Down-Under Shorts Gerry Burke,2010-03-04 As the song says: I come from a land Down-Under. However, my short stories and opinion pieces are truly international and you are sure to be enthralled as I plunder the possibilities, probabilities and potential of all things relating to politics, entertainment, sport and travel; all the issues that you care about. •Share my bizarre lifestyle and amazing world wide adventures. Nothing will prepare you for this. •Discover what my crazy friends and acquaintances are doing. With and without their pants on! •This publication is more illuminating than a Chinese Fortune Cookie. And just as witty. There were celebrity revelations in my first book that were absolutely unbelievable. This mouth-watering sequel will give you all this and more. Come with me on my journey and discover what a funny world we live in.
