Ovid in English Ovid,1998 Witty, erotic, sceptical and subversive, Ovid (c. 43BC-AD17) has been a seminal presence in English literature from the time of Chaucer and Caxton to Ted Hughes and Seamus Heaney. This superb selection brings together complete elegies from the *Amores*, *Heroides* and poems of exile as well as many self-contained episodes from the longer works, vividly revealing both the sheer variety of Ovid's genius and the range of his impact on the English imagination.

The Gospel According to Matthew Volume I Rev. John C. Martin, III,2010-06-16 The Gospel of Matthew, Volume one, is the first in a six or seven volume set. Three hundred and twenty five sermons were preached, in a seven and a half year period, in public worship, through every word and every verse of the Gospel.

Enter the King Gordon Kipling,1998 This study describes for the first time the ritual purposes, symbolic vocabulary, and quasi-dramatic form of one late medieval courtly festival, the royal entry. Although the royal entry as a formal ceremony can be traced back as an unbroken tradition from late Classical times through to the Renaissance, Kipling begins where the royal entry adopts pageantry as its essential medium in the late fourteenth century.

Fake President Mark Green,Ralph Nader,2020-09-22 Read Fake President....This book can help us replace Trump with truth. –Gloria Steinem Terrific new book. Fake President informs as it entertains. --Laurence Tribe An incisive, witty roadmap into the disinformation and betrayals of President Trump—just in time for the impeachment hearings and the 2020 election. Donald Trump was lawfully selected as the US president...but is still a fake president because he simply lacks the integrity, intelligence, and stability to perform the duties of the office as the Constitution intended. If you spend so much time golfing, tweeting, and seething, write Green and Nader, it's understandable that a POTUS doesn't get around to appointing one-third of all agency inspector generals... Might as well expect a surgeon to be an opera singer. As the House Impeachment Inquiry unfolds based on a similar premise, Fake President decodes many of his worst scandals and twistifications (a Jefferson coinage). And it's bound to get even worse as the House gets closer to actual Articles of Impeachment and the Fall election approaches. Since it's nearly impossible to keep track of Trump's daily lava of lies, two of America's foremost public advocates do that work for you. This is your one-stop shop that explains what the Lyin' King means to our democracy. It's a cheeky, deadly rebuke of Trump's incorrigible fakery...from his dishonesty about foreign policy to blatant ignorance about the environment to his messianic

narcissism. Fake President is an essential guide to help you understand the two biggest news stories of the coming year—impeachment and the 2020 presidential election.
