**Blair Thornburgh**

X'ed Out Charles Burns,2010 From the creator of the cult classic *Black Hole*, a graphic narrative that will delight and surpass the expectations of his fans. *X'ed Out* is most easily described as 'Hergé meets William S. Burroughs.' We are back in that spectral, surreal terrain that Burns has made his own - only now the seamless weaves of the erotic and horrifying is played out in parallel worlds of adolescent longing and dreamscape set in China.

*Skulls!* Blair Thornburgh,2019-07-23 Debut picture book author Blair Thornburgh and award-winning illustrator Scott Campbell put their heads together to celebrate one of the most important bones in your body: the skull! You probably don't think much about skulls. So what's the big deal about them? Well, every head of every person you've ever seen has a skull inside. And that includes YOU! This smart, skull-positive story cheerfully dispels any fears kids might have about their skeletons, flipping our view of skulls from a spooky symbol to a fascinating, cool, and crucial part of our bodies.

**Sugar Skull** Denise Hamilton,2003-03-25 From the Edgar, Anthony, Macavity, and Willa-nominated author Denise Hamilton comes *SUGAR SKULL*. Acclaimed by award committees and critics for her groundbreaking *The Jasmine Trade*, Denise Hamilton returns with a penetrating new Eve Diamond crime novel sure to confirm her reputation as a rising star. Los Angeles Times reporter Eve Diamond usually works out of the paper's San Gabriel Valley bureau, but she's taking a weekend shift downtown when a distraught Vincent Chevalier breaks through security and demands her help. His fifteen-year-old daughter, Isabel, is missing, and the cops won't go looking for her until forty-eight hours have passed. The man thinks he knows where she might be -- with some runaways in a dismal squat in East Hollywood. He wants Eve as his witness when he enters the squat and tries to bring Isabel home. Eve senses a possible story: Why would a privileged young girl from Pasadena spend time with the down-and-outs in East Hollywood? But there will be no interview with Isabel. Isabel is dead, her body wrapped in a dirty futon and abandoned in a derelict basement. Eve's questions have only begun. What brought the blond-haired teenager to such a tragic, early demise? Did a man named Finch, who's had past arrests for drugs, burglary, and theft, have something to do with Isabel's murder? What about her father? There's something unsettling about him. And what was Isabel's relationship with Paolo Langdon, her schoolmate and the son of a socialite hostess and a prominent politician? Even as Eve must fight against powerful forces that want her off the story, she finds herself emotionally drawn to the brooding scion of a Mexican music-promotion titan. It's dangerous to mix professional with personal, but Silvio Aguilar is hard to resist. And in his world, in the little sugar skull confections that commemorate the Mexican Day of the Dead, Eve may find some clue to a killer. Written with the authenticity and bold strokes that Denise Hamilton has made her own, *Sugar Skull* is much more than a triumphant crime novel -- it's a dazzling portrait of a city full of diversity. Rich with nuance and insight, this is compelling, illuminating crime writing at its best.

**Day of the Dead** Tony Johnston,1997 Describes a Mexican family preparing for and celebrating the Day of the Dead.

*The Hive* Charles Burns,2012 Doug is still in the netherworld. He's working a cleaning job in the Hive's stinking hallways, trying to ignore the screams, and reading romance comics to the breeders. But as the stories unravel on the page, frame by frame, mirrored memories plunge him back into his waking life. And that's where the real nightmare is. In Burns's trademark hard-edged style, *The Hive* is horrifying and completely absorbing: an incredible new installment from one of the most exciting artists in the comics world.

The Gondola Maker Laura Morelli,2014-03-03 Award-winning historical fiction set in 16th-century Venice -Benjamin Franklin Digital Award -IPPY Award for Best Adult Fiction E-book -National Indie Excellence Award Finalist -Eric Hoffer Award Finalist -Shortlisted for the da Vinci Eye Prize From the author of *Made in Italy* comes a tale of artisanal tradition and family bonds set in one of the world's most magnificent settings: Renaissance Venice. Venetian gondola-maker Luca Vianello considers his whole life arranged. His father charted a course for his eldest son from the day he was born, and Luca is positioned to inherit one of the city's most esteemed boatyards. Soon he will marry the daughter of an artisan prow-maker, securing a key

business alliance for the family. But when Luca experiences an unexpected tragedy in the boatyard, he believes that his destiny lies elsewhere. Soon he finds himself drawn to restore an antique gondola with the dream of taking a girl for a ride. The Gondola Maker brings the centuries-old art of gondola-making to life in the tale of a young man's complicated relationship with his master-craftsman father. Lovers of historical fiction will appreciate the authentic details of gondola craftsmanship, along with an intimate first-person narrative set against the richly textured backdrop of 16th-century Venice. I'm a big fan of Venice, so I appreciate Laura Morelli's special knowledge of the city, the period, and the process of gondola-making. An especially compelling story. --Frances Mayes, author of *Under the Tuscan Sun* Laura Morelli has done her research, or perhaps she was an Italian carpenter in another life. One can literally smell and feel the grain of finely turned wood in her hands. --Pamela Sheldon Johns, author of *Italian Food Artisans Romance*, intrigue, family loyalty, pride, and redemption set against the backdrop of Renaissance Italy. --Library of Clean Reads Beautiful, powerful evocation of the characters, the place, and the time. An elegant and thoroughly engaging narrative voice. --Mark Spencer, author of *Fiction Club: A Concise Guide to Writing Good Fiction*

**Funny Bones** Duncan Tonatiuh, 2015-08-25 *Funny Bones* tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852–1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

*Sugar Skull* Charles Burns, 2014-09-16 The long, strange trip that began in *X'ed Out* and continued in *The Hive* reaches its mind-bending, heartbreaking end, but not before Doug is forced to deal with the lie he's been telling himself since the beginning. In this concluding volume, nightmarish dreams evolve into an even more dreadful reality... (With full-color illustrations throughout.)

*Sugar Skulls* Lisa Mantchev, Glenn Dallas, 2015 Welcome to Cyrene, a city where energy is currency and music is the lifeblood of its young citizens. Everyone lives on the grid, and the residents of the world's largest playground are encouraged to pursue every physical and emotional pleasure imaginable. Vee is the lead singer of the Sugar Skulls, an all-girl band that is Corporate's newest pet project. Micah haunts the city like a ghost after an overdose of a deadly illegal street drug knocks him off the grid. When Micah and Vee forge an immediate, undeniable connection, their troubled worlds collide. Trading concert stages for Cyrene's rooftops and back alleys, they have to evade vicious thugs and Vee's possessive manager as they unravel the mysteries connected to their dark pasts. And before the curtain falls, Micah and Vee will bring the city to its knees in their desperate bid for love, home, and a future together.

*Last Look* Charles Burns, 2016-10-04 A true graphic milestone: the epic trilogy that began with *X'ed Out*, continued in *The Hive*, and concluded in *Sugar Skull*—now in one volume. The long strange trip of Doug in all its mind-bending, heartbreaking totality. The fragments of the past collide with the reality of the present, nightmarish dreams evolve into an even more dreadful reality, and when you finally find out where all of this has been going, and what it means . . . it will make you go right back to the first page and read it all again with new eyes. Just like Doug. (With full-color illustrations throughout)

**This Party's Dead** Erica Buist,2021-02-18 What if we responded to death... by throwing a party? By the time Erica Buist's father-in-law Chris was discovered, upstairs in his bed, his book resting on his chest, he had been dead for over a week. She searched for answers (the artery-clogging cheeses in his fridge?) and tried to reason with herself (does daughter-in-law even feature in the grief hierarchy?) and eventually landed on an inevitable, uncomfortable truth: everybody dies. While her husband maintained a semblance of grace and poise, Erica found herself consumed by her grief, descending into a bout of pyjama-clad agoraphobia, stalking friends online to ascertain whether any of them had also dropped dead without warning, unable to extract herself from the spiral of death anxiety... until one day she decided to reclaim control. With Mexico's Day of the Dead festivities as a starting point, Erica decided to confront death head-on by visiting seven death festivals around the world - one for every day they didn't find Chris. From Mexico to Nepal, Sicily, Thailand, Madagascar, Japan and finally Indonesia - with a stopover in New Orleans, where the dead outnumber the living ten to one - Erica searched for the answers to both fundamental and unexpected questions around death anxiety. This Party's Dead is the account of her journey to understand how other cultures deal with mortal terror, how they move past the knowledge that they're going to die in order to live happily day-to-day, how they celebrate rather than shy away from the topic of death - and how when this openness and acceptance are passed down through the generations, death suddenly doesn't seem so scary after all.
