Advanced and Business Tort Law Arthur Best,David W. Barnes,Nicholas Kahn-Fogel,2023

Casebook with problems for law school students enrolled in Advanced Torts or Business Torts courses--

Rage Gary C. King,2012-03-01 Case Featured On Dateline and 48 Hours Divorce Is Violent. . .

Darren Mack had it all. A beautiful home in Reno. A lovely wife. Three children. And a million-dollar business. Then his wife Charla filed for divorce, winning a large settlement in a heated courtroom battle. According to friends, Mack was angry. They had no idea how far his fury would take him...

Revenge Is Bloody. . . Over the next year, the rage only intensified. Finally, Darren Mack snapped, stabbing and killing his ex-wife in his condo. Hours later, he stalked and shot their divorce judge in broad daylight. Before the blood had even cooled and law enforcement could react, he fled to Mexico,

eluding police hot on his trail. Justice Is Final. . . The case made headlines nationwide, propelled by lurid details of Mack's wild swinger lifestyle, the shocking discovery of explosives in his apartment, and the chillingly prophetic remark made by his wife: Someday he's going to kill me. . . Catching him was the hardest part. . . With 16 Pages Of Shocking Photos

Bag O' Goodies Jolly Walker Bittick, *Bag O' Goodies* is a collection of short stories and poems, some based on true events, that showcase an array of topics and themes. These pages contain tales of where late nights go wrong, scary neighbors prove their scariness, motorcycles rule, and deep arguments hit deeper topics while in the line of duty. This proverbial bag has quite a scent. Poems are included for added aroma!

Once You Go This Far Kristen Lepionka, 2020-07-07 *Once You Go This Far* is the fourth thrilling mystery from Shamus Award-winning and Anthony and Macavity Award-nominated author Kristen Lepionka. Junior-high school nurse Rebecca Newsome was an experienced hiker—until she plummeted to her death at the bottom of a ravine in a Columbus metro park. Her daughter, Maggie, doesn't

believe it was an accident, and Rebecca's ex-husband is her prime suspect. But he's a well-connected ex-cop and Maggie is certain that's the reason no one will listen to her. PI Roxane Weary quickly uncovers that the dead woman's ex is definitely a jerk, but is he a murderer? As she pieces together the days before Rebecca died, what Roxane finds doesn't quite add up. From a series of trips to Detroit and across the border to a casino in Windsor, Canada, to strange calls from Rebecca's home to a charismatic political candidate, to a women's health organization, to a secretive church group that seems to have more information about its members than it should, Roxane needs to figure out how everything is connected before a dangerous secret gets someone else killed.

Reducing the Threat of Improvised Explosive Device Attacks by Restricting Access to Explosive Precursor Chemicals National Academies of Sciences, Engineering, and Medicine, Division on Earth and Life Studies, Board on Chemical Sciences and Technology, Committee on Reducing the Threat of Improvised Explosive Device Attacks by Restricting Access to Chemical Explosive Precursors, 2018-05-19 Improvised explosive devices (IEDs) are a type of unconventional explosive

weapon that can be deployed in a variety of ways, and can cause loss of life, injury, and property damage in both military and civilian environments. Terrorists, violent extremists, and criminals often choose IEDs because the ingredients, components, and instructions required to make IEDs are highly accessible. In many cases, precursor chemicals enable this criminal use of IEDs because they are used in the manufacture of homemade explosives (HMEs), which are often used as a component of IEDs. Many precursor chemicals are frequently used in industrial manufacturing and may be available as commercial products for personal use. Guides for making HMEs and instructions for constructing IEDs are widely available and can be easily found on the internet. Other countries restrict access to precursor chemicals in an effort to reduce the opportunity for HMEs to be used in IEDs. Although IED attacks have been less frequent in the United States than in other countries, IEDs remain a persistent domestic threat. Restricting access to precursor chemicals might contribute to reducing the threat of IED attacks and in turn prevent potentially devastating bombings, save lives, and reduce financial impacts. Reducing the Threat of Improvised Explosive Device Attacks by Restricting Access to

Explosive Precursor Chemicals prioritizes precursor chemicals that can be used to make HMEs and analyzes the movement of those chemicals through United States commercial supply chains and identifies potential vulnerabilities. This report examines current United States and international regulation of the chemicals, and compares the economic, security, and other tradeoffs among potential control strategies.

Fatal Mistake Susan Sleeman,2017-05-09 An FBI agent must protect the woman who can identify a terrorist bomber in bestselling author Susan Sleeman's riveting romantic suspense novel. Each day could be her last...but not if he can help it. Tara Parrish is the only person ever to survive an attack by the Lone Wolf bomber. Scared and emotionally scarred by her near death, she goes into hiding with only one plan--to stay alive for another day. She knows he's coming after her, and if he finds her, he will finish what he started. Agent Cal Riggins has had only one goal for the past six months--to save lives by ending the Lone Wolf's bombing spree. To succeed, he needs the help of Tara Parrish, the

one person who can lead them to the bomber. Cal puts his all into finding Tara, but once he locates her, he realizes if he can find her, the Lone Wolf can, too. He must protect Tara at all costs, and they'll both need to resist the mutual attraction growing between them to focus on hunting down the bomber, because one wrong move could be fatal.

Sugar C.T. Bonnett,2020-12-14 What price would you pay to never grow old? Two biochemists have the solution, but the cost to society is catastrophic. The only way out is to reverse the process, and the NIA must buy them time to find the answers.

The Cousin Seven: Beasts of Summer Hallow John Travis Green,2018-04-10 A group of seven inseparable, rambunctious teenagers, known to their small hometown as The Cousin Seven, witness something so horrifying that they, themselves, cannot even explain. An innocent summer graduation trip, to a family cabin deep in the hill country of North East Texas, ends up in the mysterious loss of one of their friends. Fifteen years later, the remaining group of friends decide to find answers to their haunting memories. They set out on a mission, to go back to the cabin that robbed them of their

childhood and has now claimed the lives of two of their lifelong friend's.

In the House of the Hangman - Volume 8 John Bloomberg-Rissman,2017-03

Collateral Damage Jenna Bennett,2020-04-07 A white supremacy group is spreading its tendrils of hate through the bucolic hills of Middle Tennessee, holding target practice in Laurel Hill wildlife area and stockpiling explosives in preparation for a race war. It's up to Savannah's husband Rafe to find and eliminate them... with a little help from Columbia chief of police Tamara Grimaldi, the joint sheriffs of Lawrence, Lewis, Giles, and Maury counties, and an undercover agent from the Tennessee Bureau of Investigation - an undercover agent Rafe trained, and one he wants to keep alive. But it isn't Clayton in the cross-hairs when the members of the group discover they're under investigation. It's Rafe who goes down from a bullet to the chest, and Savannah who must sideline her worry to lend a hand in taking down the people responsible, before they can put their evil plans into action and affect damage that far supersedes the shooting of one man.

The 4-hour Chef Timothy Ferriss,2012 Presents a practical but unusual guide to mastering food

and cooking featuring recipes and cooking tricks from world-renowned chefs.

Hell Ride Curtis Miller,2021-12-23 Two friends engage on a seemingly boring road trip to visit a dying family member. Little did they know they would be thrust into the fight for their life. A fun Fictional Autobiography about the lengths that someone will go to for the people that they care about, and the bonds of friendship.

Genevieve Roger N. Leight,2021-12-02 Genevieve is the first in a series of books that will make up The Portal in Time series of stories. The story starts with two brothers that grew up close but have grown apart as they got older. They are brought back together by their father, but something goes wrong during an innocent vacation reunion that takes the characters back to the time of the French and Indian War. How do the two brothers interact once they find out that they have somehow gone back in time before the founding of this country and one of them finds love in a rugged frontier woman? The series is about brotherly relationships and the love of a woman that they meet while trying to survive a war and a hostile environment. Will they get back to modern times, and will one of

them lose the love of his life? This is a story of war, action, trials of life, and love. 95

The Beach is Back Barton Grover Howe, 2014-06-25 After facing a rain of bouncing boulders the size of Volkswagens, an exploding whale forty years in the making, and the worst latte in the history of the world, Jackson Poe no longer believes in coincidence. Someone wants him dead. Taking a break from his free— far more often than he'd like —lance writing career, Poe finds himself on assignment to the Surfland, Oregon, tourism bureau, where the director seems to do everything possible to kill Poe and business. So Poe teams up with a tchotchke-loving cyber geek, a barista with a wicked fastball and a narcoleptic dog in a race against time and escalating explosives as Poe fights to save his town, the coffee shop he loves, and his own skin. The BEACH is BACK, and so is America's wettest, weirdest town, as a rain of mystery and hilarity falls once more. "Oregon's answer to Carl Hiaasen and Dave Barry." —Sheldon McArthur, North by Northwest Books "A non-stop laugh you cannot put down." —Sheldon McArthur, North by Northwest Books, on *The Beach is Back*
