Early Visual Skills Diana Williams, 2019-10-10 Now in a revised and updated second edition, Early Visual Skills is a practical manual for use with children and young people who have underdeveloped visual perceptual skills. Twelve clear and easy-to-follow sections, focusing on skills such as attention, discrimination, sequencing, concentration and memory, are filled with carefully designed activities to stimulate visual attention and discrimination skills in children with a range of developmental levels and abilities. Features include: A wide range of activities suited to both the early years and home settings Links to the Early Years Foundation Stage (EYFS) framework and topics reflecting the EYFS and the Key Stage 1 curriculum Photocopiable materials designed to document the child's development over time As most of the activities are non-verbal, they are well suited for children with limited spoken language, including EAL (English as an Additional Language) learners, the deaf, sensory impaired, or those with autism or learning difficulties. Whilst primarily designed for early years practitioners, SENCOs (Special Educational Needs Coordinator), specialist teachers, therapists and other professionals, there are activity sheets and guidance for parents to provide them practical advice on how to stimulate visual perceptual skills at home, turning their child's everyday routines into opportunities to stimulate visual awareness.

Collage Quest Donna L. Thompson, 2015-11-12 Come voyage through lost roots of the multi-dimensional artistry of collage. This seemingly simple method leads you on an adventure of self discovery, developing your innate abilities for shapes-shifting using paper, scissors and glue. Author and artist Donna Thompson shares her wisdom and stories as she leads you on a journey through time. From caves of old to collaging in your own home, this colorful adventure is an in-depth exploration of humanity's ancient connections to making art. This triple layered approach is actually three books in one. It begins by guiding you through the mystical Doorway of Color, where you learn the Celtic ways of sensing, gathering and envisioning with images. Next comes the Doorway of Ceremonies, where you unearth indigenous ways of communing with collage. And finally, the Doorway of Dreams, leading to the most ancient ways of remembering who you truly are. Learning to quest with collage is all about playing with colors, signs and synchronicity. It is also a metaphor for the ongoing journey of each human life. You are invited to come along in search of multi-hued elements to weave into an ever unfolding landscape of

your own design. Collage Quest is a guide for tracing these deep roots and translating them into modern day materials and language. It is a unique and powerful 21st century tool of co-creation....
