Ecstatic Cahoots Stuart Dybek, 2014-06-03 In this remarkable collection of bite-size stories, Stuart Dybek, one of our most prodigious writers, explores the human appetite for rapture and for trust. With fervent intensity and

sly wit, he gives each tale his signature mix of characters—some almost ghostly, others vividly real—who live in worlds tinged with surreal potential. There are crazed nuns hijacking streetcars, eerie adventures across frozen ponds, and a boy who is visited by a miniature bride and groom every night in his uncle's doomsday compound. Whether they are about a simple transaction, a brave inquiry, a difficult negotiation, or shared bliss, the stories in *Ecstatic Cahoots* target the friction between our need for ecstatic self-transcendence and our passionate longing for trust between lovers, friends, family, and even strangers. Call it micro-fiction or mini-fiction, flash fiction or short shorts. Whatever the label, the marvelous encounters here are marked by puzzlement, anguish, and conspiratorial high spirits. In this thrilling collection, Stuart Dybek has once again re-envisioned the possibilities of fiction, creating myriad human situations that fold endlessly upon each other, his crackling prose drawing out the strange, the intimate, and the mysterious elements in each.
