The Vampire's Mail Order Bride Kristen Painter, 2015-06 Welcome to Nocturne Falls, the town where Halloween is celebrated 365 days a year. The tourists think it's all a show: the vampires, the werewolves, the witches, the occasional gargoyle flying through the sky. But the supernaturals populating the town know better. Living in Nocturne Falls means being yourself. Fangs, fur, and all. After seeing her maybe-mobster boss murder a guy, Delaney James assumes a new identity and pretends to be a mail order bride. She finds her groom-to-be living in a town that celebrates Halloween every day. Weird. But not as weird as what she doesn't know. Her groom-to-be is a 400-year-old vampire. Hugh Ellingham has only agreed to the arranged set up to make his overbearing grandmother happy. In thirty days, whatever bridezilla shows up at his door will be escorted right back out. His past means love is no longer an option. Not if the woman's going to have a future. Except he never counted on Delaney and falling in love for real. Too bad both of them are keeping some mighty big secrets...

The Sugar Skull Manuel Ruiz, 2021-10-24 The secrets hidden within the Sugar Skull have the power to protect... or destroy. 17-year-old Ricky Luna is trapped in a home that feels more like a prison than a refuge. Each night, he dreams of escaping, of finishing school, and skipping town with the girl he loves. But each morning brings him crashing back to reality. Life seems hopeless – until a mysterious midnight visitor arrives and opens Ricky's eyes to the magic surrounding his world, leaving him with only a warning of dark things to come. Days later, Ricky comes into possession of an enchanted sugar skull. Desperate for change, he opens himself to the dark powers lurking inside the sugar skull. Objects begin to move, untouched. Bad luck follows Ricky wherever he goes. And a mysterious death divides his family. As the evil inside the sugar skull grows, it threatens to consume everything. Ricky must uncover the truth behind the sugar skull's power before it destroys everything he cares about. The Sugar Skull is the first book in Manuel Ruiz's The Sugar Skull series.

Sugar Skull Denise Hamilton, 2003-03-25 From the Edgar, Anthony, Macavity, and Willa-nominated author Denise Hamilton comes SUGAR SKULL Acclaimed by award committees and critics for her groundbreaking The Jasmine Trade, Denise Hamilton returns with a penetrating new Eve Diamond crime novel sure to confirm her reputation as a rising star. Los Angeles Times reporter Eve Diamond usually works out of the paper's San Gabriel Valley bureau, but she's taking a weekend shift downtown when a distraught Vincent Chevalier breaks through security and demands her help. His fifteen-year-old daughter, Isabel, is missing, and the cops won't go looking for her until forty-eight hours have

passed. The man thinks he knows where she might be -- with some runaways in a dismal squat in East Hollywood. He wants Eve as his witness when he enters the squat and tries to bring Isabel home. Eve senses a possible story: Why would a privileged young girl from Pasadena spend time with the down-and-outs in East Hollywood? But there will be no interview with Isabel. Isabel is dead, her body wrapped in a dirty futon and abandoned in a derelict basement. Eve's questions have only begun. What brought the blond-haired teenager to such a tragic, early demise? Did a man named Finch, who's had past arrests for drugs, burglary, and theft, have something to do with Isabel's murder? What about her father? There's something unsettling about him. And what was Isabel's relationship with Paolo Langdon, her schoolmate and the son of a socialite hostess and a prominent politician? Even as Eve must fight against powerful forces that want her off the story, she finds herself emotionally drawn to the brooding scion of a Mexican music-promotion titan. It's dangerous to mix professional with personal, but Silvio Aguilar is hard to resist. And in his world, in the little sugar skull confections that commemorate the Mexican Day of the Dead, Eve may find some clue to a killer. Written with the authenticity and bold strokes that Denise Hamilton has made her own, *Sugar Skull* is much more than a triumphant crime novel -- it's a dazzling portrait of a city full of diversity. Rich with nuance and insight, this is compelling, illuminating crime writing at its best.

Sugar and Skulls LM Terry,2020-08-17 Sugar and SkullsJesseWhen I was ten I was a naïve, shy girl. A girl who dreamed of sunsets and roller skates. Until my grandparents died. Then I found myself alone in the world. One bad thing after another seemed to find me but I dealt. I dealt because a man with a black leather jacket and ink from head to toe told me how to survive this world. He told me sometimes you have to get mean. And so, I embraced my mean. I hated it at first but as time went on being mean became second nature. I rule my world, staying ahead, never stopping. You won't find anyone like me. I'm Jesse Miller and I'm one of a kind. I'm fine on my own. Fine.Perfect.Good.Until, I'm not. DirkWhen I found Jesse at ten years old she was cute as a button and sweet as a jar of honey. I gave her a bit of advice to survive this world. I hated to be cynical, but she was in the foster care system. She needed to learn a little mean, otherwise she would be eaten alive.Now, I've found her again and believe me, Jesse Miller isn't a little girl anymore. Seems she took my advice to heart. I may have created a monster. She's a dark-haired vixen with a wicked mind and sharp tongue. Jesse is very, very enticing. She thinks she can do it on her own.She doesn't have to.She has a family.A tribe.Me.She has me.Sugar and Skulls is a stand-alone novel. It is a dark romance, but I promise it does have a HEA. There is no cheating in this novel. It does contain dark content, including, but not limited to profanity, sexual abuse, and violence. It could possibly have triggers for some individuals.
