Jaycee Dugard

The Stationery Shop Marjan Kamali, 2019-06-18 A poignant, heartfelt new novel by the award-nominated author of *Together Tea*—extolled by the *Wall Street Journal* as a “moving tale of lost love” and by *Shelf Awareness* as “a powerful, heartbreaking story”—explores loss, reconciliation, and the quirks of fate. Roya, a dreamy, idealistic teenager living amid the political upheaval of 1953 Tehran, finds a literary oasis in kindly Mr. Fakhri’s neighborhood stationery shop, stocked with books and pens and bottles of jewel-colored ink. Then Mr. Fakhri, with a keen instinct for a budding romance, introduces Roya to his other favorite customer—handsome Bahman, who has a burning passion for justice and a love for Rumi’s poetry—and she loses her heart at once. Their romance blossoms, and the little stationery shop remains their favorite place in all of Tehran. A few short months later, on the eve of their marriage, Roya agrees to meet Bahman at the town square when violence erupts—a result of the coup d’état that forever changes their country’s future. In the chaos, Bahman never shows. For weeks, Roya tries desperately to contact him, but her efforts are fruitless. With a sorrowful heart, she moves on—to college in California, to another man, to a life in New England—until, more than sixty years later, an accident of fate leads her back to Bahman and offers her a chance to ask him the questions that have haunted her for more than half a century: Why did you leave? Where did you go? How is it that you were able to forget me?

Counselling for Toads Robert de Board, 2008-02-21 Over 3 million copies sold worldwide and translated into seven languages! For over 25 years *Counselling for Toads* has provided readers with a warm and engaging introduction to counselling, brought to life by Toad and his friends from Kenneth Grahame’s *The Wind in the Willows*. Over the course of ten sessions, which correspond to chapters of the book, a very depressed Toad learns how to analyse his own feelings and develop his emotional

intelligence using the language and ideas of transactional analysis. He meets his 'rebellious child' and his 'adult' along the way and by the end of the book, Toad is setting out on a completely new adventure – as debonair as he ever was. Readers will learn about the counselling process and themselves as they join Toad on his journey from psychological distress to psychological growth and development. A must-read for anyone approaching counselling for the first time, whether as a student or as a client, or for the professional counsellor looking for something to recommend to the hesitant.

Ridgeline Michael Punke, 2021-06-01 The thrilling, long-awaited return of the #1 New York Times bestselling author of *The Revenant* Winner of the 2022 Spur Award for Best Western Historical Novel Winner of the 2021 David J. Langum, Sr. Prize in American Historical Fiction 2021 Montana Book Award Honoree In 1866, with the country barely recovered from the Civil War, new war breaks out on the western frontier—a clash of cultures between the Native tribes who have lived on the land for centuries and a young, ambitious nation. Colonel Henry Carrington arrives in Wyoming's Powder River Valley to lead the US Army in defending the opening of a new road for gold miners and settlers. Carrington intends to build a fort in the middle of critical hunting grounds, the home of the Lakota. Red Cloud, one of the Lakota's most respected chiefs, and Crazy Horse, a young but visionary warrior, understand full well the implications of this invasion. For the Lakota, the stakes are their home, their culture, their lives. As fall bleeds into winter, Crazy Horse leads a small war party that confronts Colonel Carrington's soldiers with near constant attacks. Red Cloud, meanwhile, wants to build the tribal alliances that he knows will be necessary to defeat the soldiers. Colonel Carrington seeks to hold together a US Army beset with internal discord. Carrington's officers are skeptical of their commander's strategy, none more so than Lieutenant George Washington Grummond, who longs to fight a foe he dismisses as inferior in all ways. The rank-and-file soldiers, meanwhile, are still divided

by the residue of civil war, and tempted to desertion by the nearby goldfields. Throughout this taut saga—based on real people and events—Michael Punke brings the same immersive, vivid storytelling and historical insight that made his breakthrough debut so memorable. As Ridgeline builds to its epic conclusion, it grapples with essential questions of conquest and justice that still echo today.

Together Tea Marjan Kamali, 2013-05-21 In *Together Tea*, Marjan Kamali's delightful and heartwarming debut novel, Darya has discovered the perfect gift for her daughter's twenty-fifth birthday: an ideal husband. Mina, however, is fed up with her mother's years of endless matchmaking and the spreadsheets grading available Iranian-American bachelors. Having spent her childhood in Tehran and the rest of her life in New York City, Mina has experienced cultural clashes firsthand, but she's learning that the greatest clashes sometimes happen at home. After a last ill-fated attempt at matchmaking, mother and daughter embark on a return journey to Iran. Immersed once again in Persian culture, the two women gradually begin to understand each other. But when Mina falls for a young man who never appeared on her mother's matchmaking radar, will Mina and Darya's new-found appreciation for each other survive? *Together Tea* is a moving and joyous debut novel about family, love, and finding the place you truly belong.
