*Helping Children Become the Heroes of their Stories* Amanda Seyderhelm, 2022-09-23 Whether it's the anxiety of social isolation, the loss of routine or a breakdown in formal educational support, the COVID-19 pandemic has affected children in countless ways. Teachers, therapists and parents frequently find themselves ill-equipped to help children struggling with the difficult feelings that these situations, and others like them, give rise to. This essential guide provides a therapeutic toolkit to enable children to tell their stories and to regain some control over their mental health and wellbeing. The toolkit introduces a therapeutic story template, alongside guided support and examples focusing on three therapeutic skill sets: active listening, reflection and handling questions. Designed for use with children both individually and in class groups, the storytelling toolkit will enable children to see themselves as the hero of their own story, and life, and to reinstate a sense of optimism and self-empowerment in the face of the pandemic challenge. This resource provides a practical toolkit which can be used both inside and outside the classroom to help children to tell their lockdown stories. It will be valuable reading for teachers, SENCOs, therapists, mental health leads and parents.

Sitting in Bars with Cake Audrey Shulman, 2015-04-07 A “sweet indulgence for your mind, heart, and tastebuds”—now a major motion picture starring Yara Shahidi, Odessa A’zion, and Bette Midler (Molly Tarlov, MTV’s Awkward). Meeting Mr. Right is never easy. And in a big city like Los Angeles, it’s even harder. So, after years of fruitless efforts at finding a soul mate, Audrey Shulman decided to take a different route to a man’s heart—through his sweet tooth. Whipping up a variety of sinfully delicious cakes, Audrey invaded the savage singles scene fully armed with butter, sugar, and frosting. Sitting in Bars with Cake recounts Audrey’s year spent baking, bar-hopping, and offering slices of cake to men in the hope of finding a boyfriend (or, at the very least, a date). With 35 inventive recipes, this charming book pairs each cake with a short essay and tongue-in-cheek lesson about picking up boys in bars. “This delectable mix of encouragement, anecdote and cream-filling is more than enough reason to start baking and flirting.” —Winnie Holzman, creator of *My So-Called Life* “This is a delightfully humble and enthralling tale

about cake and bars and boys, but it's really about life, and what it takes to get up every day and be the person you have always wanted to be.” —Tracy Moore, Jezebel
