Fleur-de-lis: A Book of Stencils Penny Vedrenne, 2008-02 This collection includes 22 designs of cut and paint stencils. Most cut and paint stencils are complete with only one stencil (referred to as an overlay) and leave you with a silhouette image. The first ten of these stencils are simple single overlay stencils. However, this collection also includes twelve designs that have more than one overlay and they leave you with a more ornate image. My goal was to create a project that would be easy enough to complete in a minimal amount of time and yet leave you with an art piece only lacking of your individual touches. These stencils are designed to inspire your creativity!
