Sorted Jackson Bird,2020-08-04 An unflinching and endearing memoir from LGBTQ+ advocate Jackson Bird about how, through a childhood of gender mishaps and an awkward adolescence, he finally sorted things out and came out as a transgender man in his mid-twenties. When Jackson Bird was twenty-five, he came out as a transgender to his friends, family, and anyone in the world with an internet connection. Assigned female at birth and raised as a girl, he often wondered if he should have been born a boy. Jackson didn't share this thought with anyone because he didn't think he could share it with anyone. Growing up in Texas in the 1990s, he had no transgender role models. He barely remembers meeting anyone who was openly gay, let alone being taught that transgender people existed outside of punchlines. In this "soulful and heartfelt coming-of-age story" (Jamia Wilson, director and publisher of the Feminist Press), Jackson chronicles the ups and downs of growing up gender confused. Illuminated by journal entries spanning childhood to adolescence to today, he candidly recalls the challenges and loneliness he endured as he came to terms with both his gender and his bisexual identity. With warmth and wit, Jackson also recounts how he navigated the many obstacles and quirks of his transition--like figuring out how to have a chest binder delivered to his NYU dorm room and having an emotional breakdown at a Harry Potter fan convention. From his first shot of testosterone to his eventual top surgery, Jackson lets you in on every part of his journey--taking the time to explain trans terminology and little-known facts about gender and identity along the way. "A compassionate, tender-hearted, and accessible book for anyone who might need a hand to hold as they walk through their own transition or the transition of a loved one" (Austin Chant, author of *Peter Darling*), *Sorted* demonstrates the power and beauty in being yourself, even when you're not sure who "yourself" is.

Strawberry Summer Kelly McKain,2013-06-01 School's out for the summer holidays, but there's no stopping Abbie. With business booming at her family's exciting new venture - the Rainbow Beauty parlour - and heart-throb Marco whisking her off on dates, life is one big whirlwind. But while Abbie longs to see Dad again, everyone else thinks he should be left out in the cold. Will Abbie's summer be filled with sunshine and strawberries, or are there storm clouds up ahead?

A Killer Romance Maggie Blackburn,2024-02-06 Love and murder are in the air this Valentine's day in Maggie Blackburn's third Beach Reads

mystery, perfect for fans of Eva Gates and Miranda James. When Beach Reads bookshop hosts a Valentine's Day event, "Romance by the Sea," bookseller Summer Merriweather has no idea that the guest author is under investigation for her own husband's murder. When that same author is found dead at the local bed and breakfast, nobody assumes it's natural causes—there were plenty of people who wanted her dead. As Summer searches for the truth about the author's stranger-than-fiction life, Summer finds suspicious indications of shady behavior in the author's belongings. But the casual sleuthing is quickly derailed when Summer's friend Glads gets hauled in for the murder, and they launch a full-blown investigation to clear her name. As Summer and company pick through the scant clues to solve the case, they may find more treachery and heartbreak than they bargained for.

Sorted*, brought to you by Ben Ebbrell, Barry Taylor and the rest of the fabulous *Sorted* crew, is the perfect cookbook for those who want simple, fun and seriously tasty meal ideas! The *Sorted* crew are a bunch of childhood friends who decided to help each other with their cooking dilemmas when they all left home to go to university. Now they are 24-year-old graduates and are broadcasting their recipes to thousands of viewers and subscribers to their *Sorted* food channel on YouTube - the most popular cookery channel on the site. With 800,000 views a month, the *Sorted* recipe demonstrations help you knock up meal after meal of cracking food,

seasoned with a healthy dose of fun. Whether a complete recipe rookie, a busy parent in need of inspiration, or a student faced with a small food budget, *Beginners Get . . . Sorted* will help solve all of your own kitchen dilemmas. Ben Ebbrell and Barry Taylor's cookbook is perfect for those in need of some cooking confidence and inspiration. The 'Sorted' gang came together in their university holidays, initially sharing their cookery ideas and woes, and then, in their spare time, becoming a huge youtube sensation. They also found time to self-publish two recipe books, *A Recipe for Student Survival* and *A Rookie's Guide to Crackin' Cooking*, which Penguin have combined to produce the ultimate guide for anyone who needs a little help in the kitchen.

Schooled and Sorted Thurston Domina, Andrew M. Penner, Emily K. Penner, 2023-06-22 We tend to view education primarily as a way to teach students skills and knowledge that they will draw upon as they move into their adult lives. However, schools do more than educate students—they also place students into categories, such as kindergartner, English language learner, or honor roll student. In *Schooled & Sorted*, Thurston Domina, Andrew M. Penner, and Emily K. Penner, explore processes of educational categorization in order to explain the complex relationship between education and social inequality—and to identify strategies that can help build more just educational systems. Some educational categories have broadly egalitarian consequences. Indeed, Domina, Penner, and Penner argue that when societies enroll young people in school, making them students, they mark them as individuals who are worthy of rights. But other educational categories reinforce powerful social categories—including race, gender, and class—and ultimately reproduce social and economic inequality in society. Elite colleges, tracked high schools, and elementary school gifted programs provide not only different educational experiences, but also create merit and inequality by sorting students into categories that are defined by the students who are excluded. *Schooled & Sorted* highlights that many of the decisions that define educational categories occur in school-based committee meetings and other relatively local settings. The local nature of these decisions provides many opportunities to define educational categories differently, and for school communities to bring about change. *Schooled & Sorted* is an illuminating investigation into the ways sorting within schools translates into inequality in the larger world. While some educational categorization may be unavoidable, the authors suggest ways to build a more equitable system—and thus a more equitable society.
