Storms & Sacrifice Dominic N. Ashen,2021-10-01 Will love be enough to save them from the coming storm? After a rocky start, David is settling into his new life with Khazak, the orc who is his... Owner? Friend? Lover? He's still figuring that out, and with his friends in jail for the next two months, he's got time. Or at least he will when he's not working with Khazak and the other rangers to keep the city of V'rok'sh Tah'lj safe. It would also be nice if the weird dreams he's been having would stop. He's done a lot of growing (and not just emotionally), but he can't say this is where he saw himself winding up after leaving the knight academy. At least it's only temporary, right? For his part, Khazak has been all too happy to have David around. It's not that things were boring, he was just used to his routine before the troublesome human entered his life and shook things up. Now he has someone to talk to, share his meals with; they're even working together. Plus, he finally has someone to take to the upcoming Uzu'gor festival like he's always wanted. Unfortunately, what starts with a simple robbery leads to the uncovering of a plot far more sinister, one that threatens not just the limited time he has left with David, but the entire city. A story full of humor, romance, mystery, and kinky outdoor orc festivals! Readers new and old will love this chapter in the continuing tale of David & Khazak and their developing relationship. If you love gay/male-on-male romances that feature kink, BDSM, and Dom/sub elements, all set in an anachronistic fantasy world, this book is for you!tale of David & Khazak and their developing relationship. If you love gay/male-on-male romances that feature kink, BDSM, and Dom/Sub elements, all set in an anachronistic fantasy world, this book is for you!

Wild Storm Richard Castle,2014-05-13 Derrick Storm, the guy the CIA calls on when it wants something investigated domestically, is thirty-three thousand feet in the air, returning from a rock climbing vacation in the Swiss Alps, when the plane spirals into anose-dive. Storm uses his climbing gear to tether himself to the wing and heroically save the plane and all the people on board. Sadly, Storm is not available to come to the aid of the three other planes that have crashed under similar circumstances, killing everyone on board. Interestingly, many of the victims are powerful people in politics, business and religious groups. The always elusive Jedidiah Jones, leader of the National Clandestine Service that has no name, calls on Storm to investigate. Storm determines that an unknown extremist has secured enough of the rare earth element promethium to create a laser with the power to shoot down planes from the ground. The problem swiftly becomes a global one as four more planes crash in the Arabia Desert. Details, intuition and courage lead Storm to Monaco, Panama City and Egypt as he meets beautiful women, rides angry camels and rescues innocent victims

in his valiant effort to track down the maniacal mind behind the terrorism.

Troubles in Paradise Elin Hilderbrand,2020-10-06 Travel to the bright Caribbean for love, romance, and passion in this sizzling summer read from a nationally bestselling author and Queen of the Summer Novel (People). After uprooting her life in the States, Irene Steele has just settled in at the villa on St. John where her husband Russ had been living a double life. But a visit from the FBI shakes her foundations, and Irene once again learns just how little she knew about the man she loved. With help from their friends, Irene and her sons set up their lives while evidence mounts that the helicopter crash that killed Russ may not have been an accident. Meanwhile, the island watches this drama unfold—including the driver of a Jeep with tinted windows who seems to be shadowing the Steele family. As a storm gathers strength in the Atlantic, surprises are in store for the Steeles: help from a mysterious source, and a new beginning in the paradise that has become their home. At last all will be revealed about the secrets and lies that brought Irene and her sons to St. John—and the truth that transformed them all.

Chimera's Waltz Bibi Brock Davis,2011-04-29 ROYAL HARLEY IS DRIVEN TO SEEK ABSOLUTION for the evil he has committed, and approval from his dead father whom he never could please. He marries deplorably innocent young Tilda Ullmann and soon she understands the terrible mistake she has made. Royal, all charm and magnetism, is also an abuser. He finds he is unable to make a union with his bride because in his skewed mind she is saintly, unlike other women whom he sees as craven. It is at the turn of the last century when America went to war with Spain. To achieve his goal, Royal volunteers to join Teddy Roosevelt and his band of cowboys and playboys in Cuba, but finds himself instead serving in the Philippine Islands. Tilda joins him there and incites Royals fury when she meets young Lieutenant Evan Winslow who soon declares his love for her. Royal doggedly pursues his quest to find redemption by some deed of valor, which ultimately takes him deep into the untamed Cordelliera jungle of Luzon where his hideous act of betrayal finally forces him to face himself and see what is there. Tilda comes to believe that she has found a way out of her entrapment.
