But all of last year's things are so out of style this year. You need something that is fresh and new, and something that is going to flaunt this year's style. But how are you going to do that when nothing is out for summer? The stores are still full of things for winter, and you are ready to move on! What better way to get what you are after than making it yourself? If you make your own summer accessories, it doesn't matter what time of year it is, you can make what you want, when you want it. Whether you are after accessories you can wear, little fashion pieces you can use to finish the look, or something to spruce up your house with some summer flare, you are going to get what you need with this book. I am going to give you the patterns for shawls and lap throws, scarves, or cute little things you can put around your house and remind yourself that sunshine is on the way. This book is unique. I want to give you summer's hottest styles before they are in the store, and show you how to get a jump start on the next season without having to wait for the items to come out in the store. I am going to show you exactly what you need to do to embrace your summer crochet, even when snow is still on the ground. Don't worry if you are a beginner, these patterns are easy to work with and fun to make, and you will be able to whip them up in no time. Sure, you might need to practice with some, but with some persistence, you are going to have it down in no time. Discover a variety of colorful patterns for your summer crochet Mix and match patterns to get just what you want Have fun with the patterns as you throw in your own flare And more!
