Night Spinner Addie Thorley, 2020-02-11 "Tightly wound, laser-focused epic." – Kirkus A must-read for fans of Leigh Bardugo's Grishaverse, transforming The Hunchback of Notre Dame into a powerful tundra-inspired fantasy. Before the massacre at Nariin, Enebish was one of the greatest warriors in the Sky King's Imperial Army: a rare and dangerous Night Spinner, blessed with the ability to control the threads of darkness. Now, she is known as Enebish the Destroyer—a monster and murderer, banished to a monastery for losing control of her power and annihilating a merchant caravan. Guilt stricken and scarred, Enebish tries to be grateful for her sanctuary, until her adoptive sister, Imperial Army commander Ghoa, returns from the war front with a tantalizing offer. If Enebish can capture the notorious criminal, Temujin, whose band of rebels has been seizing army supply wagons, not only will her crimes be pardoned, she will be reinstated as a warrior. Enebish eagerly accepts. But as she hunts Temujin across the tundra, she discovers the tides of war have shifted, and the supplies he's stealing are the only thing keeping thousands of shepherds from starving. Torn between duty and conscience, Enebish must decide whether to put her trust in the charismatic rebel or her beloved sister. No matter who she chooses, an even greater enemy is advancing, ready to bring the empire to its knees.

Spinner Michael J. Bowler, 2017-09-19 Fifteen-year-old Alex is a "spinner." Two clandestine groups of humans want his power. And an ancient evil is stalking him. If people weren't being murdered, Alex might laugh at how his life turned into a horror movie overnight. In a wheelchair since birth, his freakish ability has gotten him kicked out of ten foster homes since the age of four. Now saddled with a sadistic housemother who uses his spinning to "fix" the kids she injures, Alex and his misfit group of learning-disabled classmates are the only ones who can solve the mystery of his birth before more people meet a gruesome end. They want to know who murdered their beloved teacher, and why the hot young substitute acts like she's flirting with them. Then there's the mysterious medallion that seems to have unleashed something evil, and an ancient prophecy suggesting Alex has the power to destroy the world. Friendships are tested, secrets uncovered, love spoken, and destiny revealed. The kid who's always been a loner will finally learn the value of friends, family, and loyalty. If he survives... The Healer Chronicles Begin...

Spinner Magic! Jim Bedford, 2010-07-01 The flashing blade of a weighted spinner seems to mesmerize fish and entice them into striking. These lures don't resemble any natural prey but predatory fish especially trout and salmon find them irresistible. Spinners are easy to cast and retrieve and, if they spin, they will catch steelhead and trout! But there are a lot of subtleties to fishing spinners well in rivers and streams. Everything from understanding the habits of the trout and salmon species to reading and matching the water, even crafting your own spinners is included in this very comprehensive book. Whether you're a seasoned spinner-fisherman or a complete novice at spinner-tossing, *Spinner Magic!* will greatly enhance your overall success on the water.
