Sigh, Gone Phuc Tran, 2020-04-21 For anyone who has ever felt like they don't belong, Sigh, Gone shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as The Metamorphosis, The Scarlet Letter, The Iliad, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as Fresh Off the Boat, Running with Scissors, or tales of assimilation like Viet Thanh Nguyen's The Displaced and The Refugees, Sigh, Gone explores one man's bewildering experiences of abuse, racism, and tragedy and reveals redemption and

connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the '80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him.

Tran Jerry Pournelle, Roland Green, 1996-08 Tran has been published in slightly different form as Janissaries: Clan & Crown, copyright c1982 by Jerry Pournelle & Roland Green, and Storms of Victory, copyright c1987 by Jerry Pournelle & Roland Green--Title page verso.

Vietnamerica GB Tran, 2013-05-01 A superb new graphic memoir in which an inspired artist/storyteller reveals the road that brought his family to where they are today: Vietnamerica GB Tran is a young Vietnamese American artist who grew up distant from (and largely indifferent to) his family's history. Born and raised in South Carolina as a son of immigrants, he knew that his parents had fled Vietnam during the fall of Saigon. But even as they struggled to adapt to life in America, they preferred to forget the past—and to focus on their children's future. It was only in his late twenties that GB began to learn their extraordinary story. When his last surviving grandparents die within months of each other, GB visits Vietnam for the first time and begins to learn the tragic history of his family, and of the homeland they left behind. In this family saga played out in the shadow of history, GB uncovers the root of his father's remoteness

and why his mother had remained in an often fractious marriage; why his grandfather had abandoned his own family to fight for the Viet Cong; why his grandmother had had an affair with a French soldier. GB learns that his parents had taken harrowing flight from Saigon during the final hours of the war not because they thought America was better but because they were afraid of what would happen if they stayed. They entered America—a foreign land they couldn't even imagine—where family connections dissolved and shared history was lost within a span of a single generation. In telling his family's story, GB finds his own place in this saga of hardship and heroism. Vietnamerica is a visually stunning portrait of survival, escape, and reinvention—and of the gift of the American immigrants' dream, passed on to their children. Vietnamerica is an unforgettable story of family revelation and reconnection—and a new graphic-memoir classic.

Empowered by Hope Ha T. Tran, 2010-04 Imagine being brought up in luxurious wealth, only to find yourself first in a refugee camp and then a penniless immigrant in a country half-way around the world from where you were born! How would you cope? When Ha Tran found herself in this situation she remembered her beloved father's wise words and used them to build a life for her family and herself. Ha tells her story of struggle and triumph in this inspiring book. She weaves her father's profound, yet simple wisdom into the true story of her escape from the Communist regime in Viet Nam, living in a refugee camp, and starting life over in the United States. You will be moved

and awed by what Ha has accomplished and inspired by how she demonstrates that Hope is living with a promise in your heart.

Daughters of the New Year E.M. Tran,2022-10-11 A daring debut. –New York Times Book Review A lively, spellbinding tale about the extraordinary women within a Vietnamese immigrant family—and the ancient zodiac legend that binds them together What does the future hold for those born in the years of the Dragon, Tiger, and Goat? In present day New Orleans, Xuan Trung, former beauty queen turned refugee after the Fall of Saigon, is obsessed with divining her daughters' fates through their Vietnamese zodiac signs. But Trac, Nhi and Trieu diverge completely from their immigrant parents' expectations. Successful lawyer Trac hides her sexuality from her family; Nhi competes as the only woman of color on a Bachelor-esque reality TV show; and Trieu, a budding writer, is determined to learn more about her familial and cultural past. As the three sisters begin to encounter strange glimpses of long-buried secrets from the ancestors they never knew, the story of the Trung women unfurls to reveal the dramatic events that brought them to America. Moving backwards in time, E.M. Tran takes us into the high school classrooms of New Orleans, to Saigon beauty pageants, to twentieth century rubber plantations, traversing a century as the Trungs are both estranged and united by the ghosts of their tumultuous history. A “haunted story of resilience and survival” (Meng Jin, *Little Gods*), *Daughters of the New Year* is an addictive, high-

wire act of storytelling that illuminates an entire lineage of extraordinary women fighting to reclaim the power they've been stripped of for centuries.

Summary of Ly Tran's House of Sticks Everest Media, 2022-05-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 We arrive in New York in February 1993, coming from rice paddies, mango trees, and the sun. We are sick from the turbulence of travel, and we are shocked by the airplane smell. We have never been on a bus, and we are terrified of going underground. #2 I remember arriving in New York City with my family. We had never seen sidewalks, buildings this tall, or a tree-lined street. Everything was so neat. #3 In 1985, my family moved to New York City. We had no furniture, only thin sheets, some pillows we'd have to share, and a straw mat provided by Mr. Six, the landlord. We had no heat, except for the heat of our bodies and the breath we blew into our hands, which we pressed against our cold bodies. #4 My father built an altar high up on our living room wall to honor the Buddha and bodhisattvas. He spent his days building it, and in the evenings, he and my mother would pray to the Buddha.

All the Flowers Kneeling Paul Tran, 2022-05-05 A NEW YORKER BOOK OF THE YEAR 'Gorgeous ... intense ... shimmering ... [an] unforgettable collection' Observer 'Beautiful, sensuous and plural ... a vital and visceral collection. Breathtaking' Joelle Taylor, author of *Canto & Othered Poems* 'Brave ... this striking collection ... articulates the unspeakable from various angles ... often nightmarish and dark, there are moments of shimmering release ... an auspicious debut' Seán Hewitt, Irish Times '[A] powerful debut ... marshals narrative lyrics and stark beauty' The New York Times Book Review 'Vivid ... searingly honest, beautifully told depictions of survival and self-love' Publishers Weekly 'A testament to queer self-love ... a monument to [what] persists'

them.us 'A true masterwork ... an exquisitely crafted labyrinth of a book' Electric Literature This is a book about survival. This is a book about love. Visceral and astonishing, Paul Tran's debut poetry collection, *All the Flowers Kneeling*, charts the rebuilding of a self in the wake of extremity. How, it asks, can we reimagine what we have been given in order to make something new: an identity, a family, a life, a dream? These rich, resonant poems of desire, freedom, control and rebirth reach back into the past - the tale of Scheherazade, US imperial violence, a shattering history of personal abuse - to show how it both scars and transforms. Innovative poetic forms mirror the nonlinear experiences of trauma survivors, while ambitious sequences probe our systems of knowledge-making and the power of storytelling as survival. At once virtuosic and vulnerable, confessional and profoundly defiant, *All the Flowers Kneeling* revels in rediscovering and reconfiguring the self, and ultimately becomes an essential testament to the human capacities for resilience, endurance and love.

Gods, Heroes, and Ancestors ,2017-10-02 Though a minority religion in Vietnam, Christianity has been a significant presence in the country since its arrival in the sixteenth-century. Anh Q. Tran offers the first English translation of the recently discovered 1752 manuscript *Tam Giáo Chu Vong* (The Errors of the Three Religions). Structured as a dialogue between a Christian priest and a Confucian scholar, this anonymously authored manuscript paints a rich picture of the three traditional Vietnamese religions:

Confucianism, Buddhism, and Daoism. The work explains and evaluates several religious beliefs, customs, and rituals of eighteenth-century Vietnam, many of which are still in practice today. In addition, it contains a trove of information on the challenges and struggles that Vietnamese Christian converts had to face in following the new faith. Besides its great historical value for studies in Vietnamese religion, language, and culture, *Gods, Heroes, and Ancestors* raises complex issues concerning the encounter between Christianity and other religions: Christian missions, religious pluralism, and interreligious dialogue.

House of Sticks Ly Tran, 2021-06-01 New York City

Book Awards Hornblower Award Winner One of Vogue and NPR's Best Books of the Year This beautifully written "masterclass in memoir" (Elle) recounts a young girl's journey from war-torn Vietnam to Queens, New York, "showcas[ing] the tremendous power we have to alter the fates of others, step into their lives and shift the odds in favor of greater opportunity" (Star Tribune, Minneapolis). Ly Tran is just a toddler in 1993 when she and her

family immigrate from a small town along the Mekong river in Vietnam to a two-bedroom railroad apartment in Queens. Ly's father, a former lieutenant in the South Vietnamese army, spent nearly a decade as a POW, and their resettlement is made possible through a humanitarian program run by the US government. Soon after they arrive, Ly joins her parents and three older brothers sewing ties and cummerbunds piece-meal on their living room floor to make ends meet. As they navigate this new landscape, Ly finds herself torn between two worlds. She knows she must honor her parents' Buddhist faith and contribute to the family livelihood, working long hours at home and eventually as a manicurist alongside her mother at a nail salon in Brooklyn that her parents take over. But at school, Ly feels the mounting pressure to blend in. A growing inability to see the blackboard presents new challenges, especially when her father forbids her from getting glasses, calling her diagnosis of poor vision a government conspiracy. His frightening temper and paranoia leave a mark on Ly's sense of self. Who is she outside of everything her family expects of her? An "unsentimental yet deeply moving examination of filial bond, displacement, war trauma, and poverty" (NPR), *House of Sticks* is a timely and powerful portrait of one girl's coming-of-age and struggle to find her voice amid clashing cultural expectations.

perfect. Heartbreaking. Profound...[A] polished dagger of a novel that will cut out your heart. —Charles Bock, New York Times best-selling author of Beautiful Children Robert, an Oakland cop, still can't let go of Suzy, the mysterious Vietnamese wife who left him. Now she's disappeared from her new husband, Sonny, a violent smuggler who blackmails Robert into finding her. Searching for Suzy in the sleek and seamy gambling dens of Las Vegas, Robert finds himself also chasing the past that haunts her—one that extends back to Vietnam and a refugee camp in Malaysia, and forward to Suzy's estranged daughter, a poker shark now taking the future into her own hands.

Post-Mandarin Ben Tran, 2017-01-02 Post-Mandarin offers an engaging look at a cohort of Vietnamese intellectuals who adopted European fields of knowledge, a new Romanized alphabet, and print media—all of which were foreign and illegible to their fathers. This new generation of intellectuals established Vietnam's modern anticolonial literature. The term "post-mandarin" illuminates how Vietnam's deracinated figures of intellectual authority adapted to a literary field moving away from a male-to-male literary address toward print culture. With this shift, post-mandarin intellectuals increasingly wrote for and about women. Post-Mandarin illustrates the significance of the inclusion of modern women in the world of letters: a more democratic system of aesthetic and political representation that gave rise to anticolonial nationalism. This conceptualization of the "post-mandarin" promises to have a significant impact on the fields of

literary theory, postcolonial studies, East Asian and Southeast Asian studies, and modernist studies.
