So Much Trish Cooke, 2022-05-10 Auntie and Uncle and Nannie and Gran-Gran and all the cousins want to hug and kiss the new baby – they all love the baby SO MUCH! Illustrations by Helen Oxenbury brim with the warmth of a large, loving extended family. Mom and baby are home alone when – DING DONG! – Auntie and then Uncle and Nannie and Gran-Gran and the cousins come to visit. And they all want to hug and kiss and squeeze and eat the baby right up – because everybody loves the baby SO MUCH! With Helen Oxenbury lending her characteristic warmth and humor to a most exuberant family party, Trish Cooke's rhythmic, cumulative story captures the joy of being the baby in a large extended family – a baby who knows that he is absolutely, utterly adored.

Trish Patricia Byrnes, 2020 Patricia Byrnes's life began with being reared by deaf parents during an era when the deaf community was shunned rather than supported. Poverty, alcoholism, incest and poor parenting were the underpinnings of Patricia's life, leading to her own issues with alcohol. Eventually, with a 12-step recovery program, her life became a powerful, positive example to others. Her story is also a roadmap for change, and that was no easy task: the transition from self-loathing – the nemesis of the human experience – to self-love was painful but one that had to be taken in order to not only survive, but to also, finally, appreciate the gift she is and was created to share with others. Change is always possible... change is necessary. The author is a powerful example, demonstrating that a person can suffer from poverty, abuse, addiction, divorce and so much more and not only survive, but use adversity as a vehicle for growth, compassion and wisdom. -- MIGNON LAWLESS, Ph.D. What a brave and strong woman you are! You have spoken your truth, pure and unadulterated. I am truly humbled by your straightforward portrayal of such an incredible and painfully difficult life's journey. You have reached the place of forgiveness and understanding against all odds. May God continue to hold you close to His loving and merciful heart! -- JEANNEMARIE BAKER, R.N. Read TRISH not to look into Byrnes's struggles at a distance, but to take personally what the human spirit can do with whatever it is given. That is a blessed assurance that whatever challenges we face in our lives, we too can survive and overcome. -- SAMUEL DEIBLER, B.A., B.D. TRISH is a story of love, loss and longing told through the eyes of a girl who was forced into womanhood too early and a woman who somehow managed to retain the innocence of a girl. The impact of this beautiful book will linger long after you've turned the last page. Prepare to be changed. -- DARALYSE LYONS, author, speaker, coach From the Reflections of America series Modern History Press www.ModernHistoryPress.com

Above Water Trish Kearney, 2022-02-03 When my parents signed me up to Trojan Swimming Club, they had no idea of the evil behind Gibney's interest in me. As a thirteen-year-old, who knew nothing but kindness and love, I was ill-equipped to understand what was happening as he insidiously dominated my thinking and isolated me from anyone who might come between us. The process of entrapment was quick, and in full view of my family and team-mates I became a prisoner – bullied, manipulated and abused, unnoticed by those close to me. So complete was Gibney's control of me that not only could I not see a way out, it didn't even occur to me to look for one. At age thirteen, Trish Kearney's idyllic childhood was abruptly ended when her swimming coach – the internationally recognised George Gibney – began abusing her. Six years later, the Seoul Olympics firmly within her sights, she sacrificed a promising swimming career to walk free of her abuser. In her memoir, she describes how suppressed memories of those difficult years resurfaced after the birth of her first child, and the momentous journey set in train when a letter arrived from former team-mate Gary O'Toole, opening the Pandora's box on the abuse – leading to a failed court case and Gibney's ultimate exposure in the press as a rampant, controlling paedophile. Above Water is a survivor's story, of coming up for air after decades of burying trauma, and of learning to breathe again. It shines a light into dark places just as it casts its beam outwards, signalling the healing power of love, family and one woman's indomitable spirit.

Just a Little Ghetto Love L'essince Turner, 2016-10-24 Synopsis Trisha aka Trish was a typical 15 year old good girl from a urban neighborhood. She grew up in areas most people would condemn a ghetto but to her it was home. She was a great student who kept her grades up with no other focus than keeping her eyes on being a success in life. She was the second oldest in her single parent household after her older brother Tracy and followed by her twin younger siblings Tron and Tiece. She was raised by her single mother Ms. Smith who constantly attempted to fill her head with advice on dealing with her life decisions. All of Trish's goals and focuses come to a halt when she is approached by a much older man by the name of Ryan aka Rain. Rain was a big name street figure who came into Trish's life and exposed her to the gilts and glamour fast money could bring. His pretty boy appearance and constant display of affection for Trish had her mind wide open to any and everything he wanted to do with her. He was a grown man molding a girl in transition to being a woman, into a puppet for his own personal use. Trish was also being adored by her older brother Tracy's best friend Jay. Jay was a young man on his way to graduate high school trying to find his path in life as a man. He was in love with Trish and was not afraid to let her or her family know how deep his feelings were for her. Trish could see his repetitive attempts to gain her attention, but did not have time for a good boy with no money. She was lost in a world where easy money and verbal reminders meant more than respect and self love. In time chasing a man like Rain would lead her to situations no young girl should have to face on their own. This is Trisha's story... <https://www.facebook.com/AuthorLessince/>

Trish's Story Richard Nurse, 2015-10-11 Take a one week journey along with Trish and her twin brother Robert. Both just over thirty, and both very successful, as Trish is a Doctor and Robert an Architect. A journey that begins with the twins meeting for their weekly dinner date; during which an idea develops to live together, since both of their individual leases, are up. An idea, which becomes the catalysis for Trish to finally begin to heal emotionally, from the violent loss of her partner, both in life and medicine, 2 years before. And that is just the beginning of the story and the journey, which along the way, presents Trish with the opportunity to release two years of pent up anger at one moment, and to release two years of emotional needs in another. A journey filled with a re-awakening of feelings, which have been held in check for far too long. They are as close to identical as any boy/girl twins can be. Both are blessed with; high intelligence, long lean bodies, stunning facial features, and, of course, being totally in tune with each other. So in-tune with each other that there is one other aspect of their lives that they share. An aspect of life, which very few twins, either of the same sex or boy/girl like them, share as both Trish and Robert are gay.

Trish Patricia Rae Kessler, 2015-06-12 Patricia's story is deeper than a love story; it is a story about love; a story about continuing to believe in the mystery and glory of love, even in the face of abuse, lies, and broken promises. It's also a story about tenacious courage, about choosing to view life and people through rose-colored glasses, and believing that even when those we trust fail us: love never does. Eight divorces have not shaken this belief one bit. Patricia's special gift is to see and believe the best in us rather than the worst in us, even in those who tried to destroy that belief. She simply ignores useless lies and broken promises and continues to believe love and goodness will always triumph, in the end. This kind of belief in our goodness is contagious. Patricia has not only survived tragic events that would leave some of us bitter and faithless, she has turned them into positive life lessons and opportunities to thrive, and in so doing has reminded us that evil is no match for love.

Writing to Persuade: How to Bring People Over to Your Side Trish Hall, 2019-06-11 From the former New York Times Op-Ed page editor, a definitive and entertaining

resource for writers of every stripe on the neglected art of persuasion. In the tradition of *The Elements of Style* comes Trish Hall's essential new work on writing well—a sparkling instructional guide to persuading (almost) anyone, on (nearly) anything. As the person in charge of the Op-Ed page for the New York Times, Hall spent years immersed in argument, passion, and trendsetting ideas—but also in tangled sentences, migraine-inducing jargon, and dull-as-dishwater writing. Drawing on her vast experience editing everyone from Nobel Prize winners and global strongmen (Putin) to first-time pundits (Angelina Jolie), Hall presents the ultimate guide to writing persuasively for students, job applicants, and rookie authors looking to get published. She sets out the core principles for connecting with readers—laid out in illuminating chapters such as “Cultivate Empathy,” “Abandon Jargon,” and “Prune Ruthlessly.” Combining boisterous anecdotes with practical advice (relayed in “tracked changes” bubbles), Hall offers an infinitely accessible primer on the art of effectively communicating above the digital noise of the twenty-first century.

Finding Anna: A Memoir Trish Kaye Leone, 2014-01-29 Every little girl dreams of being a Princess, she just wanted her Mommy and for the boys to stop making her do stuff to satisfy them. Finding Anna is a gripping first-hand account of a child who survives the horror of sexual abuse and abandonment by those tasked to care for her, in a society that turns a blind eye to sexual abuse. A love-child, unwittingly passed on from one caretaker to the next, eventually ends up being abandoned and left in the care of her philandering father's family. She discovers the painful reality that life can be cruel. Trish, a child struggles to understand why she was abandoned by her own mother and tries to deal with the trauma of being sexually abused by various family members. Can Trish, now an adult heal from the pain of a childhood, tormented by the rape of her mind, body and soul? Finding Anna is a story that exposes the stark, ugly truths about being abused and abandoned. Child sexual abuse is a social issue that chooses no race, religion, culture and gender, and those who are lucky to survive it carry the welts and wounds deep into their souls for a lifetime. My country in South East Asia has one of the highest child sexual abuse cases. Unfortunately, the government is doing little to raise awareness and create child protection programs to safeguard children from predators. My goal is to reach as many readers as possible and inspire survivors to come out in the open and advocate against child sexual abuse. --Trish Kaye Leone

Sassafras Trish Heald, 2019-10-01 SILVER WINNER, 2020 IBPA BENJAMIN FRANKLIN AWARD, BEST NEW VOICE: FICTION CATEGORY In a narrative as tender and mordant as Champs himself, Heald has created both an exploration of aging and a tribute to a lost way of life. - Kirkus Reviews A stunning debut which tells the story of grief and family, expertly and beautifully. -reedsydiscovery Newly widowed Champs Noland hates Egret's Pond, the retirement community he nicknamed Regret's Pond. Tired of empty condolences, What to Expect When You're Grieving pamphlets, and casseroles delivered by do-gooding widows, he flees to his ramshackle summer cabin on the Sassafras River bringing the golden urn containing Pat's ashes with him. His plan? To spend his days idly fishing on his rusty old boat, Tetanus, and drinking beer. Alone. But troubled waters await him. Not only is Pat dead, but his daughter Laura has redecorated his beloved cabin with plans to rent it out as a hair-being-bee. His boat is gone, his beer fridge is filled with watermelon-flavored Perrier, and his plans for solitude are shattered by interfering neighbors, a notorious chicken-farming arsonist, and the arrival of his demanding adult children. When he's confronted with a shocking secret, Champs must decide if he's going to dwell in the past and continue to hide behind his gruff exterior, or let go of the golden urn and embrace the uncertainty of living--and loving--again. By turns poignant, humorous, and uplifting, Sassafras is a richly drawn story of the transformational power of loss, friendship, and family.

Wytches Vol. 1 Scott Snyder, 2015-06-24 It's fabulous. A triumph. -Stephen King The most terrifying comic you've ever read. -MTV News When the Rooks family moves to the remote town of Litchfield, NH to escape a haunting trauma, they're hopeful about starting over. But something evil is waiting for them in the woods just beyond town. Watching from the trees. Ancient...and hungry. Collects WYTCHES #1-6. More praise for WYTCHES: Dark and brutal, Wytches are like nothing horror fans have ever seen -USA Today In Wytches, the Image Comics series Snyder co-created with the superstar art team of Jock and Matt Hollingsworth, the writer isn't just completely reinventing witches--through the story of the Rook family's dealings with the titular monsters, he's diving deep into very real fears about being a parent, and the ugliness that hides in all of us. -Entertainment Weekly An awesome and at times terrifying tale. -IGN A great read... the art is outstanding and certain panels may give you nightmares. -iO9 If you read the first 4 pages of WYTCHES, there's no turning back. Scary as fuck and impossible to put down. Bravo. -Joe Hill, Locke & Key Monumental. -Bloody Disgusting Snyder has tackled horror before, but Wytches sets out to be an entirely new level of scary. Aside from the fact that the monsters in the book are terrifying (artist Jock has done an amazing job realizing the creatures), Snyder's vision of witchcraft is as much about the deepest fears parents face as it is about spooky monsters in the woods. -Complex Magazine
