Stitch by Stitch Rob Sanders,2021-10-12 From the blanket that his great-grandmother made for him as a boy, to the friends he gathered together in San Francisco as a young man, to the idea for a monument sewn of fabric and thread, Cleve Jones' extraordinary life seems to have been stitched together bit by bit, piece by piece. Mentored by Harvey Milk, Jones first had the vision for what became the AIDS Memorial Quilt during a candlelight memorial for Milk in 1985. Along with friends, Cleve created the first panels for the quilt in 1987. The AIDS Memorial Quilt grew to be one of the largest public arts projects ever and helped grow awareness of HIV and AIDS. The Quilt is an iconic symbol of hope and remembrance and is Jones' shining achievement. It has since toured the world and been seen by millions. This evocative biography is a touching tribute to Jones' life of advocacy, the positive effects of a community working towards a common goal, and an inspiring story for young readers. Includes a timeline and extensive back matter.

Stitches in Time Lucy Adlington,2015-10-08 Riffing through the wardrobes of years gone by, costume historian Lucy Adlington reveals the rich stories underlying the clothes we wear in this stylish tour of the most important developments in the history of fashion, from ancient times to the present day. Starting with underwear – did you know Elizabeth I owned just one pair of drawers, worn only after her death? – she moves garment by garment through Western attire, exploring both the items we still wear every day and those that have gone the way of the dodo (sugared petticoats, farthingales and spatterdashers to name but a few). Beautifully illustrated throughout, and crammed with fascinating and eminently quotable facts, Stitches in Time shows how the way we dress is inextricably bound up with considerations of aesthetics, sex, gender, class and lifestyle – and offers us the chance to truly appreciate the extraordinary qualities of these, our most ordinary possessions.

Stitch Stories Cas Holmes,2015-08-06 The events of your life, from local walks to exotic trips, can provide endless inspiration for textile art. This inspiring book shows you how to record your experiences, using sketchbooks, journals and photography, to create personal narratives that can form a starting point for more finished stitched-textile pieces. Acclaimed textile artist and teacher Cas Holmes, whose work is often inspired by her life and the journeys she makes, helps you find inspiration through your own life and explains how to record what you see in sketchbooks and journals, which can often become beautiful objects in themselves. She explains how you can use photography, both as documentation and as inspiration, and sometimes incorporate it into the work itself, along with found objects and ephemera. Throughout the book are useful techniques that can be harnessed to add extra interest to your work, such as methods for making layered collages, how to 'sketch' with stitch, and advice on design and colour. If you want to create beautiful, unique work inspired by your life and travels, this is the perfect book for you.

Stitched Memories Tilly Rose,2018-07-24 “Exquisite content . . . This beautiful book will inspire anyone to venture into the world of creating your own

pieces of textile artworks.” —Hot Brands Cool Places Our homes are full of treasured items from the past. Hidden away from view but never thrown away, they are our links to the special people and events that tell our story. In this beautiful and inspiring book, Tilly Rose encourages you to seek out your precious stash of pre-loved items and transform them into beautiful and practical textile artworks that celebrate the lives of your loved ones and preserve your memories for generations to come. Tilly shows you how to make 15 gorgeous projects, including cloth journals, lavender hearts, framed collages, wall hangings and miniature quilts. All of the designs have a story to tell and are made using a plethora of vintage fabrics, threads, lace, ribbon, buttons, beads, photographs and other found items. If you don’t have a collection of suitable materials at home, you can have fun sourcing them from online marketplaces, thrift/charity stores and flea markets, and try mixing them with modern fabrics and embellishments for a more contemporary look. The projects incorporate a range of exciting techniques, all explained through clear instructions and step-by-step photographs, including layering and collage, hand embroidery, transferring your own designs to cloth, stamping, appliqué, embellishing, patchwork, free motion embroidery and photo transfer. “[A] stunning book . . . I love that if like me you enjoy other crafts such as stamping, mixed media and papercraft, these can all be incorporated into your work and give you an individual look to any project.”

Stitching Snow R.C. Lewis, 2014-10-14 Princess Snow is missing. Her home planet is filled with violence and corruption at the hands of King Matthias and his wife as they attempt to punish her captors. The king will stop at nothing to get his beloved daughter back—but that's assuming she wants to return at all. Essie has grown used to being cold. Temperatures on the planet Thanda are always sub-zero, and she fills her days with coding and repairs for the seven loyal drones that run the local mines. When a mysterious young man named Dane crash-lands near her home, Essie agrees to help the pilot repair his ship. But soon she realizes that Dane's arrival was far from accidental, and she's pulled into the heart of a war she's risked everything to avoid. In her enthralling debut, R.C. Lewis weaves the tale of a princess on the run from painful secrets . . . and a poisonous queen. With the galaxy's future—and her own—in jeopardy, Essie must choose who to trust in a fiery fight for survival.

Her Body and Other Parties Carmen Maria Machado, 2017-10-03 Finalist for the National Book Award for Fiction “[These stories] vibrate with originality, queerness, sensuality and the strange.”—Roxane Gay “In these formally brilliant and emotionally charged tales, Machado gives literal shape to women’s memories and hunger and desire. I couldn’t put it down.”—Karen Russell In *Her Body and Other Parties*, Carmen Maria Machado blithely demolishes the arbitrary borders between psychological realism and science fiction, comedy and horror, fantasy and fabulism. While her work has earned her comparisons to Karen Russell and Kelly Link, she has a voice that is all her own. In this electric and provocative debut, Machado bends genre to shape startling narratives that map the realities of women’s lives and the violence visited upon their bodies. A wife refuses her husband’s entreaties to remove the green ribbon from around her neck. A woman recounts her sexual encounters as a plague slowly consumes humanity. A salesclerk in a mall makes a horrifying discovery within the seams of the store’s prom dresses. One woman’s surgery-induced weight loss results in an unwanted houseguest. And in the bravura novella “Especially Heinous,” Machado reimagines every episode of *Law & Order: Special Victims Unit*, a show we naïvely assumed had shown it all, generating a phantasmagoric police procedural full of doppelgängers, ghosts, and girls with bells for eyes. Earthy and otherworldly, antic and sexy, queer and caustic, comic and deadly serious, *Her Body and Other Parties* swings from horrific violence to the most exquisite sentiment. In their explosive originality, these stories enlarge the possibilities of contemporary fiction.

Stitching Stolen Lives Sara Trail, Teresa Duryea Wong, 2021-09-25 Remembering those we’ve lost and empowering those of the future *Stitching Stolen Lives* is an in-depth look at the mission and work of the Social Justice Sewing Academy Remembrance Project. Together, we remember the lives lost due to social injustices, with an in-depth sharing of their story. By working with SJSA, students learn how to cut fabric and make quilt blocks, and along the way, find the strength to express the systemic problems that plague their everyday life through their artwork. This book shares stories and insight into the lives lost and the long-overlooked, heartrending truths shared by teens and young adults. Personal stories of individuals and their families whose lives have been cut short due to social injustices. Includes thought-provoking art quilt blocks representing those whose lives were stolen. Young adults and teens find their voices through fabric and transform those messages into quilts. Featuring forewords by Hillary Rodham Clinton and Reverend Jesse L. Jackson, Sr.

How to Stitch an American Dream Jenny Doan,2021-10-19 Faith, family, hard work, and second chances are at the core of every great American story, and Jenny Doan's story is just that. In her new memoir, *How to Stitch an American Dream*, readers will discover the behind-the-scenes success story of the Missouri Star Quilt Company and Jenny's remarkable journey to overcome hardship, claim the abundance of family, and ignite the power of giving—all while revitalizing a small town along the way. Over the last decade, the Doan family business, the Missouri Star Quilt Company in tiny Hamilton, Missouri, has grown from Jenny's corner shop--with one quilting machine and two bolts of fabric for sale in the back--to become the largest supplier of pre-cut quilting fabric in the headquarters of Jenny's world-famous YouTube tutorial videos. Jenny is now giving her fans, the business world, and moms of all ages (and grandmas too!) what they've been asking for: the full story of her journey, from her humble beginnings as a homeschooling mom, to founding MSQC in her fifties, through the remarkable success and inspiration she's so well-known for today. In this book, you'll learn: How she and her beloved husband, Ron, raised seven children on a shoestring budget— and had fun doing it; How, after a string of bad luck, the family made a prayer-based decision to leave California behind and start over again in rural Missouri, even though they had no place to live, no jobs lined up, and no idea how they were going to make it; How Jenny, Ron and their children worked side-by-side to patch together a family home out of a crumbling shell of a farmhouse; And how their faith, hard work, and generosity not only carried them through the hard times, but led directly to the success of the Missouri Star Quilt Company. *How to Stitch an American Dream* will make you laugh, cry, say “bless your heart.”

Sewing Stories: Harriet Powers' Journey from Slave to Artist Barbara Herkert,Vanessa Brantley-Newton,2015-10-13 An illuminating picture book biography of an artist and former slave whose patchwork quilts bring the stories of her family to life. Harriet Powers learned to sew and quilt as a young slave girl on a Georgia plantation. She lived through the Civil War and Reconstruction, and eventually owned a cotton farm with her family, all the while relying on her skills with the needle to clothe and feed her children. Later she began making pictorial quilts, using each square to illustrate Bible stories and local legends. She exhibited her quilts at local cotton fairs, and though she never traveled outside of Georgia, her quilts are now priceless examples of African American folk art. Barbara Herkert's lyrical narrative and Vanessa Newton's patchwork illustrations bring this important artist to life in a moving picture-book biography.
