Story of Paper Ying Chang Compestine, 2009-01
What trouble have Ting, Pan, and Kuai gotten into now? When they're caught playing at school instead of doing their math, the teacher gives them the usual punishment: He writes notes to Mama and Papa on their hands and demands that they hold them up for everyone to see. They will be the laughingstock of the entire village! The boys wish they could invent something for the teacher to write on besides their hands -- something small and private. Can the creative Kangs concoct a formula for what just may become a very useful school supply? Includes directions for making homemade garden paper with rose petals and leaves. Reinforced library binding. Full-color illustrations.
