Like the bestselling *Business of Bliss*, it's practical, inspirational, and beautiful to behold. This invaluable and very special guide helps them achieve that goal, whatever their passion. It goes straight to the experts: successful women who have made their mark in more than 10 different creative fields. These top designers and artisans offer insights gleaned from years of experience, reveal how they constructed their own creative spaces, and explain how the reader can make practical use of these decorating, organizational, and inspirational techniques as they go about designing their own work areas. Among the pertinent questions they answer: Where did you like to work as a child? What's the most important thing about having your own place to work? Are women's creative spaces different from men's? How important is it for you to organize your work, and how do you do it? Do you listen to music when you work—and what kind? The featured designers include Wendy Addison, Dena Fishbein, Jill Schwartz, and Suze Weinberg and their fields range from paper crafts to gardening. The Farmer family has a big problem! Every day their goat escapes, and every day, Mr. Farmer brings him back. So when things start to go awry on the farm, it must be the goat's fault. Who's to blame when Mrs. Farmer's petunias are trampled? Or when all the cupcakes for Archie's party disappear? And when the whole bucket of paint is spilled? Of course, everyone blames the goat! But is it really his fault? Find out in this epic collaboration between Ann Patchett and Robin Preiss Glasser, who create this perfect picture book about telling the truth.

Snowmen at Work Caralyn Buehner,2012-10-16 If you were a snowman, what job would you choose? Ten years ago, on the publication of *Snowmen at Night*, we discovered the secret lives of snowmen. While we humans sleep, the snowmen go sledding, play baseball, and drink cocoa. But now it's revealed that snowmen don't just play all night—they have jobs to do, just like the parents of human kids. Dentists replace missing coal from snowman smiles while pet store owners help pair snowkids with their very own snowpuppy or snowfish to love. The pizza man delivers frozen pizza, and factory workers make the coolest toys in town. This fourth book in the *New York Times* bestselling *Snowmen* series is a gleeful, goofy delight. Kids will love spotting the silly details in each illustration, and the hidden pictures too. (They can look on the back side of the book jacket for a key to all that's concealed within.)
