Star Wars FAQ Mark Clark,2015-08-01 (FAQ). From the books and movies that inspired George Lucas to imagine the Star Wars universe, to early screenplay drafts that were never filmed, to short biographies of many people who made key contributions to the movies' success, Star Wars FAQ explores every aspect of the original Star Wars trilogy (Star Wars , The Empire Strikes Back , and Return of the Jedi). Along the way, it unearths underreported stories and illuminating minutiae often skimmed over or completely ignored in other histories of the legendary film series. Highlights include details about the Star Wars Holiday Special debacle, the Ewok TV movies, the rise of Star Wars fiction and its importance in the revival of the franchise, and the wave of Star Wars imitators and parodies that flooded theaters and TV screens in the late 1970s and early 1980s along with dozens of rare publicity stills and photographs of vintage memorabilia. Offering an original analysis of the series' enduring appeal and cultural impact, Star Wars FAQ tells a story as thrilling and action-packed as the movies themselves, with bold characters facing apparently insurmountable odds, full of frantic chases, narrow escapes, daring victories, and tragic setbacks, culminating in an unlikely triumph that changed the course of the galaxy or at least of Hollywood.

The specter of full-scale war looms between a growing cadre of defiant planets and the Galactic Alliance that some fear is becoming a new Empire. Determined to root out those behind the mayhem, Jacen follows a trail of cryptic clues to a rendezvous with the most shocking of revelations. Meanwhile Luke grapples with something even more troubling: dream visions of a shadowy figure whose Force power and ruthlessness remind him of Darth Vader. If Luke's visions come to pass, they will bring untold pain to the Jedi Master . . . and to the galaxy.

The neutral world of Adumar has decided to pick a side in the war to control the galaxy. Delegates from both the New Republic and the Empire have been invited to Adumar, and each camp will be given a chance to plead its government's case. For once they arrive, the X-wing pilots are challenged by Adumar's fierce warriors and attacked by Imperial assassins bent on eliminating all competition. Tarkin: Star Wars James Luceno,2015-06-30 A long time ago in a galaxy far, far away. . . . Bestselling Star Wars veteran James Luceno gives Grand Moff Tarkin the Star Wars: Darth Plagueis treatment, bringing the legendary character from A New Hope to full, fascinating life. He’s the scion of an honorable and revered family. A dedicated soldier and distinguished legislator. Loyal proponent of the Republic and trusted ally of the Jedi Order. Groomed by the ruthless politician and Sith Lord who would be Emperor, Governor Wilhuff Tarkin rises through the Imperial ranks, enforcing his authority ever more mercilessly . . . and zealously pursuing his destiny as the architect of absolute dominion. Rule through the fear of force rather than force itself, he advises his Emperor. Under Tarkin’s guidance, an ultimate weapon of unparalleled destruction moves ever closer to becoming a terrifying reality. When the so-called Death Star is completed, Tarkin is confident that the galaxy’s lingering pockets of Separatist rebellion will be brought to heel-by intimidation . . . or annihilation. Until then, however, insurgency remains a genuine threat. Escalating guerrilla attacks by resistance forces and newfound evidence of a growing Separatist conspiracy are an immediate danger the Empire must meet with swift and brutal action. And to bring down a band of elusive freedom fighters, the Emperor turns to his most formidable agents: Darth Vader, the fearsome new Sith enforcer as remorseless as he is mysterious; and Tarkin-whose tactical cunning and cold-blooded efficiency will pave the way for the Empire’s supremacy . . . and its enemies’ extinction. Praise for Tarkin “Tarkin tells a compelling tale of mystery while revealing much about a character who has fueled debate among fans since 1977, as well as the oppressive regime he represents. [James] Luceno has proven once again that the villains of Star Wars are as much fun as the good guys.”-New York Daily News “Another home run in the new canon . . . This is the highest and best distillation of Tarkin stories, old and new, we’ve ever been given.”-Big Shiny Robot “A spectacular novel, with the intrigue, action, and profound characterization we have come to expect from the pen of Luceno . . . [Tarkin] provides a nuanced, multi-faceted anti-hero who is captivating, ominous, and calculating; in many ways, this is an origin tale of the Empire [and] a fascinating portrait of one of the more popular characters in the Original Trilogy. It may very well be one my favorite Star Wars novels.”-Coffee with Kenobi “A fascinating look at the pathos of one of the galaxy’s most criminally underused characters.”-TheForce.net

It is an age of exploration. Jedi travel the galaxy, expanding their understanding of the Force and all the worlds and beings connected by it. Meanwhile, the Republic, led by its two chancellors, works to unite worlds in an ever-growing community among near and distant stars. On the close-orbiting planets of Eiram and E’ronoh, the growing pains of a galaxy with limited resources but unlimited ambition are felt keenly. The two worlds’ hatred for each other has fueled half a decade of escalating conflict and now threatens to consume surrounding systems. The last hope for peace emerges when heirs from the planets’ royal families plan to marry. Before lasting peace can be established, an assassination attempt targeting the couple tilts Eiram and E’ronoh back into all-out war. To save both worlds, Jedi Knight Gella Nattai volunteers to uncover the culprit, while Chancellor Kyong appoints her own son, Axel Greylark, to represent the Republic’s interests in the investigation. But Axel’s deep distrust of the Jedi sparks against Gella’s faith in the Force. She’s never met such a puffed-up, privileged party boy, and he’s never met a more self-serious, relentless do-gooder. The harder they work to untangle the shadowy web of the investigation, the more complicated the conspiracy appears to be. With accusations flying and potential enemies in every shadow, the pair will have to work together to have any hope of bringing the truth to light and saving both worlds.

But what makes Billy's quest even harder is that he lives--and goes to school--in one of the outlying planets where they still haven't been connected to beings from other worlds. That’s about to change. Billy Bronson is obsessed with Starfighter, the Virtual Reality game that makes you feel like you are piloting your Starfighter. As is every teenager in the civilized world. When he completes a time-sensitive mission in second place, he is surprised to see that he is invited to Nevada to compete to be ranked one of the best Starfighters in the entire world. But, when Billy gets there, all is not what it seems, Billy realizes that the alien known simply as Harvey has taken it upon himself to train up his group of Starfighters on Earth, without the permission or the consent of the Galactic Federation. He cannot let innocent people die. The way he has managed to do this covertly is by implementing Starfighter training into the hit game Starfighters. With the help of Harvey, a member of the Galactic Council, will a small group of rag-tag teens be able to stop the Thrall from destroying the earth?
