The Science of Storytelling Will Storr, 2020-03-10 The compelling, groundbreaking guide to creative writing that reveals how the brain responds to storytelling. Stories shape who we are. They drive us to act out our dreams and ambitions and mold our beliefs. Storytelling is an essential part of what makes us human. So, how do master storytellers compel us? In *The Science of Storytelling*, award-winning writer and acclaimed teacher of creative writing Will Storr applies dazzling psychological research and cutting-edge neuroscience to our myths and archetypes to show how we can write better stories, revealing, among other things, how storytellers—and also our brains—create worlds by being attuned to moments of unexpected change. Will Storr's superbly chosen examples range from Harry Potter to Jane Austen to Alice Walker, Greek drama to Russian novels to Native American folk tales, *King Lear* to *Breaking Bad* to children's stories. With sections such as "The Dramatic Question," "Creating a World," and "Plot, Endings, and Meaning," as well as a practical, step-by-step appendix dedicated to "The Sacred Flaw Approach," *The Science of Storytelling* reveals just what makes stories work, placing it alongside such creative writing classics as John Yorke's *Into the Woods: A Five-Act Journey into Story* and Lajos Egri's *The Art of Dramatic Writing*. Enlightening and empowering, *The Science of Storytelling* is destined to become an invaluable resource for writers of all stripes, whether novelist, screenwriter, playwright, or writer of creative or traditional nonfiction.

These Precious Days Ann Patchett, 2021-11-23 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike. —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

This Is the Story of a Happy Marriage Ann Patchett, 2013-11-07 *This Is the Story of a Happy Marriage* is an irresistible blend of literature and memoir revealing the big experiences and little moments that shaped Ann Patchett as a daughter, wife, friend and writer. Here, Ann Patchett shares entertaining and moving stories about her tumultuous childhood, her painful early divorce, the excitement of selling her first book, driving a Winnebago from Montana to Yellowstone Park, her joyous discovery of opera, scaling a six-foot wall in order to join the Los Angeles Police Department, the gradual loss of her beloved grandmother, starting her own bookshop in Nashville, her love for her very special dog and, of course, her eventual happy marriage. *This Is the Story of a Happy Marriage* is a memoir both wide ranging and deeply personal, overflowing with close

observation and emotional wisdom, told with wit, honesty and irresistible warmth.

I was Prompted to Write These Stories Donald L Marino,2022-12-09 This is a book of short stories based off of prompts given to me by friends. They were one word or short phrase, and i built a story around that. They range for a children's story, love story and a horror story.

These Trees Tell a Story Noah Charney,2023-05-16 A deeply personal master class on how to read a natural landscape and unravel the clues to its unique ecological history Structured as a series of interactive field walks through ten New England ecosystems, this book challenges readers to see the world through the eyes of a trained naturalist. With guided questions, immersive photography, and a narrative approach, each chapter adds layers of complexity to a single scene, revealing the millions of years of forces at play. Tying together geology, forest ecology, wildlife biology, soil processes, evolution, conservation, and more, Noah Charney shows how and why landscapes appear in their current forms. Charney's stories and lessons will provide anyone with the necessary investigative skills to look at a landscape, interpret it, and tell its story—from its start as rock or soil to the plants and animals that live on it. Ultimately, Charney argues, by critically engaging with the landscape we will become better at connecting with nature and ourselves.

Dear Canada Christmas Story No. 4: These Three Gifts Maxine Trottier,2012-12-01 A holiday treat for fans of the Dear Canada series, and all lovers of historical fiction! Gifts from the heart are the best gifts of all. Genevieve feared for her brother's life when he and his friend fought to defend New France against the British siege of their city. Their hopes came undone in one day following a fierce battle on the Plains of Abraham. With Quebec in British hands, everything - everything - changed! And now another shift in their fortunes brings a new challenge. This short story was originally published in Dear Canada: A Christmas to Remember, a collection featuring many of Canada's top writers for children, including Jean Little, Sarah Ellis, Carol Matas, and more. New readers will adore this stand-alone holiday tale, while fans of the series will recognize the voice of Genevieve, whom they first met in the award-winning Dear Canada book The Death of My Country. Collect all 12 Dear Canada Christmas stories this season and enjoy a very happy holiday

THE MAGIC Rhonda Byrne,2012-03-06 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

These are Our Voices James Overholt,1987

How The Secret Changed My Life Rhonda Byrne,2016-10-04 An awe-inspiring compilation of the most uplifting and powerful real-life stories from readers of the worldwide bestseller The Secret. Discover how everyday people completely transformed their lives by applying the teachings of The Secret. Since the very first publication of The Secret a decade ago, Rhonda Byrne's bestselling book has brought forth an explosion of real people sharing real stories of how their real lives have miraculously changed for the better. How The Secret Changed My Life presents a selection of the most heartwarming and moving stories in one inspirational volume. Each story provides an authentic, real-life illustration of the pathway that leads to success in every area of life: money, health, relationships, love, family, and career. The people in How The Secret Changed My Life show time and again that no one is excluded from living the life of their dreams.

These Hands Hope Lynne Price,2020-10-20 An inspiring book by Hope Lynne Price and illustrated by four-time Caldecott Honoree Bryan Collier These hands create. These hands can build. These hands can reach. Can stretch. Can teach. Begging to be read aloud, this engaging, poetic board book is a wonderful tribute to the grace and power of hands, and is the perfect fit for our littlest readers.

Hey, That's MY Monster! Amanda Noll,2018-03-21 This enhanced eBook features read-along narration. Winner: CLC Seal of Approval 2017 Literary Classics Book Awards, Silver, Preschool/Early Reader Fantasy Finalist: 2017 Literary Classics Book Awards 2017 PNBA Long-List When Ethan looks under the bed for his monster, he finds this note instead: So long, kid. Gotta go. Someone needs me more than you do. -Gabe How will

Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep - but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of *I Need My Monster*, here's another irresistible monster-under-the-bed story with the perfect balance of giggles and shivers.

Nothing Ever Happens Charles Rawlings-Way, 2018-06-21 Glasgow band Del Amitri have sold more than six million albums. Their 1995 single *Roll To Me* cracked the Top 10 in the US, and five of their albums went Top 10 in the UK. But as yet there hasn't been anything substantial written about the band...until now! From ambition to success, this is the complete story of Del Amitri's rise from initial formation through six albums that took them to global recognition. From early Peel sessions, to touring with Morrissey; to appearing on Letterman and cracking the US, the book follows every up and down of the band's incredible career, as well as providing unique and original insights into their personalities and music.

Life at These Speeds Jeremy Jackson, 2003-07 Eighth-grader Kevin Schuler pushes himself to even greater accomplishments as he tries to deal with the deaths of his girlfriend, coach, and fellow track team members.

There's More to the Story Robin Rance, 2016-08-25 Every story has more. Nothing is what it seems, and things can always change. These stories appeal to women and men alike. You will laugh and you will cry. But when you are finished reading each one of them, I guarantee you that you will wonder about the rest of the story.

Still Hungry-- After All These Years Richard Simmons, 1999 For the first time, popular weight-loss guru Richard Simmons reveals his lifelong love affair with food in a humorous, moving, and candid autobiography.

Foster Claire Keegan, 2022-11-01 An international bestseller and one of *The Times'* "Top 50 Novels Published in the 21st Century," Claire Keegan's piercing contemporary classic *Foster* is a heartbreaking story of childhood, loss, and love; now released as a standalone book for the first time ever in the US. It is a hot summer in rural Ireland. A child is taken by her father to live with relatives on a farm, not knowing when or if she will be brought home again. In the Kinsellas' house, she finds an affection and warmth she has not known and slowly, in their care, begins to blossom. But there is something unspoken in this new household—where everything is so well tended to—and this summer must soon come to an end. Winner of the prestigious Davy Byrnes Award and published in an abridged version in the *New Yorker*, this internationally bestselling contemporary classic is now available for the first time in the US in a full, standalone edition. A story of astonishing emotional depth, *Foster* showcases Claire Keegan's great talent and secures her reputation as one of our most important storytellers.

True Story Ty Montague, 2013 The co-founder of a brand studio describes how businesses can change their marketing strategies to describe and promote their brand's story in an effort to appeal to modern consumers who have become increasingly interested in what a business embodies and represents. 20,000 first printing.

Whose Story Is This? Rebecca Solnit, 2019-09-03 Feminist essays for the #MeToo era from "the voice of the resistance," the international bestselling author of *Men Explain Things to Me* (*The New York Times Magazine*). Who gets to shape the narrative of our times? The current moment is a battle royale over that foundational power, one in which women, people of color, non-straight people are telling other versions, and white people and men and particularly white men are trying to hang onto the old versions and their own centrality. In *Whose Story Is This?* Rebecca Solnit appraises what's emerging and why it matters and what the obstacles are. Praise for Rebecca Solnit and her essays "Rebecca Solnit is essential feminist reading." —*The New Republic* "In these times of political turbulence and an increasingly rabid and scrofulous commentariat, the sanity,

wisdom and clarity of Rebecca Solnit’s writing is a forceful corrective. Whose Story Is This? is a scorchingly intelligent collection about the struggle to control narratives in the internet age.” —The Guardian “Solnit’s passionate, shrewd, and hopeful critiques are a road map for positive change.” —Kirkus Reviews “Solnit’s exquisite essays move between the political and the personal, the intellectual and the earthy.” —Elle “Rebecca Solnit reasserts herself here as one of the most astute cultural critics in progressive discourse.” —Publishers Weekly “No writer has better understood the mix of fear and possibility, peril and exuberance that’s marked this new millennium.” —Bill McKibben, founder of 350.org

We Should All Be Feminists Chimamanda Ngozi Adichie, 2015-02-03 NEW YORK TIMES BESTSELLER • The highly acclaimed, provocative essay on feminism and sexual politics—from the award-winning author of *Americanah* In this personal, eloquently-argued essay—adapted from the much-admired TEDx talk of the same name—Chimamanda Ngozi Adichie offers readers a unique definition of feminism for the twenty-first century. Drawing extensively on her own experiences and her deep understanding of the often masked realities of sexual politics, here is one remarkable author’s exploration of what it means to be a woman now—and an of-the-moment rallying cry for why we should all be feminists.
