Storm Siren Mary Weber,2014-08-26 The award-winning novel that started it all. "A riveting tale from start to finish. Between the simmering romance, the rich and inventive fantasy world, and one seriously jaw-dropping finale, readers will clamor for the next book--and I'll be at the front of the line!" --Marissa Meyer, New York Times bestselling author of the Lunar Chronicles In a world at war, a slave girl's lethal curse could become one kingdom's weapon of salvation. If the curse--and the girl--can be controlled. "I raise my chin as the buyers stare. Yes. Look. You don't want me. Because, eventually, accidentally, I will destroy you." As a slave in the war-weary kingdom of Faelen, seventeen-year-old Nym isn't merely devoid of rights, her Elemental kind are only born male and always killed at birth--meaning, she shouldn't even exist. Standing on the auction block beneath smoke-drenched mountains, Nym faces her fifteenth sell. But when her hood is removed and her storm-summoning killing curse revealed, Nym is snatched up by a court advisor and given a choice: be trained as the weapon Faelen needs to win the war or be killed. Choosing the former, Nym is unleashed into a world of politics, bizarre parties, and rumors of an evil more sinister than she's being prepared to fight . . . not to mention the trainer whose dark secrets lie behind a mysterious ability to calm every lightning strike she summons. But what if she doesn't want to be the weapon they've all been waiting for? Set in a beautifully eclectic world of suspicion, super abilities, and monsters, *Storm Siren* is a story of power. And whoever controls that power will win. "Intense and intriguing. Fans of high stakes fantasy won't be able to put it down." --CJ Redwine, New York Times bestselling author of the Ravenspire series "Mary Weber has created a fascinating, twisted world. *Storm Siren* sucked me in from page one--I couldn't stop reading! This is a definite must-read, the kind of book that kept me up late into the night turning the pages!" --Lindsay Cummings, author of the Androma Saga "A riveting read! Mary Weber's rich world and heartbreaking heroine had me from page one. You're going to fall in love with this love story." --Josephine Angelini, internationally bestselling author of the Starcrossed trilogy "Elegant prose and intricate world-building twist into a breathless cyclone of a story that will constantly keep you guessing. More please!" --Shannon Messenger, author of the Sky Fall series

Round the Twist Anastassiad, Boseley, Storm, 2000-01-01

The Iowa Historical Record, 1893

Hurricane Punch Tim Dorsey, 2009-10-13 That lovable, under-undermedicated dispenser of truth, justice, and trivia is back with a vengeance—just as his cherished home state is about to take a beating from a conga line of hurricanes bearing down on the peninsula. But as Serge and his burnout buddy Coleman go storm-chasing, bodies begin turning up at a disturbing rate, even by Florida standards. It looks like a serial killer is on the loose—another serial killer—which highly offends Serge's moral sensibilities. And he vows he'll stop at nothing to unmask his thrill-killing rival and make All Things Right—though Coleman's triathlete approach to the sport of polyabuse binging threatens to derail the mission more completely than the entire combined Sunshine State police community could ever hope to.

Voodoo Storm Davis Temple, 2008-02 Voodoo Storm is a thriller set in New Orleans during the time of Hurricane Katrina. In Voodoo Storm, a cult of Devil worshipers hides among the Crescent City's harmless voodoo practitioners and commit crimes in the name of the Devil. Unfortunate individuals succumb to devastating diseases unknown to modern medicine and little girls go missing. Dr. Mary Lou Campbell, a pretty but pugnacious psychologist with the New Orleans Police Department, and her new young partner Frankie Panacea, follow a torturous path fraught with danger in their effort to solve the crimes and apprehend the heartless perpetrators, who feel enabled by their dark beliefs. Though the end appears in sight, Hurricane Katrina provides a new twist. Levees are breached with the help of human hands and the city floods. As bodies are counted, all clues point to a strange, fat clown. In the terrifying conclusion, our heroine, a woman all too familiar with adversity and death, is confronted by a horror that even she could not have imagined. Voodoo Storm, like the author's previous two novels, is characterized by tragic characters, colorful dialogue and edgy writing. The novel often flirts with the supernatural and leaves the reader to wonder what resides beyond the darker side of human consciousness.

The First Storm Kathie Johnson, 2016-04-05 For most of us, our days are typically filled with joy and relative peace. But what happens when we experience the unexpected and our seemingly perfect world gets buffeted by the storms of life? Do we cave in under pressure, or do we stand firm in our faith and beliefs and patiently wait for the storm to pass? *The First Storm* is about one woman's journey from the brink of the abyss during one of the most horrific storms of her life. This is a book about love, faith, hope, heartbreak, and family. Aubrey Jordan represents all of us who are traveling through this sometimes perilous journey called life.

The Man Who Caught the Storm Brantley Hargrove, 2019-04-02 The saga of the greatest tornado chaser who ever lived: a tale of obsession and daring and an extraordinary account of humanity's high-stakes race to understand nature's fiercest phenomenon from Brantley Hargrove, "one of today's great science writers" (The Washington Post). At the turn of the twenty-first century, the tornado was one of the last true mysteries of the modern world. It was a monster that ravaged the American heartland a thousand times each year, yet science's every effort to divine its inner workings had ended in failure. Researchers all but gave up, until the arrival of an outsider. In a field of PhDs, Tim Samaras didn't attend a day of college in his life. He chased storms with brilliant tools of his own invention and pushed closer to the tornado than anyone else ever dared. When he achieved what meteorologists had deemed impossible, it was as if he had snatched the fire of the gods. Yet even as he transformed the field, Samaras kept on pushing. As his ambitions grew, so did the risks. And when he finally met his match—in a faceoff against the largest tornado ever recorded—it upended everything he thought he knew. Brantley Hargrove delivers a "cinematically thrilling and scientifically wonky" (Outside) tale, chronicling the life of Tim Samaras in all its triumph and tragedy. Hargrove takes readers inside the thrill of the chase, the captivating science of tornadoes, and the remarkable character of a man who walked the line between life and death in pursuit of knowledge. *The Man Who Caught the Storm* is an "adrenaline rush of a tornado chase...Readers from all across the spectrum will enjoy this" (Library Journal, starred review) unforgettable exploration of obsession and the extremes of the natural world.
