Doom Guy John Romero, 2023-07-18 The inspiring, long-awaited autobiography of video game designer and DOOM cocreator John Romero John Romero, gaming's original rock star, is the cocreator of DOOM, Quake, and Wolfenstein 3-D, some of the biggest video games of all time. Considered the godfather of the first- person shooter, a genre that continues to dominate the market today, he holds a unique place in gaming history. In DOOM Guy: Life in First Person, Romero chronicles, for the first time, his difficult childhood and storied career, beginning with his early days submitting Apple II game code to computer magazines and sneaking computers out the back door of his day job to write code at night. Industry-redefining breakthroughs in design and tech during Romero's time at id Software made DOOM and Quake

cultural phenomena, and this thrilling story recounts every step of the process, from collaborative, heavy metal–fueled days spent crafting the industry’s most revolutionary and cutting-edge games to a high-profile falling-out with id cofounder John Carmack. After years in the gaming spotlight, Romero is now telling his story—the whole story—shedding new light on the development of his games and his business partnerships, from the highest highs to the lowest lows, sharing insights about design, code, the industry, and his career right up to today. Sharing gratitude for a lifetime in games, Romero reveals the twists and turns that led him, ultimately, to be called DOOM Guy.

Return of the Hustle Eric Sheinkop, 2016-03-11 Has a commercial ever brought you to tears? Has a movie ever inspired you so much you change your way of life? Has the series finale of a television show ever broken your heart? Has a video game ever altered your perception of reality? If you're like most consumers, you answered 'yes' to at least one of those questions. Whether you remember it or not, the music of that ad, film, show or game probably played a big role in influencing your emotional response during that experience. In fact, music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access. A strong music strategy is fundamental to the success of television, film, brands and video games. Because of higher expectations for audiovisual content, it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic,

organic way. By providing audiences with a genuine music experience, whether with an exclusive song through an artist partnership or by featuring new music from an emerging band, you can build a bond that extends far beyond product experience. Music touches us emotionally in a way that words seldom do. We feel it – we remember it. In *Return of The Hustle*, a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers, storytellers, and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates. *Return of The Hustle* provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers, immerse them into the content, and extend relationships between them and the brand long after the commercial ends or the credits roll. With detailed case studies, exhaustive interviews, and thorough research, *Return of the Hustle* gives readers the playbook to use the marketing power of music to drive business results.

Shadow of the Storm Tyrant Tito Leati, 2015-08-18 The heroes emerge from a fire giant dungeon into a volcano's caldera, where the Storm Tyrant's stolen cloud castle floats high above.
