Minimalista Shira Gill, 2021-11-02 Elevate your personal style, trim your belongings, and transform your life, one room at a time, with this visionary lifestyle and home organization book from professional organizing expert, Shira Gill. “Warm, funny, and direct, Shira builds you up while helping you edit down to the best version of yourself.”—Stacy London, New York Times bestselling author of *The Truth About Style* As a professional home organizer with clients ranging from students to multi-millionaires, Shira Gill observed that clutter is a

universal stress trigger. Over the years she created a signature decluttering and organization process that promotes sustainability, achieves lasting results, and can be applied to anyone, regardless of their space or lifestyle. Rather than imposing strict rules and limitations, Shira redefines minimalism as having the perfect amount of everything—for you—based on your personal values and the limitations of your space. Now, in *Minimalista*, Shira shares her complete toolkit for the first time, built around five key steps: Clarify, Edit, Organize, Elevate, and Maintain. Once you learn the methodology you'll dive into the hands-on work, choose-your-own-adventure style: knock out a room, or even a single drawer; style a bookshelf; donate a sweater. Shira teaches that the most important thing you can do is start, and that small victories, achieved one at a time, will snowball into massive transformation. Broken into small, bite-sized chunks, *Minimalista* makes it clear that if the process is fun and easy to follow, anyone can learn the principles of editing and organization.

Now internationally renowned family consultant Kim John Payne helps parents reclaim for their children the space and freedom that all kids need for their attention to deepen and their individuality to flourish. *Simplicity Parenting* offers inspiration, ideas, and a blueprint for change: • Streamline your home environment. Reduce the amount of toys, books, and clutter—as well as the lights, sounds, and general sensory overload. • Establish rhythms and rituals. Discover ways to ease daily tensions, create battle-free mealtimes and bedtimes, and tell if your child is overwhelmed. • Schedule a break in the schedule. Establish intervals of calm and connection in your child's daily torrent of constant doing. • Scale back on media and parental involvement. Manage your children's "screen time" to limit the endless deluge of information and stimulation. A manifesto for protecting the grace of childhood, *Simplicity Parenting* is an eloquent guide to bringing new rhythms to bear on the lifelong art of raising children.

*Lost Dreams (Storms of New England book 5)* Kari Lemor, 2021-08-09 Once bitten, twice shy... For the past decade, fire captain, Greg Storm, has wanted no part of another relationship all thanks to a faithless wife who handed over their infant son and fled. He and his son have done just fine by themselves. Teacher Alandra Cabrera and abandonment go together all too well. She and her daughter were left in the cold by a controlling husband who really only wanted a personal servant and perfect wife. Once a mother, she fit neither of those roles. His dismissal shattered her already limited self-esteem. With Greg's son in Ali's class, the two get to know each other better beyond school and town committees. They both have extreme trust issues and taking that first step toward something more requires courage. Especially with the trauma and rejection left in the wake of their past. Unless they find their way beyond the barriers, a future together seems out of reach...
