Storm Chaser Mike Olbinski, 2017-02-19 “Olbinski chases storms . . . capturing lightning, tornadoes and dramatic cloud formations in images that convey the awesome power and beauty of nature.” —International Business Times The storms that cross the Great Plains of North America each spring are some of nature’s most spectacular. They can also be some of the most dangerous. Most people who live in areas susceptible to these storms keep a close eye on the weather reports and take cover or evacuate when one is on the way. Storm chasers keep an even closer eye on the weather data, but for a different reason: they don’t run away when they see a storm approaching, they follow it! Professional photographer and Emmy Award winner, Mike Olbinski has chased storms throughout his native Arizona, as well as even further afield, including Texas, Oklahoma, Kansas, and Colorado. Whether he’s photographing lightning, tornadoes or even cloud formations, his remarkable images are able to convey nature in its most dramatic and impressive forms. With over 100 stunning colour photographs, this book brings together some of Mike’s most breathtaking images from the past five years as he describes his love of the open road and the thrill of capturing the perfect storm on film. “These pictures are truly fascinating; they show just how small we are and how little control we have over the environment and that these storms can pack a wallop. For fans of weather and spectacular photos, this is the book for you.” —San Francisco Book Review (5-star review) “A striking series of breath-taking pictures of nature lashing out from apocalyptic skies.” —Daily Mail Online

Grace and Guidance Various, Eden Studios, 2003-06-15 They are the followers of the Celestial Dragon. The heritage of the Storm Dragons stretches back over 5,000 years, making them one of the oldest surviving Covenants in existence - yet, many among the other Covenants have never heard of them. Keepers of ancient secrets - but believers in truth and freedom - they contain both cryptic mystics and flamboyant combatants in their midst. They are protectors of humankind, but have spawned an organization of evil that perverts all that is pure. Hidden in plain sight, they are a Covenant torn between operating from the shadows and revealing everything in the light of truth. *Grace and Guidance: The Storm Dragons Covenant Book* is a supplement for the *WitchCraft* roleplaying game. The supplement features: extensive background information on the current affairs and attitudes of the Covenant; character creation tips and hints for Storm Dragon Cast Members, and some words of wisdom from members of the Covenant; detailed history of the events that shaped the Covenant from formation to the present; and more! Varied discussion of potential Storm Dragon-based stories, as well as both broad and detailed story plotlines

Mists of Akuma Mike Myler, Savannah Broadway, Luis Loza, 2019-06-05 Mists of Akuma is an eastern fantasy noir steampunk campaign setting for use with the newest edition of the world's most popular tabletop roleplaying game. Using new mechanics steeped in eastern lore, the book focuses on providing in-depth urban settings and a diverse array of character options to make truly unique parties of adventurers perfectly suited to survive the decay and desperation in Soburin. Bengoshi (governmental agents) empowered to deputize individuals in service of the Masuto Dynasty are attempting to hold the apocalypse at bay but intrigue and graft are as common and deadly as the corrupting fog, and the ancient threat's influence is spread all the further by the despair of Emperor Hitoshi's subjects. In the 340-page deluxe

version of the Mists of Akuma rulebook, you'll find... An overview of the recent history of Soburin and basic information about the world including the dangerous Mists of Akuma, rules for traveling the prefectures, and what rigors maddened explorers must overcome to visit the apocalypse that has become of the other continents. Over 100 NPCs and monsters ranging from foreign generals to eastern dragons, powerful bengoshi and underlings from each of the 24 unique clans, and more than two dozen kami, oni, and tsukumogami! Cultural practices and traditions for Soburin inspired by and drawn from eastern lore. Gorgeous cover artwork by Claudio Pozas, interior scene illustrations by Indi Martin and Sara Shijo, and character illustrations by Jacob Blackmon and Nathanael Batchelor! A chapter each detailing three different cities: the capital of the Imperial Prefecture, Sanbaoshi, the advanced mechanical metropolis of Kyofu, and the traditionalist magic-steeped settlement of Nagabuki. Short stories with gorgeous half page illustrations at the start of each chapter to firmly posit the desperation and diversity inherent to adventuring in Soburin! Details on each of the two dozen clans of the prefectures, including the bengoshi that negotiate on the behalf of each ruling family's lady or lord and how the Kengen Occupation affected each region of Soburin. 7 new character backgrounds and guidelines for adapting existing character backgrounds when playing in Soburin as well as new conditions, the Culture skill, and 6 maps for the continent and its settlements by cartographers Michael McCarthy, Mike Myler, and Tommi Salama! 19 different archetypes that provide exciting theme-appropriate character options for every class! 14 new races to breathe life into Soburin, making it an exotic and unique world that is eager to shrug off the shackles of western imperialism. 32 new character feats, over 10 pages of equipment that ranges from new armor and weapons to steampunk

prostheses and vehicles, and 22 new Eastern-themed spells! And more. This anniversary edition includes *Revenge of the Pale Master*, a 25-page mystery adventure set in Soburin.

Storm Surge Chris Everheart, 2010 Jay and Emmi must navigate through a surging storm to fix a critical communications antenna for a top-secret government operation.

Maya Lin Susan Goldman Rubin, 2017-11-07 The Vietnam Veterans Memorial in Washington, D.C., is one of the most famous pieces of civic architecture in the world. But most people are not as familiar with the reserved college student who entered and won the design competition to build it. This accessible biography tells the story of Maya Lin, from her struggle to stick with her vision of the memorial to the wide variety of works she has created since then. The carefully researched text, paired with ample photos, crosses multiple interests—American history, civic activism, art history, and cultural diversity—and offers a timely celebration of the memorial's 35th anniversary as well as providing an important contribution to the current discussion of the role of women and minorities in society.
