

Stan

David James

The Stan David Axe, Kevin Knodell, 2018-09-15 The 'Stan is a collection of short comics about America's longest war. Individual stories highlight different perspectives—one through the eyes of a Taliban ambassador and others through the eyes of Afghan and U.S. Army soldiers—but every account highlights the human element of war. The tales in this book—based on reporting by David Axe and Kevin Knodell and drawn by artist Blue Delliquanti—are all true and took place in roughly the first decade of the U.S. military intervention in Afghanistan. While the stories are from the recent past, The 'Stan is still very much about Afghanistan's and America's present—and likely their future.

Stan Lee and the Rise and Fall of the American Comic Book Jordan Raphael, Tom Spurgeon, 2004-09-01 Based on interviews with Stan Lee and dozens of his colleagues and contemporaries, as well as extensive archival research, this book provides a professional history, an appreciation, and a critical exploration of the face of Marvel Comics. Recognized as a dazzling writer, a skilled editor, a relentless self-promoter, a credit hog, and a huckster, Stan Lee rose from his humble beginnings to ride the wave of the 1940s comic books boom and witness the current motion picture madness and comic industry woes. Included is a complete examination of the rise of Marvel Comics, Lee's work in the years of postwar prosperity, and his efforts in the 1960s to revitalize the medium after it had grown stale.

Impossible Stan Walker, 2020-10-01 A startling and important memoir about family and forgiveness, love and redemption For the first time, Stan Walker speaks with startling honesty about abuse and addiction, hardship and excess, cancer and discrimination, and growing up in a family where love and violence were horribly entwined. From one of the finest singers to emerge from Australia and New Zealand Aotearoa in a generation, Impossible is a story of redemption and the power of forgiveness. It's also a story about courage and hope; about a young Maori boy finding his place and purpose, never forgetting who he is and where he came from. PRAISE FOR IMPOSSIBLE: As a chronicle of Walker's life, it is gripping, but where the book achieves greatness - and I mean real, true greatness - is as a totem to humanity's capacity for kindness. It's an insight into the soul of a man whose capacity for forgiveness seems boundless. - Sam Brooks 'This is a can't-put-down read, direct and proud and inspirational, an honest document of life in New Zealand on the wrong side of the tracks...' - Steve Braunias 'A remarkable, improbable tale of a young Maori man (Tuhoe and Ngati Tuwharetoa) rising to greatness and finding his purpose after surviving horrific childhood abuse and countless other tragic situations.' - Sebastian van der Zwan 'Stan Walker astonished me with his masterfully structured memoir of abuse and forgiveness.' - Catherine Woulfe

Ellen (Nedland) Silbaugh - Designer of Her Son Stan's Forensic Life Stanton O. Berg, 2022-11-07 This book is about the author's mother, Ellen Florence Nedland, as the designer of her son Stan's life as a forensic scientist. The story really goes back to June 14, 1928, when Mother Ellen's son, Stan, was born in Barron, Wisconsin (Mother Ellen's only child). Mother Ellen was probably the single most important factor in her son's, Stan, later becoming a forensic scientist. Mother Ellen started her son reading books at an early age and in early grades. This was a process that continued through grade school and later high school. Mother Ellen would cut out little strips of colored paper to resemble bookends. As Stan finished a book, Mother Ellen pasted it (colored strip) on a sheet of paper as both a record and further reading encouragement. Reading books thereby became an important part of Stan's life. Stan started with author Mark Twain and his stories Tom Sawyer and Huckleberry Finn. Stan then moved on to the author Arthur Conan Doyle and the Adventures of Sherlock Holmes as a solver of crimes through science and chemistry and microscopy. The Sherlock Holmes series of stories stirred Stan's interest in what would later become his lifetime occupation as a forensic scientist, who handled a thousand cases and testified in the various courts (criminal and civil, federal, state, military, territorial, Canadian, and even a case in Japan). Mother Ellen also gave Stan (while a child) Christmas presents such as chemistry sets, and erector sets to further stimulate his interest in the sciences. Stan often says that whatever has been his lifetime achievements, he owes most to his mother Ellen. Any failures are his own!

Berg, 2021-11-08 This book or booklet (Condensed Encyclopedia) is the author (and former forensic scientist) Stanton O. Berg's way of providing and creating a handy form of a quick reference source or sources to subjects that Stan has found to be interesting and are subjects that Stan thinks would be items or subjects frequently encountered in the daily news media of our present-day world. Stan has selected fifteen subjects that are not only interesting but are also the subjects that most likely to be in current-day news items. (Items of foul language, bad taste, or anti-Christian nature have been avoided. Stan himself is a dedicated Lutheran Christian.) Stan has tried to stay close to facts on the selected subjects but may on occasion inject his own opinion. Stan hopes that all readers will find his Condensed Encyclopedia about the Basics of the World We Live in and Our Lives in This World will prove to be helpful, informative, and interesting to all

MARSHA'S POETIC EXPRESSIONS of JUNE'S and STAN'S LOVE and LIFE and ALZHEIMER'S Stanton O. Berg, 2022-08-18 Stan first met Marsha several years ago when Stan published a special tribute to the caregivers around the world. Marsha read Stan's tribute and also his reference to caregiving being God's hands here on earth. Marsha, who lives in Texas and was once a schoolteacher there and a lady with great poetic abilities, had a father who came down with Alzheimer's. Stan tried to assist Marsha with advice in the care of her father. Marsha, early on in their friendship, wrote two poems relating to caregiving and her father's Alzheimer's: In Heaven, He Remembers and His Hands. Being the prolific and excellent poet/poem writer that Marsha was, Stan set up a page on June's Alzheimer's website to collect and publish Marsha's many poems. It is these many poems that now make up this book.

Stan Bowles Stan Bowles,2005-04-01 'I think that Frank Worthington summed my life up quite well when he said, Stan has spent all of his money on gambling, booze and birds. I responded to that: Well, at least I didn't waste it!'Stan Bowles was one of the greatest players of the golden age of English football, the 1970s. But like many of his contemporaries, he was probably as famous for his exploits in the bar or at the race track. Indeed, his chronic addiction to gambling led him to blow upwards of quarter of a million pounds. Packed with irreverent and entertaining anecdotes the book covers the ups and downs of Bowles' career, from his childhood in a prefab in Manchester, his early days at Man City, spent hanging around with the likes of George Best as well as the notorious Quality Street Gang, his heyday at QPR, and the unhappier times at Forest and Leyton Orient. STAN BOWLES, MY AUTOBIOGRAPHY is an unflinchingly honest account of a sporting legend.

But when a mysterious storm strikes, Stan and Jenny ?nd out just how ultimate – and permanent – their getaway is. Stan’s Leap explores what happens when strangers from vastly di?erent backgrounds are forced to survive together with no hope of ever seeing friends or family again. Clashes arise between faith and science, older and younger generations, and unfamiliar cultures. “I can say without reservation that Stan’s Leap by Tom Duerig is one of the best adventure, action, ?ction novels that I have ever read.” -The Book Review/p> “Even though this book is reminiscent of the infamous Lord of the Flies, Stan’s Leap has its own unique voice ... perhaps unique enough to be as memorable as its similar predecessor. It has become one of my all-time favorites and I will read it again and again.” -Literary R&R “I especially enjoyed the ending, which managed to be not only surprising and ironic but highly plausible as well.” -Chicago Center for Literature and Photography “A great mystery and adventure story!” -Blog o’ the Irish
