Killer Sweet Tooth Gayle Trent, 2011-10-11 Dead as a . . . dentist? They say sugar is bad for your teeth, but can it actually kill you? The Brea Ridge police seem to think so when they find cake decorator Daphne Martin wielding an oversized plastic toothbrush over a dentist's dead body. Daphne moved back to her small Virginia hometown just months ago to open her Daphne's Delectable Cakes business and already she's been mixed up in murder. Now she's got to prove her sweet innocence again. After hours of police questioning, Daphne returns home to find Elvis Presley in her

driveway. She's certain she's hallucinating until the leather-clad hunk orders up a pink Cadillac cake for a convention of the Elvis impersonators. Daphne accepts, but her reporter-boyfriend Ben is suspicious of Elvis's intentions. Does the King want to make Daphne his confectionery queen? Or is the convention a ruse for a more sinister operation? Daphne's own investigation into Dr. Bainsworth's murder, meanwhile, reveals the dentist made as many enemies as he did fillings. Just about anyone could have done him in, but it's up to Daphne to find the killer—and finish Elvis's cake—before she's the one singing “Jailhouse Rock.”

Retrospect Timothy Harris, 2016-01-01 Retrospect'

is a fast paced dystopian fiction novel set in Brisbane fifteen years into our future. The complex plot delves into a number of key societal issues, namely the consequences of humans trying to play GOD through Science and Technology exploitation. The quest for eternal life and the power of 'Big Brother' are two central matters that combine to create a chaotic, high energy ride. Brief Synopsis: The protagonist is a 15 year old young man called Noah. The story unwinds through his conversational narration. Noah is insightful, witty and at times quite humorous. His portrayal is told as a retrospective look into his attempts to survive the calamity of the 'new' world. As the plot unwinds, we discover the antagonist (Setag) has systematically hijacked an entire population using his manipulation of the Technological age. Through his cruel Dictator style leadership, he obliterates anyone who stands in his way. Children also disappear in large numbers, leading those surviving on a mission to uncover the 'truth'. This leads to a number of jaw shattering discoveries and sends the story to the University of Queensland Campus itself. Aimed at the young adult audience, there are a number of clever additions to the text, including a cyber-language that the reader can decode for themselves. Also the character relationship web provides a number of twists and turns. It is never completely obvious who is good, who is bad and who is downright wicked. The fictitious plot also closely mirrors the predictions of what many perceive to be our future, giving the exciting tale a strong dose of reality. The climax results

in the discovery that humans are being experimented on as guinea pigs in one man's relentless search to find immortality (Frankenstein style). How the man is overthrown remains a mystery right until the very end and even then, the reader learns that victory is always only a temporary state of being.
