Totally Bugs Dennis Schatz, 2013-10-01 *Totally Bugs* is totally cool! Budding entomologists can get an up-close look at bug anatomies and learn all about their lives. Follow the easy step-by-step instructions to build five different bugs: a ladybug, a black ant, a stag beetle, a greenbottle fly, and an orb weaver spider. The world of insects and spiders comes to life as kids build each creature, then read along and learn fascinating facts about their lives and environments. *Totally Bugs* is the totally smart way to learn about some of our favorite creepy-crawly creatures.

Riotous Robots Mike Goldsmith, 2009 *Riotous robots* are taking over the world! First they were a figment of our imaginations. Then they started to replace large numbers of people in factories. Readers can meet a robot that's forced to snack on slugs for a living and a robo-alligator that works as a scarecrow. This is an updated cybernetic guide like no other.

Lisa Yee charmed audiences with the hilarious *Millicent Min, Girl Genius* and revealed another side of the story in *Stanford Wong Flunks Big-Time*. Now readers can meet Millie's best friend and

Stanford's big crush! After her parents' divorce, Emily Ebers had to move to California with her mom. Now she writes letters to her rock-star dad about travel (How did the pioneers do it? Did they have to ride with their mothers?), her new friends, and how much she misses him -- though she does still have his credit card.... Four Boyfriends & a Funeral Totally Tyler,2015-05-18 Cherished memories help Totally Tyler keep it together, hold out and stay strong after a tragic loss in Four Boyfriends and a Funeral. But the story's not all sad and new remembrances are had in the party boy blogger's fourth tome - which describes in explicit detail a hot three-way feud between Indiana, Atlanta and New York City (oooh!), a quest to not be second best while searching for the one, and, of course, Queen Lola! No, honey, the lemon drop martinis aren't causing you to misread anything, because the tearjerkers and sometimes gaseous anecdotes you'll get here are answered prayers of supernatural and sweeter-than-a-Swiss Roll realness.

Totally Tardy Marty Erica S. Perl, 2015-07-07 *Totally Tardy Marty* just can't seem to get to school on time. Not when there are so many better things to do in the mornings, like invent Toast-on-a-Rope, fight a giant squid in the laundry, or follow some ants up a tree. And so he's tardy, every day, much to the smug delight of Never-Late Kate, who thinks she's sooo great. But then one day, Kate helps Marty out of a jam (or rather, a tree), and the two end up playing together, have a surprisingly good time, and are both late. An unlikely friendship is born, through which Marty learns a trick or two for punctuality, and Kate discovers the virtues of stopping to smell the roses. From *Chicken Butt!* author Erica Perl and celebrated illustrator Jarrett J. Krosoczka comes this playful story of opposites who don't just attract, but also learn a lot from their complementing personalities.

We believe in resilience. This book presents a unique approach to success—a practical can-do model drawn from army field manuals and woven into a tapestry of ideas from philosophy, psychology, theology, and literature. The military operates on principles and approaches driven to accomplish the mission—not to give up. Success involves taking chances, saying yes to opportunity.
