Michal Rosen-Zvi

Ozu's Tokyo Story David Desser, 1997-04-13 Ozu's Tokyo Story is generally regarded as one of the finest films ever made. Universal in its appeal, it is also considered to be 'particularly Japanese'. Exploring its universality and cultural specificity, this collection of specially commissioned essays demonstrates the multiple planes on which the film may be appreciated. The introduction outlines Ozu's career as both a contract director of a major studio and as a singular figure in Japanese film history, and also analyses the director's cinematic style, particularly his narrative strategies and spatial compositions. Other essays situate Ozu's cinema in its relationship to Hollywood film-making: his relationship to aspects of Japanese tradition, situating the film within artistic modes, religious systems and beliefs, and socio-cultural and familial formations. Also included is an analysis of how Ozu has been misunderstood in Western criticism.

Tokyo Story Yasujirō Ozu, Kōgo Noda, 2003 On the 100th anniversary of the great director's birth, a book celebrating his greatest film.

Tokyo Story Yasujiro Ozu, Tokyo Story, 1989

Tokyo Story Akahige Namban, 2001-11-22 Jim Suzuki and Andy Middler are brothers meeting for the first time in the labyrinth of Tokyo. While uncovering the mystery of their parentage with the help of Officer Michiko Teraoka, the brothers explore the delights of foreign tourists, student radical Omi Hanako, and the voluptuous Captain McLane.

Tokyo Story, 2016 An elderly couple travel from rural Japan to Tokyo on a once-in-a-lifetime visit to their adult children. On arrival, they discover the burgeoning capital and the priorities of their family are distinctly different to their expectations... Yasujiro Ozu's post-war

masterwork is a beautiful and poetic exploration of age, family and the fragility of human relationships. -- Back cover.Originally released as a motion picture in Japan, 1953.

The Book of Tokyo Hideo Furukawa,Kaori Ekuni,Mitsuyo Kakuta,Banana Yoshimoto,Toshiyuki Horie,Nao-Cola Yamazaki,Hitomi Kanehara,Osamu Hashimoto,Hiromi Kawakami,Shuichi Yoshida,2015-06-12 A shape-shifter arrives at Tokyo harbour in human form, set to embark on an unstoppable rampage through the city's train network... A young woman is accompanied home one night by a reclusive student, and finds herself lured into a flat full of eerie Egyptian artefacts... A man suspects his young wife's obsession with picnicking every weekend in the city's parks hides a darker motive... At first, Tokyo appears in these stories as it does to many outsiders: a city of bewildering scale, awe-inspiring modernity, peculiar rules, unknowable secrets and, to some extent, danger. Characters observe their fellow citizens from afar, hesitant to stray from their daily routines to engage with them. But Tokyo being the city it is, random encounters inevitably take place – a naïve book collector, mistaken for a French speaker, is drawn into a world he never knew existed; a woman seeking psychiatric help finds herself in a taxi with an older man wanting to share his own peculiar revelations; a depressed divorcee accepts an unexpected lunch invitation to try Thai food for the very first time... The result in each story is a small but crucial change in perspective, a sampling of the unexpected yet simple pleasure of other people's company. As one character puts it, 'The world is full of delicious things, you know.'

Target Tokyo Gordon W. Prange,Donald M. Goldstein,Katherine V. Dillon,2014-05-06 From the New York Times–bestselling authors of *Miracle at Midway*: A thrilling account of one of World War II's

most legendary spies. Richard Sorge was dispatched to Tokyo in 1933 to serve the spymasters of Moscow. For eight years, he masqueraded as a Nazi journalist and burrowed deep into the German embassy, digging for the secrets of Hitler's invasion of Russia and the Japanese plans for the East. In a nation obsessed with rooting out moles, he kept a high profile—boozing, womanizing, and operating entirely under his own name. But he policed his spy ring scrupulously, keeping such a firm grip that by the time the Japanese uncovered his infiltration, he had done irreversible damage to the cause of the Axis. The first definitive account of one of the most remarkable espionage sagas of World War II, *Target Tokyo* is a tightly wound portrayal of a man who risked his life for his country, hiding in plain sight.

Tokyo Story Alastair Phillips, 2022-11-03 This BFI Film Classics study of *Tokyo Monogatari/Tokyo Story* (1953) reveals the making, meaning and legacy behind Ozu Yasujiro's masterpiece. Ozu's moving family drama is universally acknowledged as one of the most significant Japanese films ever made. In its complex portrait of human motivation and lively sense of social space, it offers a profound and poignant insight into the generational shifts of post-war Japan. Alastair Phillips provides an in-depth analysis of the film and its key locations - the city of Tokyo, the town of Onomichi and the coastal resort of Atami - with a discussion of its representation of Japanese society at a time of great cultural change. Drawing upon Japanese and English language sources, he situates the film within various contemporary critical and industrial contexts and examines the multiple international dimensions of *Tokyo Story*'s long after-life to understand its enormous contribution to global film culture.

I Live in Tokyo Mari Takabayashi, 2004-11-06 Have you ever been to Tokyo, Japan? Far away, in the Pacific Ocean, Tokyo is a busy

city of color, activity, celebrations, gigantic buildings, and much more. Seven-year-old Mimiko lives in Tokyo, and here you can follow a year's worth of fun, food and festivities in Mimiko's life, month by month. Learn the right way to put on a kimono and see Mimiko's top ten favorite meals—just try not to eat the pages featuring delicious wagashi!

Tokyo Vice Jake Adelstein, 2009-10-13 NOW A MAX ORIGINAL SERIES. A riveting true-life tale of newspaper noir and Japanese organized crime from an American investigative journalist who pulls the curtain back on ... [an] element of Japanese society that few Westerners ever see (San Francisco Examiner). Jake Adelstein is the only American journalist ever to have been admitted to the insular Tokyo Metropolitan Police Press Club, where for twelve years he covered the dark side of Japan: extortion, murder, human trafficking, fiscal corruption, and of course, the yakuza. But when his final scoop exposed a scandal that reverberated all the way from the neon soaked streets of Tokyo to the polished Halls of the FBI and resulted in a death threat for him and his family, Adelstein decided to step down. Then, he fought back. In *Tokyo Vice* he delivers an unprecedented look at Japanese culture and searing memoir about his rise from cub reporter to seasoned journalist with a price on his head.

Tokyo Ueno Station Yu Miri, 2021-06-22 WINNER OF THE 2020 NATIONAL BOOK AWARD IN TRANSLATED LITERATURE A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A surreal, devastating story of a homeless ghost who haunts one of Tokyo's busiest train stations. Kazu is dead. Born in Fukushima in 1933, the same year as the Japanese Emperor, his life is tied by a series of coincidences to the Imperial family and has been shaped at every turn by modern Japanese history. But his life story is also marked by bad

luck, and now, in death, he is unable to rest, doomed to haunt the park near Ueno Station in Tokyo. Kazu's life in the city began and ended in that park; he arrived there to work as a laborer in the preparations for the 1964 Tokyo Olympics and ended his days living in the vast homeless village in the park, traumatized by the destruction of the 2011 tsunami and shattered by the announcement of the 2020 Olympics. Through Kazu's eyes, we see daily life in Tokyo buzz around him and learn the intimate details of his personal story, how loss and society's inequalities and constrictions spiraled towards this ghostly fate, with moments of beauty and grace just out of reach. A powerful masterwork from one of Japan's most brilliant outsider writers, *Tokyo Ueno Station* is a book for our times and a look into a marginalized existence in a shiny global megapolis.

Last Mission to Tokyo Michel Paradis, 2021-06-08 A narrative account of the Doolittle Raids of World War II traces the daring Raiders attack on mainland Japan, the fate of the crews who survived the mission, and the international war crimes trials that defined Japanese-American relations and changed legal history.

Target Tokyo: Jimmy Doolittle and the Raid That Avenged Pearl Harbor James M. Scott, 2015-04-13 Finalist for the 2016 Pulitzer Prize in History Like Lauren Hillebrand's *Unbroken...* *Target Tokyo* brings to life an indelible era. —Ben Cosgrove, *The Daily Beast* On April 18, 1942, sixteen U.S. Army bombers under the command of daredevil pilot Jimmy Doolittle lifted off from the deck of the USS *Hornet* on a one-way mission to pummel Japan's factories, refineries, and dockyards in retaliation for their attack on Pearl Harbor. The raid buoyed America's morale, and prompted an ill-fated Japanese attempt to seize Midway that turned the tide of the war. But it came at a horrific cost: an estimated 250,000 Chinese died in retaliation by the

Japanese. Deeply researched and brilliantly written, *Target Tokyo* has been hailed as the definitive account of one of America's most daring military operations.

Tokyo Love Story Julie Blanchin Fujita, 2021-03-16 A funny and intimate travelogue of one woman's unexpected adventures in Japan. French illustrator Julie Blanchin-Fujita arrived in Tokyo for what she thought would be a one-year stint, and ended up never leaving. In this graphic novel-style memoir she shares her love of Japan, while depicting personal experiences and stories from her life in Tokyo--from the exotic (sumo wrestlers, ramen, hot springs, tatami mats, bentos, Japanese trains, Mount Fuji, earthquakes) to the everyday (hanging out with friends, moving houses, falling in love). Her voyage of discovery in the world's most exciting city will appeal to a broad range of readers--from those contemplating a trip to Tokyo and Japanophiles to fans of graphic novels and anyone who enjoys a good manga love story. Packed with keen cultural observations, this enchanting story is told in both English and Japanese--also making it a great language learning resource.

Tokyo: A Biography Stephen Mansfield, 2016-10-25 The history of Tokyo is as eventful as it is long. A concise yet detailed overview of this fascinating, centuries-old city, *Tokyo: A Biography* is a perfect companion volume for history buffs or Tokyo-bound travelers looking to learn more about their destination. In a whirlwind journey through Tokyo's past from its earliest beginnings up to the present day, this Japanese history book demonstrates how the city's response to everything from natural disasters to regime change has been to reinvent itself time and again. A calamitous fire results in a massive expansion of the city's territory. A debate over the Samurai code creates far-reaching social change. A malleable boy becomes the

figurehead for powerful forces who change an ancient feudal society into a modern industrialized power within a generation. Utter destruction wipes the slate clean again so Tokyoites may start all over. And so it goes. Tokyo's story is riveting, and by the end of *Tokyo: A Biography*, readers see a city almost unrivalled in its uniqueness, a place that—despite its often tragic history—still shimmers as it prepares to face the future.

Iva Mike Weedall,2020-05-08 It is 1941, the start of Word War II. Wishing only to pursue her dreams of attending medical school at UCLA, Iva Toguri reluctantly visits her sick aunt in Japan. The start of the war traps her there. When she refuses to renounce her American citizenship, the Japanese government denies her a food ration card. Soon her mother's family evicts her, and she struggles to survive. Forced to accept a job with Radio Tokyo, she refuses to participate in propaganda broadcasts despite unending pressure by Army management. Relief comes with the war's end, but the extreme politics back in the United States and continuing racial prejudice against Japanese-Americans makes Iva a target. Mistakenly identified as Tokyo Rose, she is charged with treason, leading to a trial that grips the nation.

Hachiko Pamela S. Turner,2009-04-06 Imagine walking to the same place every day, to meet your best friend. Imagine watching hundreds of people pass by every morning and every afternoon. Imagine waiting, and waiting, and waiting. For ten years. This is what Hachiko did. Hachiko was a real dog who lived in Tokyo, a dog who faithfully waited for his owner at the Shibuya train station long after his owner could not come to meet him. He became famous for his loyalty and was adored by scores of people who passed through the station every day. This is Hachiko's story through the eyes of Kentaro,

a young boy whose life is changed forever by his friendship with this very special dog. Simply told, and illustrated with Yan Nascimbene's lush watercolors, the legend of Hachiko will touch your heart and inspire you as it has inspired thousands all over the world.

Tokyo story Tereza Macková,2020

The Devil of Nanking Mo Hayder,2011-02-24 “Exceedingly creepy . . . The diabolically gifted British author spins a fascinating mystery from the legacy of Japanese atrocities during World War II.” —Entertainment Weekly With the redolent atmosphere of Ian Rankin and the spine-chilling characters of Thomas Harris, Mo Hayder's *The Devil of Nanking* takes the reader on an electrifying literary ride from the palatial apartments of yakuza kingpins to deep inside the secret history of one of the twentieth century's most brutal events: the Nanking Massacre. A young Englishwoman obsessed with an indecipherable past, Grey comes to Tokyo seeking a lost piece of film footage of the notorious 1937 Nanking Massacre, footage some say never existed. Only one man can help Grey. A survivor of the massacre, he is now a visiting professor at a university in Tokyo. But he will have nothing to do with her. So Grey accepts a job in an upmarket nightclub, where a certain gangster may be the key to gaining the professor's trust. An old man in a wheelchair surrounded by a terrifying entourage, the gangster is rumored to rely on a mysterious elixir for his continued health. Taut, gritty, sexy, and harrowing, *The Devil of Nanking* is an incomparable literary thriller set in one of the world's most fascinating cities—Tokyo—from an internationally bestselling author. “A haunting, lyrical, disturbing, important, suspenseful, wonderfully written and beautiful book.” —Harlan Coben

Tokyo Cancelled Rana Dasgupta,2007-12-01 Thirteen strangers

stranded in an Asian airport spin tales that “outdo Arabian Nights for inventiveness” in this debut novel (The Guardian). Thirteen passengers are stranded at an airport. Tokyo, their destination, is covered in snow and all flights are cancelled. To pass the night they huddle by the baggage carousels and tell each other stories. So begins *Tokyo Cancelled*, a unique literary adventure that combines a modern landscape with a timeless, fairy-tale ethos. In his delightful debut, Dasgupta brings to life a cast of extraordinary individuals—some lost, some confused, some happy—in a world that remains ineffable, inexplicable, and wonderful. A Ukrainian merchant is led by a wingless bird back to a lost lover; Robert De Niro’s son masters the transubstantiation of matter and turns it against his enemies; a man who manipulates other people’s memories has to confront his own past; a Japanese entrepreneur risks everything in his obsession with a doll; a mute Turkish girl has a strange encounter with a German man who is mapping the world. Told by people on a journey, these stories “tackle themes of transit, dislocation and uprootedness” in a “sprawling, experimental project achieves an exotic luster” (Publishers Weekly).

Immerse yourself in heartwarming tales of love and emotion with is touching creation, *Tender Moments: Tokyo&sorty* . This emotionally charged ebook, available for download in a PDF format ([Download in PDF: *](#)), is a celebration of love in all its forms. Tokyo&sorty Introduction

In today's digital age, the availability of Tokyo&sorty books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tokyo&sorty books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tokyo&sorty books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tokyo&sorty versions, you eliminate the need to spend money on physical copies. This

not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tokyo&sorty books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally,

PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tokyo&sorty books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tokyo&sorty books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tokyo&sorty books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring

knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tokyo&sorty books and manuals for download and embark on your journey of knowledge?

FAQs About Tokyo&sorty Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and

explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tokyo&sorty is one of the best

book in our library for free trial.

We provide copy of Tokyo&sorty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tokyo&sorty. Where to download Tokyo&sorty online for free? Are you looking for Tokyo&sorty PDF? This is definitely going to save you time and cash in something you should think about.
