Plot Twist Bethany Turner, 2021-06-15 An aspiring screenwriter has a chance encounter with an actor who could be the man of her dreams. Over the next ten years, she'll write the story . . . but will he end up being the star? February 4, 2003, promises to be a typical day for Olivia Ross—a greeting card writer whose passion project is a screenplay of her own. But after she and a handsome actor have a magical meet-cute in a coffee shop, they make a spontaneous pact: in ten years, after they've found the success they're just sure they're going to achieve, they'll return to the coffeehouse to partner up and make a film together. The only problem? Olivia neglected to get the stranger's name. But she doesn't forget his face—or the date. For the next ten years, every February 4 is marked with coincidences and ironies for Olivia. As men come and go and return to her life, she continues to write, but still wonders about the guy from the coffee shop—the nameless actor she's almost certain has turned out to be Hamish MacDougal, now a famous A-lister and Hollywood leading man. But a lot can happen in ten years, and while waiting for the curtain to rise on her fate, the true story of Olivia's life is being written—and if she's not careful, she'll completely miss the real-life romantic comedy playing out right before her eyes. Olivia Twist Lorie Langdon, 2018-03-06 *Olivia Twist* is an innovative reimagining of Charles Dickens' classic tale *Oliver Twist*, in which Olivia was forced to live as a boy for her own safety until she was rescued from the streets. Now eighteen, Olivia finds herself at a crossroads: revealed secrets threaten to destroy the proper life she has built for herself, while newfound feelings for an arrogant young man she shouldn't like could derail her carefully laid plans for the future. Olivia Brownlow is no damsel in distress. Born in a workhouse and raised as a boy among thieving London street gangs, she is as tough and cunning as they come. When she is taken in by her uncle after a caper gone wrong, her life goes from fighting and stealing on the streets to lavish dinners and soirees as a debutante in high society. But she can't seem to escape her past ... or forget the teeming slums where

children just like her still scramble to survive. Jack MacCarron rose from his place in London's East End to become the adopted nephew of a society matron. Little does society know that MacCarron is a false name for a boy once known among London gangs as the Artful Dodger, and that he and his “aunt” are robbing them blind every chance they get. When Jack encounters Olivia Brownlow in places he least expects, his curiosity is piqued. Why is a society girl helping a bunch of homeless orphan thieves? Even more intriguing, why does she remind him so much of someone he once knew? Jack finds himself wondering if going legit and risking it all might be worth it for love.
