The Making of a Nurse Tilda Shalof,2010-02-05 The bestselling author of *A Nurse's Story* is back with more insider stories. Tilda Shalof has been a caregiver all her life—at home for her family, at work for strangers—but her skills didn't come easily. From when she was a child taking care of her sick parents to her current position on an ICU team in one of Canada's largest hospitals, there have always been daunting challenges and worthy rewards for her work. With her trademark humour, unflinching honesty, and skilled storytelling, Shalof describes her experiences becoming the capable nurse she is today. After graduation from nurse's college, finding no jobs in Toronto, Shalof travelled to Tel Aviv, Israel, to work in a hospital for the first time, finding adventure and young love in the process. From hospitals to home care, they will give readers a glimpse into the life of a nurse and the hidden medical world.

Some Old Lover's Ghost Judith Lennox,2015-04-09 History can repeat itself... Spanning the twentieth century, *Some Old Lover's Ghost* is a haunting and incredibly poignant love story from acclaimed author Judith Lennox. Perfect for fans of Dinah Jefferies and Lucinda Riley. Rebecca, bruised from an unhappy love affair, is flattered to be asked to write the life story of distinguished Dame Tilda Franklin. Tilda was born in 1914 and grew up in a remote

Fenland village, the illegitimate daughter of the local squire and a maid in the Big House. It was Tilda's misfortune to fall in love with handsome, devil-may-care Daragh Canavan, and to be betrayed by him. As Rebecca delves deeper into Tilda's life, and as the events of the past send ghostly echoes to the present, parallels with her own experience begin to emerge. And as she is drawn into a family history of loves and tragedies almost too painful to write about, her involvement with the family becomes more overwhelming than she could ever have imagined. What readers are saying about *Some Old Lover's Ghost*: 'Wonderful book, couldn't put it down and beautifully written' 'A warm believable story' 'Five stars'

Cry, Heart, But Never Break Glenn Ringtved, 2019-05-07 A poetic picture book about being able to say goodbye to those we love, while holding them in memory. We continue to be told that there just aren't enough books available for children on loss and grief. This book offers a story that is about not only the death of a beloved old person, but also the duality of life itself, composed as it is of light and dark. Indeed, the story is just as much about the coexistence of these two things as about loss. Accessible, gently frank and philosophic, this book should have strong appeal in the school and library market as well as among all professionals who work with children, along with their caregivers. A strong, lovely text makes this book a standout. A large need exists for books like this. Very well conceived in regard to the audience -- the children -- it is meant to reach.

Afterlives of the Lady of Shalott and Elaine of Astolat Ann F. Howey, 2020-07-31 This book investigates adaptations of *The Lady of Shalott* and *Elaine of Astolat* in Victorian and post-Victorian popular culture to explore their engagement with medievalism, social constructions of gender, and representations of the role of art in society. Although the figure of Elaine first appeared in medieval texts, including Malory's *Le Morte Darthur*, Tennyson's poems about the Lady and Elaine drew unprecedented response from musicians, artists, and other authors, whose adaptations in some cases inspired further adaptations. With chapters on music, art, and literature (including parody, young people's literature, and historical fiction and fantasy), this book seeks to trace the evolution of these characters and the ways in which they reinforce or challenge conventional gender roles, represent the present's relationship to the past, and highlight the power of art.

Fiction Treasures by Maritime Writers Gwendolyn Davies, 2015-08-13 Though little known today, from 1860 to 1940 Canadian novelists from the Maritime provinces were writing highly successful books which were widely read in Canada, the US, and Britain. Although today only Lucy Maud Montgomery is remembered and read, there were several dozen writers who enjoyed the same level of success and renown. This book brings these authors and their most successful books back into the spotlight of Canadian writing. In 2001, Canadian literature specialist Gwen Davies and Formac publisher James Lorimer set out to republish books by these largely forgotten Maritime authors. Readers can now discover 35 of their novels, all reprinted in Formac's *Fiction Treasures* series. For each book, series editor Gwen Davies commissioned an introduction by a contemporary scholar who offers a brief biography of the writer and a discussion of the text itself. As Gwen Davies notes, These introductions not only capture new research in literary biography or publishing history, but also broaden our understanding of regional popular reading tastes from the era of Queen Victoria to the Second World War. This book brings these introductory essays together in a single volume so that readers can discover these writers and get an overview of their best works.

A Nurse's Story Tilda Shalof,2010-02-05 The team of nurses that Tilda Shalof found herself working with in the intensive care unit (ICU) of a big-city hospital was known as "Laura's Line." They were a bit wild: smart, funny, disrespectful of authority, but also caring and incredibly committed to their jobs. Laura set the tone with her quick remarks. Frances, from Newfoundland, was famous for her improvised recipes. Justine, the union rep, wore t-shirts emblazoned with defiant slogans, like "Nurses Care But It's Not in the Budget." Shalof was the one who had been to university. The others accused her of being "sooo sensitive." They depended upon one another. Working in the ICU was both emotionally grueling and physically exhausting. Many patients, quite simply, were dying, and the staff strove mightily to prolong their lives. With their skill, dedication, and the resources of modern science, they sometimes were almost too successful. Doctors and nurses alike wondered if what they did for terminally-ill patients was not, in some cases, too extreme. A number of patients were admitted when it was too late even for heroic measures. A boy struck down by a cerebral aneurysm in the middle of a little-league hockey game. A woman rescued - too late - from a burning house. It all took its toll on the staff. And yet, on good days, they thrived on what they did. Shalof describes a colleague who is managing a "crashing" patient: "I looked at her. Nicky was flushed with excitement. She was doing five different things at the same time, planning ahead for another five. She was totally focused, in her element, in control, completely at home with the chaos. There was a huge smile on her face. Nurses like to fix things. If they can." Shalof, a veteran ICU nurse, reveals what it is really like to work behind the closed hospital curtains. The drama, the sardonic humour, the grinding workload, the cheerful camaraderie, the big issues and the small, all are brought vividly to life in this remarkable book.

The Black Cat Martha Grimes,2010-04-06 Three months have passed since Richard Jury was left bereft and guilt-ridden after his lover's tragic auto accident, and he is now more wary than ever. He is deeply suspicious when requested on a case far out of his jurisdiction in an outlying village, where a young woman has been murdered behind the local pub. The only witness is the establishment's black cat, who gives neither crook nor clue as to the girl's identity or her killer's. Identifying the girl becomes tricky when she's recognized as both the shy local librarian and a posh city escort, and Jury must use all his wits and intuition to determine the connection to subsequent escort murders. Meanwhile, Jury's nemesis, Harry Johnson, continues to goad Jury down a dangerous path. And Johnson, along with the imperturbable dog Mungo, just may be the key to it all. Written with Martha Grimes' trademark insight and grace, *The Black Cat* signals the thrilling return of her greatest character. The superintendent is a man possessed of prodigious analytical gifts and charm, yet vulnerable in the most perplexing ways.

Landscape with Skiproads/Book Burning Pieter DeBuysser,2014-08-01 Landscape with Skiproads On stage, a collection of objects that have played a unique role in our history. Without exception these are the objects that were present at key moments in history. They were there when we became who we are today. When once more a stretch of our path was laid down for us, they were present in silence. With these, Pieter De Buysser, a boy and his horse are on a search for a lost future. A joyful and epic journey is taking off. Book Burning History is clogged. There are no more revolutions. What else can we add? In Book Burning, Pieter De Buysser tells the story of Sebastian, a man he met at an Occupy demonstration, whose life has become embroiled in a WikiLeaks scandal. He follows the man's search to discover the root of a genetic illness that took the life of his wife and now threatens his daughter, Tilda. She just wants to forget it all. This is a play about forgetting and forgiving, knowledge and riddles, secrets and the lack of stories. It is a captivating fable, told by a charming storyteller in the guise of Schrödinger's cat, about personal histories, globalisation and the beginnings of a new world. Book Burning testifies to the possibilities of language and the magical power of a radical imagination.

Mothering by Degrees Jillian M. Duquaine-Watson,2017-05-31 In *Mothering by Degrees*, I show how single mothers who pursue college degrees in early 21st century America must navigate a difficult course as they attempt to reconcile their identities as single mothers, college students, and, in many cases, employees. As they combine these multiple and often competing roles and responsibilities, they must also negotiate a balance between cultural ideals of motherhood and their own definitions of what it means to be a good mother, particularly as those ideals and definitions are shaped within context of post-welfare reform America and the post-secondary institutions they attend. By comparing the experiences of nearly 100 single mother college students attending three postsecondary education institutions in the United States, I illustrate how these women navigate the various obstacles they encounter, especially obstacles related to financial concerns, child care, time constraints, and the chilly climate of higher education. In addition, I demonstrate that the women regard postsecondary education not only as a means of escaping poverty but also as an extension of their mothering work, something they do to help ensure the long-term health and well-being of their children. Thus, this project provides a situated, comparative account of the experiences of single mothers who are college students in order to foster a better understanding of the complex ideologies and social structures that influence the life choices and education experiences of members of this important but understudied student population. Finally, the project discusses policies and programs that can help provide better support to single mother and may diminish the challenges they face as they endeavor to complete their education--
