The Box Turtle Vanessa Roeder,2020-02-11 An irresistibly cute story about finding the confidence to be yourself, starring a turtle in search of the perfect shell. Terrance the turtle was born without a shell, so he uses a cardboard box instead. Terrance loves his box. It keeps him dry on soggy days, safe from snooping strangers, and is big enough to cozy up with a friend. But when another turtle points out that Terrance's shell is, well, weird, he begins to wonder whether there might be a better shell out there... Eventually, and through much trial and error, Terrance learns that there's nothing wrong with being different--especially when it comes to being yourself.

Turtle Island Eldon Yellowhorn,Kathy Lowinger,2017-12-12 Unlike most books that chronicle the history of Native peoples beginning with the arrival of Europeans in 1492, this book goes back to the Ice Age to give young readers a glimpse of what life was like pre-contact. The title, *Turtle Island*, refers to a Native myth that explains how North and Central America were formed on the back of a turtle. Based on archeological finds and scientific research, we now have a clearer picture of how the Indigenous people lived. Using that knowledge, the authors take the reader back as far as 14,000 years ago to imagine moments in time. A wide variety of topics are featured, from the animals that came and disappeared over time, to what people ate, how they expressed themselves through art, and how they adapted to their surroundings. The importance of story-telling among the Native peoples is always present to shed light on how they explained their world. The end of the book takes us to modern times when

the story of the Native peoples is both tragic and hopeful.

Stickler, Soma Han, 2012-09-10 ****WINNER OF THE INTERNATIONAL 2013-2014 MORNING CALM MEDAL**** This multicultural children's book presents a heartwarming Korean fairy tale about a little girl and a fortunate encounter. Poverty is all Maya has ever known, but she doesn't allow it to stop her from caring for her father, and others, as best she can. Kind and gentle, she is a lovely young girl who always puts others first. One day, she finds a little turtle and takes him home, raising and loving him, never knowing that he will play an instrumental part in her destiny.
