Taller Than Trees Roger Young, 2016-07-27 Willows by the water glittered, rustling in the blowing breeze. Mirrored in the limpid distance, silver gilt between the trees, bands of amber streaked the surface, gently rent the shroud of night, freed the sovereignty of darkness, put the dying clouds to flight. For Willoughby, it was the silent time. Profiled at the misty margin, contemplating whence she came, bent a water nymph in study, rapt and tranquil, lovely, lonely; a film veiled her slender limbs, limned softly by the sun's first flame. Head lifted, she began to straighten, circling arms began to rise, fingers languidly caressed the tresses. Washed with light, she closed her eyes. A vision only, but not wholly, she is very like another's form: gorgeous daughter of the morning, born into the warmth of dawn. It always seemed she might be waiting, though never as she seemed so now . . .

Fastening her glowing hair, she drifted to the liquid lip. There, letting fall the gossamer, she slipped to mingle with the ripples. Grey eyes turned to smile a greeting, and white hand lingered in a parting wave . . . And she was gone. In the rushes at the lakeside, the dreamer, dreaming, gave a sigh. Could he make the scene substantial? Should he dare heaven try?

Taller, Slimmer, Younger Lauren Roxburgh, 2016-05-05

There's a new buzzword in the fitness world: fascia. It's the connective tissue that wraps around your muscles and organs and helps keep everything in place. But in our increasingly busy and often stressful lives, tension and toxins are often stored within our fascia, resulting in serious long-term consequences, such as excess weight, acute anxiety, chronic pain and poor posture. Fitness and alignment expert Lauren Roxburgh - who has worked with such stars as Gwyneth Paltrow, Gabby Reece and Melissa Rauch - has the solution to keep your fascia supple, flexible and strong. Using only a foam roller, you can reshape and elongate your muscles, release tension, break up scar tissue and rid yourself of toxins for a leaner, younger look. In just 15 minutes a day, Roxburgh's 21-day programme will guide you through a simple series of her unique rolling techniques that target 10 primary areas of the body, including the shoulders, chest, arms, legs, hips, bottom, back and stomach. The end result is a healthy, balanced, aligned body that not only looks but feels fantastic. Includes over 80 photographs to help guide you through the exercises.
