Tilda's Promise Jean P. Moore, 2018-09-25 Amidst all the characters in this moving novel of loss, love, and renewal, the two who grieve hardest have the most to discover. Tilda Carr has lost the love of her life—her husband, Harold—after forty years of marriage, while her granddaughter and namesake, Tilly, has lost her grandfather and best friend. Together they will embark on a journey of discovery in this intergenerational story of friends, family, and lovers—and learn that there is always hope for new beginnings.

Mariners Weather Log , 1959 November issue includes abridged index to yearly volume.

Tilda Sue Whiting, 2022-09-27 L.M. Montgomery meets Ruth Park in a story of friendship, hope and resilience. You have a big heart. And people blessed with a big heart have a choice to make. Do they fill that heart with light and love or do they fill it with darkness and hate? This is your choice to make, Matilda. Make it wisely. Tilda Moss refuses to believe her papa has abandoned her and left her, alone and orphaned, in Brushwood Convent and Home for Girls, no matter what Sister Agatha says. A promise is a promise and Papa promised he would be back for her as soon as he returns from the war. But Tilda is convinced the dreadful Sister Agatha is out to get her. Why is she so hateful all the time? She insists that Matilda declare to all at the convent that she is an orphan. She is not an orphan and she will never say it! Something is amiss and Tilda and her best friend Annie need to find out what before it is too late.

Wild Storm Richard Castle, 2014-05-13 Derrick Storm, the guy the CIA calls on when it wants something investigated domestically, is thirty-three thousand feet in the air, returning from a rock climbing vacation in the Swiss Alps, when the plane spirals into a nose-dive. Storm uses his climbing gear to tether himself to the wing and heroically save the plane and all the people on board. Sadly, Storm is not available to come to the aid of the three other planes that have crashed under similar circumstances, killing everyone on board. Interestingly, many of the victims are powerful people in politics, business and religious groups. The always elusive Jedidiah Jones, leader of the National Clandestine Service that has no name, calls on Storm to investigate. Storm determines that an unknown extremist has secured enough of the rare earth element promethium to create a laser with the power to shoot down planes from the ground. The problem swiftly becomes a global one as four more planes crash in the Arabia Desert. Details, intuition and courage lead Storm to Monaco, Panama City and Egypt as he meets beautiful women, rides angry camels and rescues innocent victims in his valiant effort to track down the maniacal mind behind the terrorism.

Storms & Sacrifice Dominic N. Ashen, 2021-10-01 Will love be enough to save them from the coming storm? After a rocky start, David is settling into his new life with Khazak, the orc who is his... Owner? Friend? Lover? He's still figuring that out, and with his friends in jail for the next two months, he's got time. Or at least he will when he's not working with Khazak and the other rangers to keep the city of V'rok'sh Tah'lj safe. It would also be nice if the weird dreams he's been having would stop. He's done a lot of growing (and not just emotionally), but he can't say this is where he saw himself winding up after leaving the knight academy. At least it's only temporary, right? For his part, Khazak has been all too happy to have David around. It's not that things were boring, he was just used to his routine before the troublesome human entered his life and shook things up. Now he has someone to talk to, share his meals with; they're even working together. Plus, he finally has someone to take to the upcoming Uzu'gor festival like he's always wanted. Unfortunately, what starts with a simple robbery leads to the uncovering of a plot far more sinister, one that threatens not just the limited time he has left with David, but the entire city. A story full of humor, romance, mystery, and kinky outdoor orc festivals! Readers new and old will love this chapter in the continuing tale of David & Khazak and their developing relationship. If you love gay/male-on-male romances that feature kink, BDSM, and Dom/sub elements, all set in an anachronistic fantasy world, this book is for you! tale of David & Khazak and their developing relationship. If you love gay/male-on-male romances that feature kink, BDSM, and Dom/Sub elements, all set in an anachronistic fantasy world, this book is for you!

What Now, Tilda B? Kathryn Lomer, 2010 Only a day ago, things were normal. As normal as this year gets anyway. Tilda Braint is nearly sixteen, restless and having trouble figuring out what on earth she's supposed to do next. Living in a small coastal town doesn't help either. When two seals land in the middle of Tilda's life, they turn it upside down. They're a long way from home and may well be lost. For Tilda, the seals may turn out to be in exactly the right place at exactly the right time. A novel about finding yourself, your friends and your future.

Just Friends Dyan Sheldon,2018-02-13 Can chasing the wrong girl lead down the right path? Witty as ever, best-selling author Dyan Sheldon maps the agonizing distance between “like” and “love.” Josh has never really thought twice about girls before. He’s usually too busy watching old movies with his friends Sal and Carver, petitioning for more vegetarian options in the school cafeteria, or flailing in yoga class with his best friend, Ramona. But when new girl Jena Capistrano walks into school, Josh loses his heart faster than he’s ever lost his balance on a double downward dog. Not that he has any real aspirations, of course: he knows Jena is completely out of his league. And then, against all odds – they become friends. The closer they get, the more infatuated Josh becomes, and the more he wonders if just maybe Jena might like him back. There’s only one way to find out. But it’s not exactly easy to put your heart on the line.
