*The Tulip* Anna Pavord,2019-11-14 A revised and updated edition of the internationally bestselling classic Anna Pavord's now classic, internationally bestselling sensation, *The Tulip*, is not a gardening book. It is the story of a flower that has driven men mad. Greed, desire, anguish and devotion have all played their part in the development of the tulip from a wild flower of the Asian steppes to the worldwide phenomenon it is today. No other flower carries so much baggage; it charts political upheavals, illuminates social behaviour, mirrors economic booms and busts, plots the ebb and flow of religious persecution. Why did the tulip dominate so many lives through so many centuries in so many countries? Anna Pavord, a self-confessed tulipomaniac, spent six years looking for answers, roaming through eastern Turkey and Central Asia to tell how a humble wild flower made its way along the Silk Road and eventually took the whole of Western Europe by storm. Sumptuously illustrated from a wide range of sources, this irresistible volume has become a bible, a unique source book, a universal gift and a joy to all who possess it. This beautifully redesigned edition features a new Preface by the author, a revised listing of the best varieties of this incomparable flower to choose for your garden and a reorganised listing of tulip species to reflect the latest thinking by taxonomists.

*The Tulip* Anna Pavord,2019-11-19 A twentieth anniversary edition of the classic, featuring new material by the author. Anna Pavord's internationally bestselling sensation, *The Tulip*, is the story of a flower that has driven men mad. Greed, desire, anguish, and devotion have all played their part in the development of the tulip into a worldwide phenomenon. Today, the United States alone imports three thousand million tulip bulbs each year. No other flower has ever carried so much consequence; it charts political upheavals, illuminates social behavior, mirrors economic booms and busts, plots the ebb and flow of religious persecution. Why did the tulip dominate so many lives through so many centuries in so many countries? Anna Pavord, a self-confessed tulipomaniac, spent six years looking for answers, roaming through Asia, India, and the Ottoman Empire to tell how a humble wildflower of the Asian steppes made its way to Turkey and from there took the whole of Western Europe by storm. Sumptuously illustrated from a wide range of sources, this irresistible volume has become a bible, a unique source book, a universal gift book, and a joy to all who possess it. This beautifully redesigned edition features a new Preface by the author, a completely revised listing of the best varieties of this incomparable flower to choose for your garden, and a reorganized listing of tulip species, to reflect the latest thinking by taxonomists.

*Tulipomania* Mike Dash,2010-02-10 A vivid narration of the history of the tulip, from its origins on the barren, windswept steppes of central Asia to its place of honor in the lush imperial gardens of Constantinople, to its starring moment as the most coveted—and beautiful—commodity in Europe. In the 1630s, visitors to the prosperous trading cities of the Netherlands couldn't help but notice that thousands of normally sober, hardworking Dutch citizens were caught up in an extraordinary frenzy of buying and selling. The object of this unprecedented speculation was the tulip, a delicate and exotic Eastern import that had bewitched horticulturists, noblemen, and tavern owners alike. For almost a year rare bulbs changed hands for incredible and ever-increasing sums, until single flowers were being sold for more than the cost of a house. Historians would come to call it tulipomania. It was the first futures market in history, and like so

many of the ones that would follow, it crashed spectacularly, plunging speculators and investors into economic ruin and despair. This colorful cast of characters includes Turkish sultans, Yugoslav soldiers, French botanists, and Dutch tavern keepers—all centuries apart historically and worlds apart culturally, but with one thing in common: tulipomania.

**Tulipomania** Mike Dash, 2010-04-15 'A fascinating exploration of human greed and self-delusion and also a tribute to our ageless search for beauty'  
DEBORAH MOGGACH. In 1630s' Holland thousands of people, from the wealthiest merchants to the lowest street traders, were caught up in a frenzy of buying and selling. The object of the speculation was not oil or gold, but the tulip, a delicate and exotic bloom that had just arrived from the east. Over three years, rare tulip bulbs changed hands for sums that would have bought a house in Amsterdam: a single bulb could sell for more than £300,000 at today's prices. Fortunes were made overnight, but then lost when, within a year, the market collapsed. Mike Dash recreates this bizarre episode in European history, separating myth from reality. He traces the hysterical boom and devastating bust, bringing to life a colourful cast of characters, and beautifully evoking Holland's Golden Age.

**The Black Tulip** Alexandre Dumas, 1919

**Tulip Fever** Deborah Moggach, 2007-12-18 A sensual tale of art, lust, and deception—now a major motion picture In 1630s Amsterdam, tulipomania has seized the populace. Everywhere men are seduced by the fantastic exotic flower. But for wealthy merchant Cornelis Sandvoort, it is his young and beautiful wife, Sophia, who stirs his soul. She is the prize he desires, the woman he hopes will bring him the joy that not even his considerable fortune can buy. Cornelis yearns for an heir, but so far he and Sophia have failed to produce one. In a bid for immortality, he commissions a portrait of them both by the talented young painter Jan van Loos. But as Van Loos begins to capture Sophia's likeness on canvas, a slow passion begins to burn between the beautiful young wife and the talented artist. As the portrait unfolds, so a slow dance is begun among the household's inhabitants. Ambitions, desires, and dreams breed a grand deception—and as the lies multiply, events move toward a thrilling and tragic climax. In this richly imagined international bestseller, Deborah Moggach has created the rarest of novels—a lush, lyrical work of fiction that is also compulsively readable. Seldom has a novel so vividly evoked a time, a place, and a passion. Praise for Tulip Fever “Sumptuous prose . . . reads like a thriller.”—The New York Times Book Review “An artful novel in every sense of the word . . . deftly evokes seventeenth-century Amsterdam’s vibrant atmosphere.”—Los Angeles Times “Need a brief escape into a beautiful and faraway world? Deborah Moggach’s wonderful Tulip Fever can offer you that.”—New York Post “Taut with suspense and unexpected revelations.”—Entertainment Weekly “Elegantly absorbing.”—The Philadelphia Inquirer

**The Tulip Factory** Kacie Davis Idol, 2016-06-07 Before they exchange even a single word, Corrine knows that James will change everything. And sure enough, their serendipitous meeting in a North Carolina coffee shop sets off a whirlwind of desire and possibilities for the two. Timing, however, isn't on the couple's side. After their relationship ends, Corrine finds that years of putting her career and passions on hold for love have led to a stalled life. She once saw her receptionist job as temporary but got too comfortable and, before she knew it, lost sight of her dream of becoming a writer. Now, as Corrine makes her way into her late twenties, she's on a quest to find herself. As she struggles to figure out what she really wants, she'll discover that sometimes you have to take happiness into your own hands and that a fulfilling life is built on opportunities—even the missed ones.

Tulipmania Anne Goldgar,2008-09-15 In the 1630s the Netherlands was gripped by tulipmania: a speculative fever unprecedented in scale and, as popular history would have it, folly. We all know the outline of the story—how otherwise sensible merchants, nobles, and artisans spent all they had (and much that they didn't) on tulip bulbs. We have heard how these bulbs changed hands hundreds of times in a single day, and how some bulbs, sold and resold for thousands of guilders, never even existed. Tulipmania is seen as an example of the gullibility of crowds and the dangers of financial speculation. But it wasn't like that. As Anne Goldgar reveals in *Tulipmania*, not one of these stories is true. Making use of extensive archival research, she lays waste to the legends, revealing that while the 1630s did see a speculative bubble in tulip prices, neither the height of the bubble nor its bursting were anywhere near as dramatic as we tend to think. By clearing away the accumulated myths, Goldgar is able to show us instead the far more interesting reality: the ways in which tulipmania reflected deep anxieties about the transformation of Dutch society in the Golden Age. "Goldgar tells us at the start of her excellent debunking book: 'Most of what we have heard of [tulipmania] is not true.' . . . She tells a new story."—Simon Kuper, *Financial Times*

**Duck, Death and the Tulip** Wolf Erlbruch,2008 In a strangely heart-warming story, a duck strikes up an unlikely friendship with Death. *The Tulip Eaters* Antoinette van Heugten,2013-11-01 In a riveting exploration of the power the past wields over the present, critically acclaimed author Antoinette van Heugten writes the story of a woman whose child's life hangs in the balance, forcing her to confront the roots of her family's troubled history in the dark days of World War II... It's the stuff of nightmares: Nora de Jong returns home from work one ordinary day to find her mother has been murdered. Her infant daughter is missing. And the only clue is the body of an unknown man on the living-room floor, clutching a Luger in his cold, dead hand. Frantic to find Rose, Nora puts aside her grief and frustration with the local police to start her own search. But the contents of a locked metal box she finds in her parents' attic leave her with as many questions as answers—and suggest the killer was not a stranger. Saving her daughter means delving deeper into her family's darkest history, leading Nora half a world away to Amsterdam, where her own unsettled past and memories of painful heartbreak rush back to haunt her. As Nora feverishly pieces together the truth from an old family diary, she's drawn back to a city under Nazi occupation, where her mother's alliances may have long ago sealed her own—and Rose's—fate.

Under the Tulip Tree Michelle Shocklee,2020-09-08 Sixteen-year-old Lorena Leland's dreams of a rich and fulfilling life as a writer are dashed when the stock market crashes in 1929. Seven years into the Great Depression, Rena's banker father has retreated into the bottle, her sister is married to a lazy charlatan and gambler, and Rena is an unemployed newspaper reporter. Eager for any writing job, Rena accepts a position interviewing former slaves for the Federal Writers' Project. There, she meets Frankie Washington, a 101-year-old woman whose honest yet tragic past captivates Rena. As Frankie recounts her life as a slave, Rena is horrified to learn of all the older woman has endured—especially because Rena's ancestors owned slaves. While Frankie's story challenges Rena's preconceptions about slavery, it also connects the two women whose lives are otherwise separated by age, race, and circumstances. But will this bond of

respect, admiration, and friendship be broken by a revelation neither woman sees coming?

**The Golden Tulip** Rosalind Laker,2007-11-27 Francesca's father is a well-known painter in the bustling port city of Amsterdam; he is also a gambler. Though their household is in economic chaos, thankfully the lessons she learned in his studio have prepared her to study with Johannes Vermeer, the master of Delft. When she arrives to begin her apprenticeship, Francesca is stunned to find rules, written in her father's hand, insisting that she give up the freedoms she once enjoyed at home- including her friendship with Pieter van Doorne, a tulip merchant. Unaware of a terrible bargain her father has made against her future, Francesca pursues her growing affection for Pieter even as she learns to paint like Vermeer, in layers of light. As her talent blooms, "tulip mania" sweeps the land, and fortunes are being made on a single bulb. What seems like a boon for Pieter instead reveals the extent of the betrayal of Francesca's father. And as the two learn the true nature of the obstacles in their path, a patron of Francesca's father determines to do anything in his power to ensure she stays within the limits that have been set for her. The Golden Tulip brings one of the most exciting periods of Dutch history alive, creating a page-turning novel that is as vivid and unforgettable as a Vermeer painting.

None of this matters to Natalie who finds Tulip exciting. At first she doesn't care that other people are upset and unnerved by Tulip's bizarre games, but as the games become increasingly sinister and dangerous, Natalie realises that Tulip is going too far. Much too far. Racing, in fact, to the novel's shocking ending.

*The Tulip and the Pope* Deborah Larsen, 2007-12-18 The story of novelist and poet Deborah Larsen's young womanhood, *The Tulip and the Pope* is both an exquisitely crafted spiritual memoir and a beautifully nuanced view of life in the convent. In midsummer of 1960, nineteen-year-old Deborah shares a cab to a convent. She and the teenage girls with her, passionate to become nuns, heedless of all they are leaving behind, smoke their last cigarettes before entering their new lives. In the same artful prose that distinguished her novel *The White*, Larsen's memoir lets us into the hushed life of the convent. She captures the exquisite peace she found there, as well as the extreme constriction of the rules and her gradual awareness of all that she is missing. Eventually the physical world—the lush tulip she remembers seeing as a girl, the snow she tunneled in, and even the mystery of sex—begins to seem to her an alternative theater for a deep understanding and love of God.
