Teddy's War Robert Webber,2021-07-06 "...our service operates in the background, and now it appears that there may be lurking in that milieu a malevolent spirit that we need to flush out..." June 1940. The fledgeling Air Transport Auxiliary is rocked by a scandal that could ground the service before it has fully developed its wings. Teddy Carlton is approached by the acquaintance of an old school friend to help resolve the issue and thus embarks on a journey that sees her engaged in some of the most exciting work that a woman could perform in wartime. Her voyage sees Teddy embroiled in the secret world of espionage while exploiting her nascent skills in flying until she becomes one of the country's top ferry pilots and a respected agent of the Security Service. Heartache and joy are her constant companions throughout her service, but the love for her family and her country keeps Teddy focused on the ultimate goal - the defeat of Nazi Germany... ..and her husband only knew the half of it.

Say You're Sorry Karen Rose,2019 Introducing the first book in the ... Sacramento series ... FBI Special Agent Gideon Reynolds did not have a conventional upbringing. Raised in a cult in Northern California, his mother smuggled him out when he was thirteen, and he never saw her again. It is not a bit of history he is keen on sharing, but being guarded has not gotten him any closer to what he really wants: a family. Daisy Dawson lived a sheltered childhood. Her father, a former military man, believed that the woman he loved and her daughter were being hunted, so he took extreme measures to keep his family safe. But despite his best efforts, Daisy is done being scared. New to Sacramento, she is ready to jump headfirst into life--until she is attacked one night. Gideon is caught unawares by Daisy, who is unlike any victim he has ever met. But the attacker is far from finished, and tracking him will threaten to pull Gideon back to the world he fought so hard to leave--

Mending Fences (The Deacon's Family Book #1) Suzanne Woods Fisher,2019-02-05 Every saint has a past. Every sinner has a future. Luke Schrock is a new and improved man after a stint in rehab, though everyone in Stoney Ridge only remembers the old Luke. They might have forgiven him, but nobody trusts him. Amos and Fern Lapp allow Luke to live at Windmill Farm under two conditions. First, Luke must make a sincere apology to each person he's hurt--a four-page, single-spaced list. Second, he must ask each victim of mischief to describe the damage he caused. Simple, Luke thinks. Offering apologies is easy. But discovering the lasting effects his careless actions have caused . . . that isn't so simple. It's gut-wrenching. And his list keeps growing. Izzy Miller, beautiful and frustratingly aloof, also boards at Windmill Farm. Luke's clumsy efforts to befriend Izzy only insult and annoy her. Eager to impress, Luke sets out to prove himself to her by locating her mother. When he does, her identity sends shock waves through Stoney Ridge. Bestselling and award-winning author Suzanne Woods Fisher returns to her beloved Stoney Ridge for this brand-new series featuring some of her readers' favorite characters.

Teddy's Truth KD Ellis,2021-01-12 FROM POPULAR AUTHOR OF LGBT+ ROMANCE, KD ELLIS Book one in the Out in Austin series Teddy De Luca thought being born into the wrong body was the worst thing that had ever happened to him. Then he met Julian... All Teddy De Luca wants is for his outside to match his inside—so badly that he takes a loan from a Mexican cartel. It's not like he can borrow the money from his alcoholic mother. She got him into this mess in the first place when she poured his savings into bottles of Jack. He figures he'll get his operation, pick up a second job, then pay the debt off quickly and put it all behind him. When the cartel raises the stakes, his plan falls apart and he's left with a mounting debt and no way out. Ian Romero is a second generation Hispanic-American whose only goal is to live the American dream—finish college, find the perfect partner and settle down. His inappropriate crush on his brother's best friend isn't going to stop him. But when his troubled brother becomes another victim of the local cartel, his plans change. He can't save his brother, but he can get his revenge. After years apart, Teddy's and Ian's paths cross again, neither expecting the passion between them to re-ignite even hotter than before. Can Ian forgive Teddy's role in his brother's death to become the Daddy the younger man needs—or is their relationship destined to fail again?

The Fabric of Sin Phil Rickman,2013-09-03 The Master House, close to the Welsh border, is medieval and slowly falling into ruins. Now the house and its surrounding land have been sold to the Duchy of Cornwall. But the Duchy's plans to renovate the house and its outbuildings are frustrated when the specialist builder refuses to work there. This is a place, he tells the Prince's land-steward, that doesn't want to be restored. Directed by the Bishop of Hereford to investigate, deliverance consultant Merrily Watkins discovers ancient connections between the house and the nearby church, built by the Knights Templar whose shadow still envelopes isolated Garway Hill and its scattered communities. Why did all the local inns have astrological names? What deep history lies behind the vicious feud between two local families? And what happened here to intimidate even the great Edwardian ghost-story writer M. R. James? When Merrily learns that she--and even her daughter, Jane--are under surveillance by the security services, she's ready to quit. But a sudden death changes everything, and she returns to Garway to uncover fibres of fear and hatred stitched into history and now insidiously twisted in the corridors--and the cloisters--of power.

**Ollie** Catherine Lievens, Teddy is focused on one thing, and one thing only—making his brother proud. That means finishing his Master’s degree with the highest grades possible, then finding a good job. Those plans don’t leave time for anything else, so when Teddy is told he needs a date for a birthday party, he lies and says he has one in the hopes that he’ll be able to wiggle his way out of the party. He doesn’t. Instead, he finds himself having to come up with a fake boyfriend, and he has no idea who can help him with that, so he’s lucky Sterling, a Gillham pack member and one of his acquaintances, comes up with someone. When a pack member approaches Ollie and asks him if he wants to play fake boyfriend for a friend of his, Ollie agrees. He hopes it will help distract him from the jealousy he feels at the sight of his best friend with his mate. He loves Gabriel and Gabriel’s new mate, but he wants what they have, and he doesn’t know how to get it. They’re both stunned when they meet at the party and realize they’re mates. Teddy doesn’t have time for Ollie, but can he really give up his only chance at being with his mate? And can Ollie get over what his parents did to him and trust Teddy, especially when Teddy is trying so hard to keep him at arm’s length?
