to do at the time. It should have only involved hunting down killer goblins, zombie goats, and an occasional troll. Instead, our home was viewed as neutral ground, a place where humans would feel safe to come and treat with the fae. The reality is that nothing and no one is safe. As generals and politicians face off with the Gray Lords of the fae, a storm is coming and her name is Death. But we are pack, and we have given our word. We will die to keep it.

**The Women Who Made Television Funny** David C. Tucker, 2015-03-26 Most of the bright and talented actresses who made America laugh in the 1950s are off the air today, but their pioneering Hollywood careers irrevocably changed the face of television comedy. These smart and sassy women successfully negotiated the hazards of the male-dominated workplace with class and humor, and the work they did in the 1950s is inventive still by today's standards. Unable to fall back on strong language, shock value, or racial and sexual epithets, the female sitcom stars of the 1950s entertained with

pure talent and screen savvy. As they did so, they helped to lay the foundation for the development of television comedy. This book pays tribute to 10 prominent television actresses who played lead roles in popular comedy shows of the 1950s. Each chapter covers the works and personalities of one actress: Lucille Ball (I Love Lucy), Gracie Allen (The George Burns and Gracie Allen Show), Eve Arden (Our Miss Brooks), Spring Byington (December Bride), Joan Davis (I Married Joan), Anne Jeffreys (Topper), Donna Reed (The Donna Reed Show), Ann Sothorn (Private Secretary and The Ann Sothorn Show), Gale Storm (My Little Margie and The Gale Storm Show: Oh! Susanna), and Betty White (Life with Elizabeth). For each star, a career sketch is provided, concentrating primarily on her television work but also noting achievements in other areas. Appendices offer cast and crew lists, a chronology, and an additional biographical sketch of 10 less familiar actresses who deserve recognition.

*The Grove* Tony Stansberry, 2013-07-26 The Grove, blends history and fiction to describe how after twenty five years, two former college sweethearts, Colonel Benton Farley and Archeologist Kate Kaplan re-unite on a quest to resolve a 500 year old Legend. Deep in Americas heartland, at the edge of the western prairie, the mysterious Grove still stands, never touched by the farmer's plow or the forester's axe. The Legend has discouraged development. The Grove, marks the arrival of a mystery with an ending like none told before. Benton and Kate risk their lives and those of others to explore a dark, ageless place where the

impossible is reality.

When I got offered a job at The Night Firm, I had no idea how much my life was about to change. I didn't know vampires exist. That dragons rule a world full of beings

most think are fairytales. And I didn't know how much I would come to care for the Night brothers. But now it's all about to fall apart. Liam's been arrested and accused of a crime he didn't commit. I'm lying to the men I'm falling in love with. Secrets from the past are threatening to destroy us. And in the middle of everything comes a truth too painful to face. And a lie too deadly to ignore. **Lost Dreams (Storms of New England book 5)** Kari Lemor,2021-08-09 Once bitten, twice shy... For the past decade, fire captain, Greg Storm, has wanted no part of another relationship all thanks to a faithless wife who handed over their infant son and fled. He and his son have done just fine by themselves. Teacher Alandra Cabrera and abandonment go together all too well. She and her daughter were left in the cold by a controlling husband who really only wanted a personal servant and perfect wife. Once a mother, she fit neither of those roles. His dismissal shattered her already limited self-esteem. With Greg's son in

Ali's class, the two get to know each other better beyond school and town committees. They both have extreme trust issues and taking that first step toward something more requires courage. Especially with the trauma and rejection left in the wake of their past. Unless they find their way beyond the barriers, a future together seems out of reach...
