Fairy Tales Teya Evans, 2019-08-03 Do you read bedtime stories for your

child? Don't modern heroes seems too boring to you? Try to plunge into the fairy tale world filled with ancient, magical creatures: elves, fairies, mermaids, dragons... This fairy tale storybook is dedicated to ancient folktales from around the world. Many of them are lost, but some have still managed to reach our era. We travel, together, all around the world. We sink into the old tales that speak of magic we still don't fully understand. We look for answers, but - perhaps more importantly - we look for questions: for that spirit that makes us stare in reverent wonder at the world around us. Our ancestors told of these magical creatures from generation to generation. And it is surprising how similar their habits are. Perhaps by reading some of the tales from another continent, you will find that her characters are exactly the same as in your grandmother's tales. Who knows? And then, perhaps, you tell this story to your child. And you will pass it on to the next generation. And now... Pretend you're sitting by a fire, listening to a wise, wizened storyteller begin to talk... Be Kind Pat Zietlow Miller, 2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

Tell Tale Jeffrey Archer, 2017-10-24 Nearly a decade after his last volume of short stories was published, Jeffrey Archer returns with his eagerly-awaited, brand-new collection *TELL TALE*, giving us a fascinating, exciting and sometimes poignant insight into the people he has met, the stories he has come across and the countries he has visited during the past ten years. Find out what happens to the hapless young detective from Naples who travels to an Italian hillside town to find out Who Killed the Mayor? and the pretentious schoolboy in *A Road to Damascus*, whose discovery of the origins of his father's wealth changes his life in the most profound way. Revel in the

stories of the 1930's woman who dares to challenge the men at her Ivy League University in *A Gentleman and A Scholar* while another young woman who thumbs a lift gets more than she bargained for in *A Wasted Hour*. These wonderfully engaging and always refreshingly original tales prove not only why Archer has been compared by the critics to Dahl and Maugham, but why he was described by *The Times* as probably the greatest storyteller of our age.
