Song of the Season Thomas Hischak, 2024-03-21 What links the popular songs You'll Never Walk Alone, Send in the Clowns, Memory and I Am What I Am? They all originated in Broadway musicals. Song of the Season is for those who believe that the score is at the heart of a musical and is the essential building block on which the rest of a show is built. Through a systematic historical survey from 1891 to 2023 it argues that the best musicals survive because of their songs, from early 20th century classics such as Show Boat and Oklahoma! through to the contemporary sound of Dear Evan Hansen and Hamilton. Looking at outstanding songs from each Broadway season, the development and history of the musical is illustrated with a fresh perspective. As song styles and popular music tastes changed throughout the decades this structure charts the progress of American showtunes alongside popular music forms as songs evolved from the waltz and ragtime to jazz, rock, rap and hip-hop. Factual analysis and historical context combine to offer a rich picture of the American songbook from Irving Berlin to Elton John. Song of the Season paints a fresh picture for musical theatre students and fans alike, illustrating significant changes in the form through the music. Analyzed in an accessible and engaging way that doesn't rely on music theory knowledge, and including a link to playlist where all the 'songs of the seasons' can be listened to, it is a must-have for those looking to expand their knowledge of the form and trace the social history of the American showtune.

Hooked Sutton Foster, 2021-10-12 From the 2-time Tony Award-winner and the star of TV's Younger, funny and intimate stories and reflections about how crafting has kept her sane while navigating the highs and lows of family, love, and show business (and how it can

help you, too). Whether she's playing an "age-defying" book editor on television or dazzling audiences on the Broadway stage, Sutton Foster manages to make it all look easy. How? Crafting. From the moment she picked up a cross stitch needle to escape the bullying chorus girls in her early performing days, she was hooked. Cross stitching led to crocheting, crocheting led to collages, which led to drawing, and so much more. Channeling her emotions into her creations centered Sutton as she navigated the significant moments in her life and gave her tangible reminders of her experiences. Now, in this charming and poignant collection, Sutton shares those moments, including her fraught relationship with her agoraphobic mother; a painful divorce splashed on the pages of the tabloids; her struggles with fertility; the thrills she found on the stage during hit plays like *Thoroughly Modern Millie*, *Anything Goes*, and *Violet*; her breakout TV role in *Younger*; and the joy of adopting her daughter, Emily. Accompanying the stories, Sutton has included crochet patterns, recipes, and so much more! Witty and poignant, *Hooked* will leave readers entertained as well as inspire them to pick up their own cross stitch needles and paintbrushes.

Magic Lessons Alice Hoffman, 2021-09-07 In the 1600s, Maria was abandoned in a snowy field in rural England as a baby. Under the care of Hannah Owens, who recognizes that Maria has a gift, she learns about the 'Unnamed Arts.' When Maria is abandoned by the man who has declared his love for her, she follows him to Salem, Massachusetts. She invokes a curse that will haunt her family for generations. And she learns the lesson that she will carry with her for the rest of her life: Love is the only thing that matters.

Spark Holly Schindler, 2016-05-17 Acclaimed author Holly Schindler writes a compelling

contemporary tale with a dash of magic. The theater comes to life in this story of family ties, fate, love, and one girl's quest to rewrite history. The local Avery Theater was just a run-down building to Quin—until her mother told her about the tragic love that played out on the theater's stage many years ago. Quin is convinced it's the perfect story to re-create for her drama class. And when she does, the Avery begins to magically regain its former splendor, clearly setting the stage for her classmates Dylan and Cass to relive the romance from a time before. Quin can see the spark between them, but it's up to her to make sure her friends—and the Avery—can both be saved this time around.

Oxoniensia, 1994

This Isn't the Sort of Thing That Happens to Someone Like You Jon

McGregor, 2012-04-03 The powerful first collection of short stories by Jon McGregor. From the publication of his first Booker-nominated novel at the age of twenty-six, Jon McGregor's fiction has consistently been defined by lean poetic language, a keen sense of detail, and insightful characterization. Now, after publishing three novels, he's turning his considerable talent toward short fiction. The stories in this beautifully wrought collection explore a specific physical world and the people who inhabit it. Set among the lowlands and levees, the fens and ditches that mark the spare landscape of eastern England, the stories expose lives where much is buried, much is at risk, and tender moments are hard-won. The narrators of these delicate, dangerous, and sometimes deeply funny stories tell us what they believe to be important—in language inflected with the landscape's own understatement—while the real stories lie in what they unwittingly let slip. A man builds a tree house by a river in preparation for a coming flood. A boy sets fire to a barn. A pair of

itinerant laborers sit by a lake and talk, while fighter-planes fly low overhead and prepare for war. This Isn't the Sort of Thing That Happens to Someone Like You is an intricate exploration of isolation, self-discovery, and the impact of place on the human psyche. Praise for Even the Dogs: A rare combination of profound empathy and wonderful writing. - Mark Haddon, author of The Curious Incident of the Dog in the Night-Time

Hooked Sutton Foster, 2021-10-12 From the 2-time Tony Award-winner and the star of TV's Younger, funny and intimate stories and reflections about how crafting has kept her sane while navigating the highs and lows of family, love, and show business (and how it can help you, too). Whether she's playing an "age-defying" book editor on television or dazzling audiences on the Broadway stage, Sutton Foster manages to make it all look easy. How? Crafting. From the moment she picked up a cross stitch needle to escape the bullying chorus girls in her early performing days, she was hooked. Cross stitching led to crocheting, crocheting led to collages, which led to drawing, and so much more. Channeling her emotions into her creations centered Sutton as she navigated the significant moments in her life and gave her tangible reminders of her experiences. Petals on the Wind V.C. Andrews,2011-02-08 On the heels of the successful Lifetime TV version of *Flowers in the Attic* comes the TV movie tie-in edition of *Petals On the Wind*, the second book in the captivating Dollanganger saga. Forbidden love comes into full bloom. For three years they were kept hidden in the eaves of Foxworth Hall, their existence all but denied by a mother who schemed to inherit a fortune. For three years their fate was in the hands of their righteous, merciless grandmother. They had to stay strong...but in their hopeless world, Cathy and her brother Christopher discovered blossoming desires that tumbled into a powerful obsession. Now, with their frail sister Carrie, they have broken free and scraped enough together for three bus tickets and a chance at a new life. The horrors of the attic are behind them...but they will carry its legacy of dark secrets forever.

Space Between Nico Tortorella,2019-09-17 Younger star and LGBTQIA+ advocate Nico Tortorella investigates love, sex, gender, addiction, family, fame, and fluidity through their personal story and the lens of their nonbinary identity “Nico Tortorella embodies the twenty-first-century human.”—RuPaul Nico Tortorella is a seeker. Raised on a steady

regimen of Ram Dass and raw food, they have always been interested in the more spiritual aspects of life. That is, until the desire for fame and fortune eclipsed their journey toward enlightenment and sent them into a downward spiral of addiction and self-destructive behavior. It wasn't until Nico dug deep and began to examine the fluidity of both their sexuality and gender identity that they became more comfortable in their own skin, got sober from alcohol, entered into an unconventional marriage with the love of their life, and fully embraced a queer lifestyle that afforded them the opportunity to explore the world outside the gender binary. It was precisely in that space between that Nico encountered the diverse community of open-minded, supportive peers they'd always dreamed of having. Expanding on themes explored on their popular podcast, *The Love Bomb*, Nico shares the intimate details of their romantic partnerships, the dysfunction of their loud but loving Italian family, and the mingling of their feminine and masculine identities into one multidimensional, sexually fluid, nonbinary individual. Nico has become a leading voice of the fluidity movement by encouraging open dialogue and universal acceptance. *Space Between* is at once an education for readers, a manifesto for both the labeled and label-free generations, and a personal memoir of love, identity, and acceptance. Praise for *Space Between* "In an industry that thrives on artifice, Nico Tortorella's candid soul-searching is precious and invigorating. As with the best truth-telling, it gives language to a thirst we had forgotten, while also quenching it. This is a book about addiction, familial trauma, and gender—yes—but more so it is about living. Living is an art form that Nico does well, and this book is an argument for making meaning from the messiness that surrounds us rather than simply muting it. Nico's distinct and relatable prose tangos us past binaries, toward an

intimacy beyond language.”—Alok Vaid-Menon

Americanah Chimamanda Ngozi Adichie, 2023-04-13 SHORTLISTED FOR THE BAILEY'S WOMEN'S PRIZE FOR FICTION 'A delicious, important novel' The Times 'Alert, alive and gripping' Independent 'Some novels tell a great story and others make you change the way you look at the world. Americanah does both.' Guardian As teenagers in a Lagos secondary school, Ifemelu and Obinze fall in love. Their Nigeria is under military dictatorship, and people are fleeing the country if they can. Ifemelu--beautiful, self-assured--departs for America to study. She suffers defeats and triumphs, finds and loses relationships and friendships, all the while feeling the weight of something she never thought of back home: race. Obinze--the quiet, thoughtful son of a professor--had hoped to join her, but post-9/11 America will not let him in, and he plunges into a dangerous, undocumented life in London. Thirteen years later, Obinze is a wealthy man in a newly democratic Nigeria, while Ifemelu has achieved success as a writer of an eye-opening blog about race in America. But when Ifemelu returns to Nigeria, and she and Obinze reignite their shared passion--for their homeland and for each other--they will face the toughest decisions of their lives. Fearless, gripping, spanning three continents and numerous lives, Americanah is a richly told story of love and expectation set in today's globalized world.

The Rules of Magic Alice Hoffman, 2017-10-10 An instant New York Times bestseller and Reese Witherspoon Book Club pick from beloved author Alice Hoffman—the spellbinding

prequel to Practical Magic. Find your magic. For the Owens family, love is a curse that began in 1620, when Maria Owens was charged with witchery for loving the wrong man. Hundreds of years later, in New York City at the cusp of the sixties, when the whole world is about to change, Susanna Owens knows that her three children are dangerously unique. Difficult Franny, with skin as pale as milk and blood red hair, shy and beautiful Jet, who can read other people's thoughts, and charismatic Vincent, who began looking for trouble on the day he could walk. From the start Susanna sets down rules for her children: No walking in the moonlight, no red shoes, no wearing black, no cats, no crows, no candles, no books about magic. And most importantly, never, ever, fall in love. But when her children visit their Aunt Isabelle, in the small Massachusetts town where the Owens family has been blamed for everything that has ever gone wrong, they uncover family secrets and begin to understand the truth of who they are. Yet, the children cannot escape love even if they try, just as they cannot escape the pains of the human heart. The two beautiful sisters will grow up to be the memorable aunts in Practical Magic, while Vincent, their beloved brother, will leave an unexpected legacy. Alice Hoffman delivers "fairy-tale promise with real-life struggle" (The New York Times Book Review) in a story how the only remedy for being human is to be true to yourself. Thrilling and exquisite, real and fantastical, The Rules of Magic is "irresistible...the kind of book you race through, then pause at the last forty pages, savoring your final moments with the characters" (USA TODAY, 4/4 stars).

Sutton Foster&sortw Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **Sutton Foster&sortw**, a literary masterpiece that delves deep to the significance of words and their effect on our lives.
