Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Effective Strategies for Working with Paraeducators Candice Styer Ph D,Suzanne Fitzgerald M Ed,2016-02-02 As paraeducators are hired for special education classrooms, teachers are often responsible for providing training, monitoring their progress, managing their schedules, addressing challenges, and informally evaluating their efforts. This comprehensive guide, along with the Paraeducator Handbook (purchased separately), are designed to help educators navigate this role. With this guide, teachers can provide a level of training and support that results in a cohesive, positive, and effective classroom benefiting everyone-administrators, teachers, paraeducators, and most importantly, students. I literally went from babysitting to being trained to teach students real life skills like telling time and money use both in the classroom and in the community. The disability awareness training has given me the insight to appreciate each student's unique learning style.-Sally Semenock, Paraeducator Together, Dr. Candice Styer and Suzanne Fitzgerald have over 40 years of classroom experience both as paraeducators and as teachers working with paraeducators. They were inspired to write this manual based on their own experiences and the experiences of other teachers and paras with whom they have consulted. The knowledge I gained working as a paraeducator in Suzanne and Candi's special education classroom was so valuable. The positive work atmosphere as well as being a cohesive team allowed us to get the most out of our students and see them flourish. This manual is something that all classrooms should have - Holli Lawrence, Paraeducator This manual includes a teacher's copy of the Paraeducator Handbook, a companion book available for purchase for each of your paraeducators. *Effective Strategies for Working with Paraeducators* belongs to Styer-Fitzgerald Publishing's line of outstanding educational products, including the Styer-Fitzgerald Program for Functional Academics. Unique among special education curricula, the Styer-Fitzgerald Program provides a comprehensive approach to teaching functional skills to students with mild, moderate, and severe disabilities, including autism. The Greek Sophists John Dillon,2003-07-31 By mid-5th century BC, Athens was governed by democratic rule and power turned upon the ability of the citizen to command the attention of the people, and to sway the crowds of the assembly. It was the Sophists who understood the art of rhetoric and the importance of transforming effective reasoning into persuasive public speaking. Their enquiries - into the status of women, slavery, the distinction between Greeks and barbarians, the existence of the gods, the origins of religion, and whether virtue can be taught - laid the groundwork for the insights of the next generation of thinkers such as Plato and Aristotle.

Written in an easygoing voice that is fun and inspiring, it reflects America’s love affair with meatballs and now makes them accessible to everyone.”—Scott Conant, chef and owner of Scarpetta restaurants, TV personality The Meatball Shop has quickly grown into a New York City dining destination. Food lovers from around the city and beyond are heading down to Manhattan’s Lower East Side for a taste of this breakout comfort food phenomenon. In this fun and satisfying cookbook, chef Daniel Holzman and general manager Michael “Meatball Mike” Chernow open up their vault of secrets and share nearly 100 recipes—from such tried-and-true favorites as traditional Bolognese Meatballs and Mediterranean Lamb Balls to more adventurous creations like their spicy Mini-Buffalo Chicken Balls and Jambalaya Balls. Accompanying the more than twenty meatball variations are recipes for close to a dozen delectable sauces, offering endless options to mix and match: from Spicy Meat to Parmesan Cream to Mango Raisin Chutney. And what would a meatball meal be without succulent sides and simple salads to round out the menu: Creamy Polenta, Honey Roasted Carrots, and Marinated Grilled Eggplant, just to name a few. You’ll also find helpful tips on everything from choosing the best cuts of meat to creating the perfect breadcrumbs to building the ultimate hero sandwich. There may not be a Meatball Shop near you—yet—but there’s a meatball for everyone (and lots more) in this crowd-pleasing cookbook that will have them lining up outside your kitchen. “Daniel and Michael have built a business that is truly special, and this book is an accurate reflection of the kind of guys they are. Finally a book about balls written by two guys who have a big enough pair to impress even me.”—Andrew Zimmern, chef, author, and host of Travel Channel’s Bizarre Foods
