Tear Me Apart J.T. Ellison, 2018-08-28 The follow-up to her critically acclaimed *Lie to Me*, J.T. Ellison's *Tear Me Apart* is the powerful story of a mother willing to do anything to protect her daughter even as their carefully constructed world unravels around them. One moment will change their lives forever... Competitive skier Mindy Wright is a superstar in the making until a spectacular downhill crash threatens not just her racing career but her life. During surgery, doctors discover she's suffering from a severe form of leukemia, and a stem cell transplant is her only hope. But when her parents are tested, a frightening truth emerges. Mindy is not their daughter. Who knows the answers? The race to save Mindy's life means unraveling years of lies. Was she accidentally switched at birth or is there something more sinister at play? The search for the truth will tear a family apart...and someone is going to deadly extremes to protect the family's deepest secrets. With vivid movement through time, *Tear Me Apart* examines the impact layer after layer of lies and betrayal has on two families, the secrets they guard, and the desperate fight to hide the darkness within. Don't miss *It's One of Us*, the next page-turning thriller from New York Times bestselling author J.T. Ellison!

Tears of Salt: A Doctor's Story Pietro Bartolo, Lidia Tilotta, 2018-01-09 "Tears of Salt... reveals the human side of suffering through the life of one man." —Adele Annesi, Washington Independent Review of Books Situated more than one hundred miles off Italy's southern coast, the rocky island of

Lampedusa has hit world headlines in recent years as the first port of call for hundreds of thousands of African and Middle Eastern refugees fleeing civil war and terrorism and hoping to make a new life in Europe. Dr. Pietro Bartolo, who runs the lone medical clinic on the island, has been caring for many of them—both the living and the dead—for a quarter century. *Tears of Salt* is Dr. Bartolo's moving account of his life and work set against one of the signal crises of our time. With quiet dignity and an unshakable moral center, he tells unforgettable tales of pain and hope, stories of those who didn't make it and those who did.

The Last Tear Jean Alice Rowcliffe, 2013-07 This book is a MUST READ for anyone who has lost a loved one or is seeking an honest story about what it is like to traverse the journey of grief. Jean's powerfully candid story is rich, insightful, and illuminates a truth in all our lives that is sadly unnoticed and often silenced. Juli Fraga, Psy.D., Licensed Psychologist A mother grasps her dying son's hand, struggling how to let go and aghast at what life will become after his death. *The Last Tear* is the harrowing true story of my only child James, a dynamic 17 year old who was diagnosed in 2008 with an extremely rare form of cancer, dying eleven months later on the eve of Mother's Day. Rather than allowing cancer to define his days James became even more focused on school, college applications and his future, inspiring not only his peers but the larger community including President Obama. My crippling sorrow that paralyzed for years is shared with candor and will touch anyone who has struggled with excruciating grief. Poignant and at times difficult, *The Last Tear* eventually uplifts as it transcends a tale of cancer and death to embrace the larger canvas of how to live authentically with sorrow as a new companion.

The Tear Laurel Faith Parker,2011-06-15 Based on a true story, Laurel Faith Gables spent her first days on a field watching Daddy playing his sport of football. Spencer Gables was a hometown football star from the small rural town of Creeksdale, who made his way to his beloved North Mason

College. His eyes were turned by one-Jacqueline Carr from the city of Lawson. She was everything he ever wanted. After eloping, their love blossomed with the birth of their first child, Laurel. Upon graduation, the Gables moved to Lawson, where Spence was becoming a local icon in the world of football coaching. Life on Chester Chapel was beautiful, and the two were blessed with a baby boy, Cole. The couple longed for their goal of homeownership, and they were well on their way to achieving it. Spence and Jacqueline were living the American dream until the unthinkable happened, tearing the Gables family to shreds. Is the love of a daughter strong enough to bring their world back together, or will it forever be shattered? Laurel is forced onto a bridge and she cannot turn back. The only way to bring an end is to cross. For those who have lost deeply, want to love dearly, or know those who do. For those who want to consider - is vengeance deserved?

Tears of a Widow Atom Ter, 2014-12-04 At the long run, the only thing she could do, and actually

did do at the point where she had fallen, was to faint, wake up and cry and wish for death to come; and faint back again.... She circumvented this torturous circle with so much grief in her heart until her soul was literally suspended between the two divergent realms of life and death...! This is a story of an underprivileged African boy, Terkimbi Jim, who managed to make it into the university against all odds. He had to battle against generational curses, poverty and his personal aversion for hardship. His father abandoned him with his mother. The mother drudged to keep him in school but she passed away when he was in Junior Secondary School. So he had to endure some forms of hardship both in his secondary and tertiary educations, schools through which he had to sponsor himself.... Set among the Tiv people of Benue State Nigeria, *Tears of a Widow* is a story of human dogged determination to succeed, resilience and endurance in a society which has no pity, plan or structure for helping his kinds. It's a tale of the survival of the fittest and the elimination of the unfit!

My Father's Tears John Updike, 2009-06-02 A sensational collection of stories of the American experience from the Depression to the aftermath of 9/11, by one of the most gifted American writers of the twentieth century and the author of the acclaimed Rabbit series. John Updike mingles narratives of Pennsylvania with stories of New England suburbia and of foreign travel: "Personal Archaeology" considers life as a sequence of half-buried layers, and "The Full Glass" distills a lifetime's happiness into one brimming moment of an old man's bedtime routine. High-school class reunions, in "The Walk with Elizanne" and "The Road Home," restore their hero to youth's commonwealth where, as the narrator of the title story confides, "the self I value is stored, however infrequently I check on its condition." Exotic locales encountered in the journeys of adulthood include Morocco, Florida, Spain, Italy, and India. The territory of childhood, with its fundamental, formative mysteries, is explored in "The Guardians," "The Laughter of the Gods," and

“Kinderszenen.” Love’s fumbblings among the bourgeoisie yield the tart comedy of “Free,” “Delicate Wives,” “The Apparition,” and “Outage.”

Highway of Tears Jessica McDiarmid, 2019-11-12 “These murder cases expose systemic problems... By examining each murder within the context of Indigenous identity and regional hardships, McDiarmid addresses these very issues, finding reasons to look for the deeper roots of each act of violence.” —The New York Times Book Review In the vein of the bestsellers *I’ll Be Gone in the Dark* and *The Line Becomes a River*, a penetrating, deeply moving account of the missing and murdered indigenous women and girls of Highway 16, and a searing indictment of the society that failed them. For decades, Indigenous women and girls have gone missing or been found murdered along an isolated stretch of highway in northwestern British Columbia. The corridor is known as the Highway of Tears, and it has come to symbolize a national crisis. Journalist Jessica McDiarmid meticulously investigates the devastating effect these tragedies have had on the families of the victims and their communities, and how systemic racism and indifference have created a climate in which Indigenous women and girls are overpoliced yet underprotected. McDiarmid interviews those closest to the victims—mothers and fathers, siblings and friends—and provides an intimate firsthand account of their loss and unflagging fight for justice. Examining the historically fraught social and cultural tensions between settlers and Indigenous peoples in the region, McDiarmid links these cases to others across Canada—now estimated to number up to four thousand—contextualizing them within a broader examination of the undervaluing of Indigenous lives in the country. *Highway of Tears* is a piercing exploration of our ongoing failure to provide justice for the victims and a testament to their families’ and communities’ unwavering determination to find it.

Tears of an Orphan Girl Sayed H. Rohani, 2016-09-16 *Tears of an Orphan Girl* is a young

woman's story of survival. Her mother is heinously murdered, her father jailed and disappeared, and she is left alone with her little brother in a war-torn village. Her lover is an artist whose art proves to be a token of threat, liberation, and love. Adversity follows them like a shadow, and the way they handle their problems remains to be a riddle this novel will unravel. The story is a blend of miracle, love, anguish, and death. Wonders will never cease. Out of destruction and anguish, a tree of love burgeons and works wonders.

The Crying Book Heather Christle, 2019-11-05 NATIONAL BESTSELLER A poignant and piercing examination of the phenomenon of tears—exhaustive, yes, but also open-ended. . . A deeply felt, and genuinely touching, book. —Esmé Weijun Wang, author of *The Collected Schizophrenias* Spellbinding and propulsive—the map of a luminous mind in conversation with books, songs, friends, scientific theories, literary histories, her own jagged joy, and despair. Heather Christle is a visionary writer. —Leni Zumas, author of *Red Clocks* This bestselling lyrical, moving book: part essay, part memoir, part surprising cultural study is an examination of why we cry, how we cry, and what it means to cry from a woman on the cusp of motherhood confronting her own depression (The New York Times Book Review). Heather Christle has just lost a dear friend to suicide and now must reckon with her own depression and the birth of her first child. As she faces her grief and impending parenthood, she decides to research the act of crying: what it is and why people do it, even if they rarely talk about it. Along the way, she discovers an artist who designed a frozen-tear-shooting gun and a moth that feeds on the tears of other animals. She researches tear-collecting devices (lachrymatories) and explores the role white women's tears play in racist violence. Honest, intelligent, rapturous, and surprising, Christle's investigations look through a mosaic of science,

history, and her own lived experience to find new ways of understanding life, loss, and mental illness. The Crying Book is a deeply personal tribute to the fascinating strangeness of tears and the unexpected resilience of joy.

The Thin Tear In The Fabric Of Space Douglas Trevor, 2005-10-01 The Thin Tear in the Fabric of Space gathers stories about coping with grief, trying to love people who have died, and—more broadly—leaving old versions of the self behind, sometimes by choice and sometimes out of necessity. In each of the nine stories, Douglas Trevor's characters are forced to face uncomfortable realities. For Elena Gavrushnekov in the title story, that means admitting after the death of her beloved that she still longs for contact with other human bodies. For Peter in "Central Square," it is realizing that, like his deceased father before him, he is drinking himself to death. Unable to confront his incapacitated mother and the memory of the plane crash that killed his father, Edwin Morris in "Saint Francis in Flint" is compelled to acknowledge that his saintly aspirations are not what they appear to be, while Sharon Mackaney in "The Surprising Weight of the Body's Organs" struggles with uncontrollable outbursts of rage in the wake of her young son's death. In moments of great pain and loss, when self-expression seems impossible and terribly useless, the characters in these stories nonetheless discover the tenderness of others. In "The River," the narrator finds that the friendship he has forged with a French girl with whom he can only just communicate has bred intense, almost intuitive compassion, while in "Fellowship of the Bereaved," the disconsolate brother of the deceased sister who occupies the empty center of the story uncovers not only anger in his parents but also empathy and humor. As these characters persevere in their own lives, they do so mindful of, and humanized by, the experiences of having seen people they know and love slip unexpectedly into the thin tear in the fabric of space: that quiet

chasm that so resolutely separates the living from the dead.
