Alphabetical Sydney Antonia Pesenti, Hilary Bell, 2013 This is our Sydney, the brightest and best of it, North to the south to the east and the west of it. Bats and cicadas, lawn bowls and the zoo, This is our town. Let us share it with you.

Sydney's Century Peter Spearritt, 2000 In this lively portrait of Sydney's development, Peter Spearritt traces a century in the life of the city - from the celebrations of the Federation of Australia in 1901 to the 2000 Olympic Games. He describes the extra-ordinary growth of the city and its sprawling suburbs, and the transition from a port and a manufacturing center to an international financial hub.

Sydney's Aboriginal Past Val Attenbrow, 2010 Revealing the diversity of Aboriginal life in the Sydney region, this study examines a variety of source documents that discuss not only Aboriginal life before colonization in 1788 but also the early years of first contact. This is the only work to explore the minutiae of Sydney Aboriginal daily life, detailing the food they ate; the tools, weapons, and equipment they used; and the beliefs, ceremonial life, and rituals they practiced. This updated edition has been revised to include recent discoveries and the analyses of the past seven years, adding yet more value to this 2004 winner of the John Mulvaney award for best archaeology book from the Australian Archaeological Association. The inclusion of a special supplement that details the important sites in the Sydney region and how to access them makes the book especially appealing to those interested in visiting the sites.

Destiny in Sydney D. Manning Richards, 2012-07 DESTINY IN SYDNEY is an epic, multicultural novel of convicts, Aborigines, and Chinese embroiled in the birth of Sydney, Australia. Adventurous and opportunistic, Scottish marine Lieutenant Nathaniel Armstrong is in charge of convicts on one of eleven ships sent in 1787 on a perilous voyage from England to the other side of the world to establish a British penal colony. He lusts after fiery Irish convict Moira O Keeffe and surprises himself when he falls in love with her. Together they nearly starve in Sydney Cove while learning to farm the harsh land and deal with the Aborigines, whose lot is disease and unequal warfare. Armstrong descendants deny their convict heritage and oppose the Chinese who come for the gold rush. Three Fong brothers suffer violence and despair as they fight to forge a place for themselves. Duncan Armstrong, rich and powerful, helps pass the White Australia Policy in 1901 to keep out the Chinese, while his cousin Eleanor works for women's suffrage and a fair go for the Aborigines. Impeccably researched, this gripping dramatization of the true history of Sydney, Australia, is drawn from the writings of Australian leaders, soldiers, explorers, and settlers. Richards has mined Australian history for its action-adventure and applied his incomparable storytelling skills for a powerful, fast-paced read. The sequel novel A GIFT OF SYDNEY, available in late 2013, will continue the story of the Armstrongs and Fongs, and add the Hudson Aboriginal family, ending with the Summer Olympic Games held in Sydney in the year 2000.

I'm Not Sydney! Marie-Louise Gay, 2022-03-01 Finalist, CCBC Marilyn Baillie Picture Book Award Finalist, Janet Savage Blachford Prize for Children's and Young Adult Literature Sydney and his friends gather outside to play, transforming one by one to climb, leap, lumber and soar into a shared jungle of their imagination. Hanging upside down in a tree, Sydney imagines he is a sleepy, sun-bathing sloth. And that's where Sami finds him.

Sami thinks sloths are too slow, so she scampers up the tree and becomes a spider monkey. “Fast is fun!” she chatters. “Fast is best!” And that’s where Edward finds them... One after another, the neighborhood kids wander by and slip into a shared imaginative world where leaves and giant flowers unfurl, playing, laughing, teasing and bickering, until Edward the elephant fills up his trunk and—WHOOSH!—sends the children “galloping home like a herd of small wet animals.” As always, Marie-Louise Gay’s writing and artwork are wonderfully pitched to young readers, capturing the effortless way that children travel back and forth between the worlds of real life and make believe. With its sun-dappled watercolors, depiction of time spent outdoors with friends, and quiet, wistful ending, *I’m Not Sydney* perfectly illustrates the slow-moving magic of a childhood summer. Sydney’s Star Peter H. Reynolds,2001 The malfunction of Sydney’s mechanical star leads her to an unexpected happy ending.

Sydney & Simon: Full Steam Ahead! Paul Reynolds,2014-09-09 How to be a STEAM thinker. Sydney and Simon are twin mice on a mission. They want to enter their flowers in the neighborhood flower show, but the flowers in the window box are wilting in the city heat, and the window is jammed. How are they going to get water to their blossoms so they’ll live and flourish in time for the show? Sydney and Simon are lucky to be growing up in a curious and creative family and are encouraged to ask questions, experiment, and record their findings through writing, art, music, and video. Their mother is a scientist and their father is a poet. Their family motto is: When the going gets tough, the creative get going. Utilizing the S.T.E.A.M. (Science, Technology, Engineering, Arts, and Math) philosophy of learning, this brightly illustrated story shows how an interdisciplinary studies model helps Sydney and Simon achieve their goals. In a practical, fun, and hands-on way, young readers will be inspired to interact with their own natural learning skills and start experiencing the world-and their education-in a whole new way.

The Sydney Wars Stephen Gapps,2018-05-01 The Sydney Wars tells the history of military engagements between Europeans and Aboriginal Australians – described as ‘this constant sort of war’ by one early colonist – around the greater Sydney region. Telling the story of the first years of colonial Sydney in a new and original way, this provocative book is the first detailed account of the warfare that occurred across the Sydney region from the arrival of a British expedition in 1788 to the last recorded conflict in the area in 1817. The Sydney Wars sheds new light on how British and Aboriginal forces developed military tactics and how the violence played out. Analysing the paramilitary roles of settlers and convicts and the militia defensive systems that were deployed, it shows that white settlers lived in fear, while Indigenous people fought back as their land and resources were taken away. Stephen Gapps details the violent conflict that formed part of a long period of colonial strategic efforts to secure the Sydney basin and, in time, the rest of the continent. ‘A powerful and cogent contribution to one of the most contentious aspects of Australian history: the war between British settlers and the First Nations. The fine detailed research will mean that we will have to radically reassess our understanding of the history of the first thirty years of settlement.’ —Henry Reynolds

Sydney Richard Hall,2000 Sydney: An Oxford Anthology, to be published in time for the 2000 Olympics, is an entertaining and informative celebration of Australia’s foremost city. Readers will find a selection of writing that together forms a literary and historical introduction to the city: its history, style,character, diversity, artistic production, and its impact on people, both local and visitors.

Aboriginal Sydney Melinda Hinkson,Alana Harris,2010-10-01 The popular first edition established itself as both authoritative and informative; it is both a guide book and an alternative social history, told through precincts of significance to the city’s Indigenous people. The sites within the precincts, and their accompanying stories and photographs, evoke Sydney’s ancient past, and allow us all to celebrate the living Aboriginal culture of today. Sydney Andy Symington,2018 Spectacularly draped around its glorious harbour and beaches, Sydney has visual wow factor like few other cities. Scratch the surface and it only gets better.

Sydney’s One Special Evangelist Baden P. Stace,2022-08-04 This landmark work is the first academic study of a figure who played a defining role in the Australian evangelical movement of the late twentieth century--the inimitable preacher, evangelist, and churchman John C. Chapman. The study situates Chapman’s career within the secularizing Western cultures of the post-1960s--a period bringing momentous changes to the social and religious fabric of Western society. At the same time, global Evangelicalism was reviving, bringing vitality to large swathes in the Global South and a re-balancing in Western societies as conservative religious movements experienced growth and even renewal amidst wider secularizing trends. Against this backdrop the study explores the way in which, across a wide array of domestic and international fora, Chapman contended for the soteriological priority of the gospel in Christian life, mission, and thought. Accomplished via an absorbing blend of personal wit, impassioned oratory, innovative missiological strategy, and striking theological perception, the result was a stimulating history of public advocacy that sought a revival of confidence in Evangelicalism’s message, and a constantly reforming vision of Evangelicalism’s method. Such a legacy marks Chapman as a central figure within the

generation of postwar leaders whose work has given Australian Evangelicalism its contemporary shape and dynamism.

Sydney & the Old Girl Eugene O'Hare,2020-01-08 London is becoming an alien landscape to Sydney Stock; a man who has lived for over fifty years cooped with his mother Nell in her grubby East End home. Theirs is a relationship of mutually assured destruction where the ghosts of the past continue to stalk and accuse. As the twisted game around family inheritance reaches breaking point, Irish care worker Marion Fee finds herself an unwitting pawn being played from both sides. At the centre of Eugene O'Hare's second full-length black comedy is a family's obsession with versions of the past and a paranoia about a future in a city which no longer feels like home. This edition was published to coincide with the world premiere at Park Theatre, London in November 2019.

Sydney Bridge Upside Down: Text Classics David Ballantyne,2012-04-26 A great, untamed story about childhood, a summer holiday and a sinister tragedy that looms over everything.

30 Days in Sydney Peter Carey,2001-09-08 Peter Carey captures our imagination with a brilliant and unexpected portrait of Sydney. Bloomsbury is pleased to announce the second title in the phenomenally well-received *Writer in the City* series-in which some of the world's finest novelists reveal the secrets of the city they know best. In the midst of the 2000 Olympic games, Australia native Peter Carey returns to Sydney after a seventeen-year absence. Examining the urban landscape as both a tourist and a prodigal son, Carey structures his account around the four elements-Earth, Air, Fire, and Water-insisting on the primacy of nature to this unique Australian cityscape. As his quixotic account unfolds, Carey looks both inward into his past (as well as Sydney's own violent history) and outward onto the city's familiar landmarks and surroundings-the Opera House, the Harbour Bridge, the Blue Mountains-achieving just the right alchemy of Earth, Air, Fire, and Water to tell Sydney's extraordinary story.

Whether it's foiling terrorist plots or finding missing millionaires or rescuing sea lions, you'll love joining the adventure with these precocious preteens, as they pitch in their personal skills to solve the mysteries and save the day! Sydney Via Siberia Inara Strungs,2021-05-07 On a midsummer's night in 1941, a family is illegally arrested, by order of Stalin, in cosmopolitan Rīga, Latvia, and deported in cattle wagons to the frozen wilderness of Siberia. Sixty years later, the son, Laimonis aka Lucky, now an actor, visits Sydney and recounts the events to his long-lost sister, Māra, and her household. Māra, an architect, missed out on arrest and suffers survivor guilt. Her son, Andy, is a depressive musician and her daughter, Zinta, a wayward activist, their problems probably effects of the initial trauma. There are many family secrets, and a mysterious old man who spooks Lucky in the supermarket. Lucky's tale helps each family member reach some stability.
