**Staging Story** Robert Moss, Wendy Dann, 2022-07-05 “With a no-nonsense and blessedly candid approach, Bob Moss and Wendy Dann have written not only an indispensable practicum for the young director, but also a delightful refresher course for the working director. The authors encourage and challenge us to engage our theatrical imaginations for a lifetime of storytelling on a multitude of stages.” –Michael Mayer, Tony Award-Winning Director By focusing on five fundamentals for staging a play—Story, Intention, Character, Space, and Theme—veteran theater directors Robert Moss and Wendy Dann help stage directors learn how to build their own practice and begin to master the daunting task of staging a story.

**Story Theatre** Paul Sills, 1971 Ten one-act plays, including The Bremen Town Musicians, The Fisherman and His Wife, and The Golden Goose, which may be used together as one production.

**How to Teach Story Writing at Key Stage 1** Pie Corbett, 2013-05-13 How to Teach Story Writing at Key Stage 1 is a practical manual for teachers, to be used directly in the classroom. The book begins with a series of language games, designed to warm up creativity and strengthen the imagination. This is followed by a series of creative story workshops, based on the writer's own experience both as a teacher and poet running workshops in schools. These workshops focus on growing the roots of story writing through story telling and reading, and begin with the importance of learning a few well-known

tales. There are ideas for drama, role-play and art, and a few model stories are provided for story telling. Other workshops explore simple ideas for creating new stories, based around simple familiar patterns. The book also offers advice on how to organize an effective workshop for younger children, and demonstrates how to teach story writing in a dynamic, creative and imaginative way in relationship with the KS1 national literacy framework. Workshops include the story of our lives; stories that make a circle; stories about problems; days of the week tales; humbug, stuff and nonsense stories; quests; repetitive tales; wishing stories; warning stories; and cooking the story soup.

*A Stage Full of Shakespeare Stories* Angela McAllister, 2018-08-29 Step on to a stage full of stories with this beautiful anthology of 12 stories from Shakespeare. Featuring much-loved classics such as *The Tempest*, *A Midsummer Night's Dream*, *Romeo and Juliet*, *Hamlet* and *Othello*, each story is rewritten in a comprehensive way that is accessible for children and stunningly illustrated by collage artist Alice Lindstrom. **Behind the Scenes** E. M. Wright, 1870

*Behind the Scenes* E. M. Wright, 1870

*From Cradle to Stage* Virginia Hanlon Grohl, 2017-04-18 Written by Virginia Grohl, the mother of Dave Grohl—former Nirvana drummer and current frontman

for the Foo Fighters—From Cradle to Stage shares stories and exclusive photos featuring mothers of rock icons, the icons themselves, and their Behind the Music-style relationships. While the Grohl family had always been musical—the family sang together on long car trips, harmonizing to Motown and David Bowie—Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys' mother. With exclusive family photographs and a foreword by Dave Grohl, From Cradle to Stage will appeal to mothers and rock fans everywhere.

*The Idea* Erik Bork, 2018-09-13 Multiple Emmy Award-winning screenwriter Erik

Bork (HBO's BAND OF BROTHERS) presents the seven fundamental characteristics of a great story in any medium. Writers tend to jump into the writing too quickly, without knowing they have a flawed central idea. This book is all about ensuring that doesn't happen!

**Short Stories in the Making** Robert Wilson Neal, 1914

**Life Is Not a Stage** Florence Henderson, 2011-09-20 For millions of people around the world, Carol Brady is synonymous with motherhood, but growing up as the youngest of ten children in rural Indiana in the aftermath of the Great Depression, Florence Henderson lived a life quite different from that of the quintessential TV mom she later played on television. Florence's father was a dirt-poor tobacco tenant farmer who was nearly fifty years old when he married Florence's twenty-five-year-old mother, and was nearly seventy when Florence was born. Florence's childhood was full of deprivation and abandonment. Her father was an alcoholic at a time when there was no rehab or help for the disease. Their home rarely had electricity or running water. When she was twelve, Florence's mother left the family to work in Cleveland and never returned. Florence opens up about her childhood, as well as the challenges she's faced as an adult, including stage fright, postpartum depression, her extramarital affairs, divorce, her hearing loss, and heart problems. She writes with honesty and wisdom of how her faith and ability to survive has brought her through rough times to a life of profound joy and purpose.

**From Staircase to Stage** Raekwon, Anthony Bozza, 2021-11-30 There are rappers who everyone loves and there are rappers who every rapper loves, and Corey Woods, a.k.a. Raekwon the Chef, is one of the few who is both. His versatile flow, natural storytelling, and evocative imagery have inspired legions of fans and a new generation of rappers. Raekwon is one of the founding members of Wu-Tang Clan, and his voice and cadence are synonymous with the sound that has made the group iconic since 1991. Now, for the first time, Raekwon tells his whole story, from struggling through poverty in order to make ends meet to turning a hobby into a legacy. The Wu-Tang tale is dense, complex, and full of drama, and here nothing is off-limits: the group's origins, secrets behind songs like C.R.E.A.M. and Protect Ya Neck, and what it took to be one of the first hip-hop groups to go from the underground to the mainstream. Raekwon also delves deep into the making of his meticulous solo albums-- particularly the classic Only Built 4 Cuban Linx--and talks about how spirituality and fatherhood continue to inspire his unstoppable creative process. --

**The Firebird Chronicles** Daniel Ingram-Brown, 2012-11-30 In this fantasy adventure, Fletcher and Scoop are Apprentice Adventurers from the ancient establishment of Blotting's Academy on Fullstop Island. This is the place where all story characters are trained. The trouble is, they can't remember how they got there. It's the first day of term, but the two apprentices soon realise something is wrong. Things are going missing, including their own

memories, and Scoop has the unsettling feeling that something is creeping in the shadows. As the children search for answers, they become entangled with the life of the Storyteller, the islands creator and king. They journey to his wedding banquet and find themselves uncovering a hidden past. What is their connection to this mysterious man? And is there more to him than meets the eye? ,

**The Storyteller's Guide** William Mooney,1996 Guide to becoming a better storyteller, with advice from more than fifty of America's best-known storytellers, who answer questions about such issues as creating original stories, controlling stage fright, marketing and setting fees, and using storytelling in the library and classroom.
