Tomoko Takes the Lead (The Derby Daredevils Book #3) Kit Rosewater, 2021-06-01 Book #3 in this highly illustrated middle-grade series stars shy Tomoko and finds the team at roller derby sleepaway camp in nearby Dallas, Texas—now in paperback! School's out, and the Derby Daredevils are excited to spend all summer tearing up the track. But, the coaches have something super special planned: the Austin league is heading to Dallas for a week of roller derby sleepaway camp! Tomoko could not be more excited—she loves roller derby and her team. Plus, she's been going camping with her uncle every summer since she can remember. She's got all the gear and the skills she needs for two weeks in the great outdoors. But roller derby camp isn't in the great outdoors. It's in the middle of the city. And it means meeting a bunch of new kids, which isn't exactly a strength for shy, introverted Tomoko. Disappointed, she puts her head down and skates hard until the team gets lost in the middle of Dallas—without a grown-up or a cell phone to guide them back to camp. Tomoko uses her wilderness skills and navigational know-how to lead them home and her calm demeanor to keep everyone feeling safe.

The Derby Daredevils: Kenzie Kickstarts a Team Kit Rosewater, Sophie Escabasse, 2020-03-24 A highly illustrated middle-grade series that celebrates new friendships, first crushes, and getting out of your comfort zone—now in paperback Ever since they can remember, fifth graders Kenzie (aka Kenzilla) and Shelly (aka Bomb Shell) have dreamed of becoming roller derby superstars. When Austin's city league introduces a brand-new junior league, the dynamic duo celebrates! But they'll need to try out as a five-person team. Kenzie and Shelly have just one week to convince three other girls that roller derby is the coolest thing on wheels. But Kenzie starts to have second thoughts when Shelly starts acting like everyone's best friend . . . Isn't she supposed to be Kenzie's best friend? And things get really awkward when Shelly recruits Kenzie's neighbor (and secret crush!) for the team. With lots of humor and an authentic middle-grade voice, book one of this illustrated series follows Kenzie, Shelly, and the rest of the Derby Daredevils as they learn how to fall—and get back up again.

Tomoko Fuse's Origami Art Tomoko Fuse, 2020-05-19 Tomoko Fuse has been one of the world's premier origami artists for more than 35 years. This beautifully photographed book examines the three-dimensional geometric designs she is famous for. Fuse, often referred to as the queen of origami, discovered the art of folding paper at just seven years old. She has come a long way since then, having had her work highlighted in exhibitions around the world, including Paris Origami (Carrousel du Louvre, 1998), On Paper (Crafts Council London, 2002) and her solo show Yorokobi (Bauhaus Dessau, 2004). In addition to teaching, folding and writing, she also collaborated with designer Denis Guidone for Milan Design Week 2018 and was a featured artist in Nova's episode The Origami Revolution (February, 2017). An artistic anthology of her most impressive work, Tomoko Fuse's Origami Art can serve multiple purposes: as inspiration for an experienced origami folder; as a truly impressive coffee table book for the artistically-minded; or as a push for intermediate folders to try their hand at modular origami models.

Foolproof Sketching & Painting Techniques for Beginners Tomoko Kuramae, 2023-04-11 An inspiring guide to sketching and painting the world around you! She then shows you how to bring your finished sketches alive with the use of brilliant transparent watercolors.

Reading Food in Modern Japanese Literature Tomoko Aoyama, 2008-09-30 Literature, like food, is, in Terry Eagleton's words, endlessly interpretable, and food, like literature, looks like an object but is actually a relationship. So how much do we, and should we, read into the way food is represented in literature? Reading Food explores this and other questions in an unusual and fascinating tour of twentieth-century Japanese literature. Tomoko Aoyama analyzes a wide range of diverse writings that focus on food, eating, and cooking and considers how factors such as industrialization, urbanization, nationalism, and gender construction have affected people's relationships to food, nature, and culture, and to each other. The examples she offers are taken from novels (shosetsu) and other literary texts and include well known writers (such as Tanizaki Jun'ichiro, Hayashi Fumiko, Okamoto Kanoko, Kaiko Takeshi, and Yoshimoto Banana) as well as those who are less widely known (Murai Gensai, Nagatsuka Takashi, Sumii Sue, and Numa Shozo). Food is everywhere in Japanese literature, and early chapters illustrate historical changes and variations in the treatment of food and eating. Examples are drawn from Meiji literary diaries, children's stories, peasant and proletarian literature, and women's writing before and after World War II. The author then turns to the theme of cannibalism in serious and popular novels. Key issues include ethical questions about survival, colonization, and cultural identity. The quest for gastronomic gratification is a dominant theme in gourmet novels. Like cannibalism, the gastronomic journey as a literary theme is deeply implicated with cultural identity. The final chapter deals specifically with contemporary novels by women, some of which celebrate the inclusiveness of eating (and writing),

while others grapple with the fear of eating. Such dread or disgust can be seen as a warning against what the complacent gourmet boom of the 1980s and 1990s concealed: the dangers of a market economy, environmental destruction, and continuing gender biases. Reading *Food in Modern Japanese Literature* will tempt any reader with an interest in food, literature, and culture. Moreover, it provides appetizing hints for further savoring, digesting, and incorporating textual food.

Samurai and Cotton Tomoko T. Takahashi, 2011-11-15 This is a story of two lives—that of a loving father and his headstrong daughter—in Japan and America. In the context of these two lives, this memoir takes on a historical journey through the world of the samurai as it transitions into the merchant class, culminating in the aftermath of the daughter's decision to pursue her dreams to study in America. Based on the true stories of seven generations of author Tomoko T. Takahashi's family and centered around the life of her father, Kiyoshi, *Samurai and Cotton* reveals the struggles and triumphs occurring during tumultuous upheavals in Japanese culture at large and the much more personal trials of a single family. This memoir is filled with vibrant, heartfelt emotion and detail, buoyed by the revealing, authentic letters written by family members. While it focuses on the lifespan and memories of Kiyoshi, this is also the story of Tomoko, who receives indefatigable support from her father first as a headstrong youngster in Japan and later as a determined newcomer to America.

Spiral Tomoko Fuse, 2012

Japanese Corporate Transition in Time and Space T. Kurihara, 2009-09-14 This book is an ethnography of a Japanese white-collar workplace in Osaka carried out during the late 1990s. It explores the relevance of social models to the analysis of social relations and women's status in the workplace by examining concepts of time, ritual, and space via the theory of practice.

The Invention of World Religions Tomoko Masuzawa, 2005-05-15 The idea of world religions expresses a vague commitment to multiculturalism. Not merely a descriptive concept, world religions is actually a particular ethos, a pluralist ideology, a logic of classification, and a form of knowledge that has shaped the study of religion and infiltrated ordinary language. In this ambitious study, Tomoko Masuzawa examines the emergence of world religions in modern European thought. Devoting particular attention to the relation between the comparative study of language and the nascent science of religion, she demonstrates how new classifications of language and race caused Buddhism and Islam to gain special significance, as these religions came to be seen in opposing terms—Aryan on one hand and Semitic on the other. Masuzawa also explores the complex relation of world religions to Protestant theology, from the hierarchical ordering of religions typical of the Christian supremacists of the nineteenth century to the aspirations of early twentieth-century theologian Ernst Troeltsch, who embraced the pluralist logic of world religions and by so doing sought to reclaim the universalist destiny of European modernity.

Sandakan Brothel No.8 Tomoko Yamazaki, Karen F. Colligan-Taylor, 2015-03-04 This is a pioneering work on karayuki-san, impoverished Japanese women sent abroad to work as prostitutes from the 1860s to the 1920s. The narrative follows the life of one such prostitute, Osaki, who is persuaded as a child of ten to accept cleaning work in Sandakan, North Borneo, and then forced to work as a prostitute in a Japanese brothel, one of the many such brothels that were established throughout Asia in conjunction with the expansion of Japanese business interests. Yamazaki views Osaki as the embodiment of the suffering experienced by all Japanese women, who have long been oppressed under the dual yoke of class and gender. This tale provides the historical and anthropological context for understanding the sexual exploitation of Asian women before and during the Pacific War and for the growing flesh trade in Southeast Asia and Japan today. Young women are being brought to Japan with the same false promises that enticed Osaki to Borneo 80 years ago. Yamazaki Tomoko, who herself endured many economic and social hardships during and after the war, has devoted her life to documenting the history of the exchange of women between Japan and other Asian countries since 1868. She has worked directly with karayuki-san, military comfort women, war orphans, repatriates, women sent as picture brides to China and Manchuria, Asian women who have wed into Japanese farming communities, and Japanese women married to other Asians in Japan.

Alphonse Mucha, 1860-1939 Tomoko Sato,2015 Czech artist and Art Nouveau master Alphonse Mucha (1860-1939) defined the look of the fin-de-siecle. In shades of peach, gold, ochre and olive, his compositions of patterns, flowers and women became a mainstay of illustration, posters, postcards, and advertising designs of the day. Mucha also harbored committed nationalist beliefs. With works such as The Slav Epic, he expressed his support for Pan-Slavism, promoting the political independence of the Czech and Slavic nations from the Austro-Hungarian Empire
