**The Third Book of Swords** Fred Saberhagen,1988-09-15 Coinspinner, Farslayer, Mindsword, and nine more...The gods gave the Swords of Power to humankind for a game--but the swords can kill gods as well as mortals. And as the gods begin to die, the mortals find that life is not what it seemed...

**Swords and Swordsmen** Mike Loades,2010 Swords and Swordsmen chronicles the major developments in the sword's design, manufacture and use from Ancient Egypt to the American Civil War. Author Mike Loades traces the history of the sword in war and the evolution of the private duel. The book takes certain surviving swords as landmarks on this journey of discovery. Each can be linked to a specific individual, allowing each sword to be discussed in the social and military context of its time and forming the starting point for detours through other types of sword and contemporary developments in their design, manufacture and use. From Tutankhamun to General Custer, and including a chapter on the legendary samurai Uesugi Kenshin, this book charts the lives of warriors from many ages and cultures; men whose lives often depended on their skill with the sword. Illustrated with line drawings (many derived from old fight manuals) and dozens of photographs of surviving swords, Swords and Swordsmen celebrates these weapons as iconic works of art and powerful cultural symbols as well as examining the lethal practicality of their use.

**Girls with Swords** Lisa Bevere,2014-02-18 A passionate call for Christian women to effectively wield the sword of their God-given feminine strength against any evil that threatens them and those they love. What if you discovered you have been entrusted with an invisible, invincible, and incorruptible weapon? Would you use it? In a day of worldwide trafficking, gendercide, discrimination, and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female paradigm that will impact every area of a woman's self identity, spiritual awareness, relationships, and life vision and mission. Long known for her passionate and articulate expression of biblical womanhood, Bevere presents fresh imagery--as enticing and strong as polished steel--to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong: Now a woman must know how to wield her sword. Creatively forging the imagery of swords, the Word of God, and the Cross, Girls with Swords will teach you: • How to speak the language of heaven on earth • What it means to intercede • What it means to carry your cross • What it means to be discerning • How to disarm the enemy • Why women are the enemy's target--and why God needs them to be heroes It's time to take up your sword and be a hero.
