One sunny day, Errol finds that Thomas is sad, even when they are playing in their favorite ways. Errol can't figure out why, until Thomas finally tells Errol what the teddy has been afraid to say: In my heart, I've always known that I'm a girl teddy, not a boy teddy. I wish my name was Tilly, not Thomas. And Errol says, I don't care if you're a girl teddy or a boy teddy! What matters is that you are my friend.

The Legend of Theodore E. Bear Annette Parkhurst,2019-08-13 When God created the world there was a canopy covering the Earth. Before Noah and the Flood, people and animals lived hundreds of years because there was less radiation coming through the atmosphere, troposphere, stratosphere, mesosphere, and all the spheres around the Earth protecting us from outer space. Theodore E. Bear, or "Teddy," as he was lovingly called, was created by God and asked to protect children. As a creation of God, he could not live forever. When he was in his 500th year of life, God saw the beloved Teddy slowing down, but never tired by his work with children. Instead of scampering like a cub, he sauntered like a stately elder statesman, wearing a plaid vest and sporting a lovely cane, made for him by one of his friends, generally one of the Beaver's. God called to Teddy to chat and asked him to help to create a stuffed teddy bear. This was a very special moment for Theodore. He knew God didn't need his help, but he was with Him, 'as a master craftsman at His side, and daily His delight.' (Proverbs 8:30) They worked together and created a new Teddy Bear who would be given to children by their Mommy's and Daddy's who remembered their own Teddy. God and Teddy knew the new Teddy Bear they had made was perfect. God made sure the bear was huggable and able to last through the years of childhood and beyond with a smile that never wavered. We hope you enjoy The Legend of Theodore E. Bear and love your own Teddy.

In this first-ever companion book, Meddy encourages readers to try yoga poses as he comes out of hibernation, greets the springtime, and teaches his forest friends how to mindfully get through a variety of situations. On each page, Meddy shows how to execute a pose, including downward-facing dog, tree pose, the Warrior, and more. The youngest yogis, and their families and friends, will rejoice as they master each one, and work up to completing the whole sequence! Gijbert van Frankenhuyzen brings his magical touch to another great American legend with illustrations for the origins of America's favorite stuffed animal and how it got its name.
