*Wild Swans* Jung Chang, 2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

*A Wild Winter Swan* Gregory Maguire, 2020-10-06 After brilliantly reimagining the worlds of Oz, Wonderland, Dickensian London, and the Nutcracker, the New York Times bestselling author of *Wicked* turns his unconventional genius to Hans Christian Andersen's *The Wild Swans*, transforming this classic tale into an Italian-American girl's poignant coming-of-age story, set amid the magic of Christmas in 1960s New York. Following her brother's death and her mother's emotional breakdown, Laura now lives on the Upper East Side of Manhattan, in a lonely townhouse she shares with her old-world, strict, often querulous grandparents. But the arrangement may be temporary. The quiet, awkward teenager has been getting into trouble at home and has been expelled from her high school for throwing a record album at a popular girl who bullied her. When Christmas is over and the new year begins, Laura may find herself at boarding school in Montreal. Nearly unmoored from reality through her panic and submerged grief, Laura is startled when a handsome swan boy with only one wing lands on her roof. Hiding him from her ever-bickering grandparents, Laura tries to build the swan boy a wing so he can fly home. But the task is too difficult to accomplish herself. Little does Laura know that her struggle to find help for her new friend parallels that of her grandparents, who are desperate for a distant relative's financial aid to save the family store. As he explores themes of class, isolation, family, and the dangerous yearning to be saved by a power greater than ourselves, Gregory Maguire conjures a haunting, beautiful tale of magical realism that illuminates one young woman's heartbreak and hope as she begins the inevitable journey to adulthood.

*Six Swans*, 2006 A king's daughter undertakes a difficult task to rescue her six brothers from the enchantment imposed on them by their wicked stepmother.

*The Wild Swans* Hans Christian Andersen, 2017-03-21 A princess has eleven brothers. The twelve siblings live happily and well, until their father decides to remarry. Their new stepmother is a wicked woman, and she turns all the brothers into swans and banishes the princess from the palace. And so it is left to Elisa to endure countless hardships alone in order to save her beloved brothers from the spell. This edition also contains a new translation of Hans Christian Andersen's beloved story *The Nightingale*, a story about a Chinese emperor who prefers the song of a mechanical nightingale to that of the real bird. When he falls ill, it is the nightingale who saves him. The story has been adapted for stage, opera, musical theatre and television many times.

*The Wild Swans* Hans Christian Andersen, 1988-09 Eleven brothers who have been turned into swans by their evil stepmother are saved by their beautiful sister. Includes suggested discussion questions and Bible verses.

*Swans in Half-Mourning* Vi Khi Nao, 2015-05-14 Lively and experimental, *Swans in Half-Mourning* is a modern retelling of the Grimm fairytale, *The Six Swans*. Written in language that is lush, erotic and playful, this novella brings the classic fairytale to fresh, startling life.

*A Wild Swan* Michael Cunningham, 2015-11-10 Fairy tales for our times from the Pulitzer Prize-winning author of *The Hours* A poisoned apple and a monkey's paw with the power to change fate; a girl whose extraordinarily long hair causes catastrophe; a man with one human arm and one swan's wing; and a house deep in the forest, constructed of gumdrops and gingerbread, vanilla frosting and boiled sugar. In *A Wild Swan and Other Tales*, the people and the talismans of lands far, far away—the mythic figures of our childhoods and the source of so much of our wonder—are transformed by Michael Cunningham into stories of sublime revelation. Here are the moments that our fairy tales forgot or deliberately concealed: the years after a spell is broken, the rapturous instant of a miracle unexpectedly realized, or the fate of a prince only half cured of a curse. The Beast stands ahead of you in line at the convenience store, buying smokes and a Slim Jim, his devouring smile aimed at the cashier. A malformed little man with a knack for minor acts of wizardry goes to disastrous lengths to procure a child. A loutish and lazy Jack prefers living in his mother's basement to getting a job, until the day he trades a cow for a handful of magic beans. Reimagined by one of the most gifted storytellers of his generation, and exquisitely illustrated by Yuko Shimizu, rarely have our bedtime stories been this dark, this perverse, or this true.

*Swan Sister* Ellen Datlow, Terri Windling, 2012-03-20 Just as fairy-tale magic can transform a loved one into a swan, the contributors to this book have transformed traditional fairy tales and legends into stories that are completely original, yet still tantalizingly familiar. In the follow-up to *A Wolf at the Door*, thirteen renowned authors come together with a selection of new and surprising adaptations of the fairy tales we think we know so well. These fresh takes on classic tales will show you sides of each story you never dreamed of.

*Bone Swans* C.S.E. Cooney, 2015-07-01 Winner of the 2016 World Fantasy Award for Best Collection Contains *The Bone Swans of Amandale*, 2015 Nebula Award finalist for Best Novella C. S. E. Cooney is one of the most moving, daring, and plainly beautiful voices to come out of recent fantasy. She's a powerhouse with a wink in her eye and a song in each pocket. —Catherynne M. Valente, New York Times bestselling author of the *Fairyland* novels These stories are a pure joy. C. S. E. Cooney's imagination is wild and varied, her stories bawdy, horrific, comic, and moving—frequently all at the same time. Her characters are wickedly appealing, and her language—O! her language. Lush, playful, poetic, but never obscure or stilted, it makes her magic more magic, her comedy more comic, and her tragic moments almost unbearable. —Delia Sherman, author of *Young Woman in a Garden: Stories* *Bone Swans* is a joy of feathery bones & ghoulish clowns. I adored every word. Like an eyas cries for meat, I cry for more. C.S.E. Cooney's a major talent and these are major talent stories. Who can resist hero rats, pouting swans, feral children, flying carpets and the Flabberghast? So tongue-tied am I with delight I fall back on the usual clichés: gripping, delightful, insightful, rollicking & lyrical—and yet not one cliché is to be found in *Bone Swans*, only stories of surpassing delicacy and wit, told by a lady of rare talent. Please, ma'am, might I have some more? —Ysabeau S. Wilce, Andre Norton Award winning author of *Flora's Dare* A swan princess hunted for her bones, a broken

musician and his silver pipe, and a rat named Maurice bring justice to a town under fell enchantment. A gang of courageous kids confronts both a plague-destroyed world and an afterlife infested with clowns but robbed of laughter. In an island city, the murder of a child unites two lovers, but vengeance will part them. Only human sacrifice will save a city trapped in ice and darkness. Gold spun out of straw has a price, but not the one you expect. World Fantasy Award winner Ellen Kushner has called Cooney's writing stunningly delicious! Cruel, beautiful and irresistible. Bone Swans, the infernally whimsical debut collection from C. S. E. Cooney, gathers five novellas that in the words of Andre Norton Award winner Delia Sherman are bawdy, horrific, comic, and moving—frequently all at the same time. Cooney's mentor, Science Fiction and Fantasy Writers of America Grand Master Gene Wolfe, proclaims in his introduction that her style is so original it can only be described as pure Cooney, and he offers readers a challenge: Try to define that when you've finished the stories in this book. More praise for Bone Swans Cooney's brilliantly executed collection of five stories is a delicious stew of science fiction, horror, and fantasy, marked by unforgettable characters who plumb the depths of pathos and triumph. ... All of these stories could easily serve as the foundation for novels while also working beautifully at their current length. These well-crafted narratives defiantly refuse to fade from memory long after the last word has been read. —Publishers Weekly, starred review In five beautifully crafted stories, Cooney builds imaginary worlds full of flying carpets, fairy-tale characters, and children confronted with a postapocalyptic Earth ... Each tale packs in enough plot for a novel, with adventurous characters who brim with wit. —Library Journal, starred review Writing without ostentation and featuring characters who may be flippant, terse, or even tongue-tied, Cooney produces memorable prose propelled by extraordinary ideas ... Faced with such twisted genius, I'll say no more! —Locus A fascinating mashup between the tropes and resonances of the mythic tale with the sensibilities of contemporary action-oriented fantasy: simultaneously lighthearted and serious, full of consequences but also ubiquitous happy endings. —Tor.com

**Daughter of the Forest** Juliet Marillier, 2010-04-01 Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Capote's Women Laurence Leamer, 2023-08-29 DON'T MISS FX's FEUD: CAPOTE VS. THE SWANS—THE ORIGINAL SERIES BASED ON THE BESTSELLING BOOK—NOW AVAILABLE TO STREAM ON HULU! New York Times bestselling author Laurence Leamer reveals the complex web of relationships and scandalous true stories behind Truman Capote's never-published final novel, Answered Prayers—the dark secrets, tragic glamour, and Capote's ultimate betrayal of the group of female friends he called his swans. There are certain women, Truman Capote wrote, who, though perhaps not born rich, are born to be rich. Barbara Babe Paley, Gloria Guinness, Marella Agnelli, Slim Hayward, Pamela Churchill, C. Z. Guest, Lee Radziwill (Jackie Kennedy's sister)—they were the toast of midcentury New York. Capote befriended them, received their deepest confidences, and ingratiated himself into their lives. Then, in one fell swoop, he betrayed them in the most surprising and shocking way possible. Bestselling biographer Laurence Leamer delves into the years following the acclaimed publication of Breakfast at Tiffany's in 1958 and In Cold Blood in 1966, when Capote struggled with a crippling case of writer's block. While enjoying all the fruits of his success, he was struck with an idea for what he was sure would be his most celebrated novel...one based on the remarkable, racy lives of his very, very rich friends. For years, Capote attempted to write what he believed would have been his magnum opus, Answered Prayers. But when he eventually published a few chapters in Esquire, the thinly fictionalized lives (and scandals) of his swans were laid bare for all to see, and he was banished from their high-society world forever. Laurence Leamer recreates the lives of these fascinating women, their friendships with Capote and one another, and the doomed quest to write what could have been one of the greatest novels of the twentieth century.
