**The Vacation** T. M. Logan, 2020-07-21 "T.M. Logan's latest nail-biter...THE VACATION is a virtual holiday.—Washington Post In *The Vacation*, a captivating thriller from T. M. Logan, the bestselling author of *Lies and 29 Seconds*, four best friends on a dream vacation come face-to-face with an explosive secret. It was supposed to be the perfect getaway: Kate and her three best friends, spending a week with their families in a luxurious villa in the south of France. Through the decades they've stayed closer than ever, and seven days of drinking crisp French wine and laying out under the dazzling Mediterranean sun is the perfect celebration of their friendship. But soon after arriving, Kate discovers an incriminating text on her husband's cell phone. A text revealing that he's having an affair. And that the other woman is one of her best friends. But which one? Trapped in paradise with no one to trust, Kate is determined to find out who has put her marriage—and a lifelong friendship—in jeopardy. But as she closes in on the truth, she realizes that the stakes are higher than she ever imagined. Everyone on the trip has secrets...and someone may be prepared to kill to keep theirs hidden.

People We Meet on Vacation Emily Henry, 2021-05-11 From the #1 New York Times bestselling author of *Book Lovers* and *Beach Read* comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Two best friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? *Vacation* Blexbolex, 2018-02-27 Summer vacation is going great for a girl who has everything to herself—including Grandpa--until a gray patch arrives.

*Family Vacation* Susan Sessions Rugh, 2009-09 FEATURING PHOTOS AND EPHEMERA from the '50s, '60s, and '70s, Rugh takes us through the whole family-vacation process, from planning and packing to selecting the fast-food stops and motels to enjoying the destination. *Family Vacation* triggers fond memories of fights in the backseat, treasured souvenirs, and all-American tourist spots like Yellowstone, Disneyland, or Washington, D.C. Whether the summer vacation was to Grandma's farm or a tour of the United States coast to coast, this book is sure to get people

reminiscing, I remember when . . . Camping is the number one outdoor vacation activity. One third of U.S. adults say they have gone on a camping vacation in the past five years. (Source: Adventure Travel Report) International travel to the United States is one of our leading exports. In 2001, 45.5 million international travelers visited.

**Assassination Vacation** Sarah Vowell, 2005-04-04 New York Times bestselling author of *The Wordy Shipmates* and contributor to NPR's *This American Life* Sarah Vowell embarks on a road trip to sites of political violence, from Washington DC to Alaska, to better understand our nation's ever-evolving political system and history. Sarah Vowell exposes the glorious conundrums of American history and culture with wit, probity, and an irreverent sense of humor. With *Assassination Vacation*, she takes us on a road trip like no other—a journey to the pit stops of American political murder and through the myriad ways they have been used for fun and profit, for political and cultural advantage. From Buffalo to Alaska, Washington to the Dry Tortugas, Vowell visits locations immortalized and influenced by the spilling of politically important blood, reporting as she goes with her trademark blend of wisecracking humor, remarkable honesty, and thought-provoking criticism. We learn about the jinx that was Robert Todd Lincoln (present at the assassinations of Presidents Lincoln, Garfield, and McKinley) and witness the politicking that went into the making of the Lincoln Memorial. The resulting narrative is much more than an entertaining and informative travelogue—it is the disturbing and fascinating story of how American death has been manipulated by popular culture, including literature, architecture, sculpture, and—the author's favorite—historical tourism. Though the themes of loss and violence are explored and we make detours to see how the Republican Party became the Republican Party, there are all kinds of lighter diversions along the way into the lives of the three presidents and their assassins, including mummies, show tunes, mean-spirited totem poles, and a nineteenth-century biblical sex cult.

**Marriage Vacation** Pauline Brooks, 2018-06-05 In season four of Darren Star's hit TV Land series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). *Marriage Vacation* is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR *Marriage Vacation* “*Marriage Vacation* has everything you want in a novel: fascinating

characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love Younger, you'll love this book. If you've never watched an episode of Younger (you should change that), you'll still love this book. And just wait until you read page 58!" –Darren Star, creator of Sex and The City and Younger "This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own." –Pamela Redmond Satran, author of Younger

*Duck's Vacation* Gilad Soffer, 2015-05-26 Duck is trying to enjoy a relaxing vacation, but with each turn of the page, the reader causes some calamity.

Most kids go to camp over the summer, or to Grandma's house, or maybe they're stuck at home. Not Wallace Bleff. He was supposed to visit his Aunt Fern. Instead, Wallace insists, he was carried off by cowboys and taught the ways of the West--from riding buckin' broncos to roping cattle. Lucky for Aunt Fern, he showed up at her house just in time to divert a stampede from her barbecue party! Perfect for back-to-school read-alouds, here's a western fantasy with sparkling illustrations and enough action to knock kids' boots off!

With a little planning, a few supplies, and a touch of creativity, she finds that her family's dream vacation wasn't so far away after all.

*Trolls on Vacation* Alan MacDonald, 2008-04-01 When the Trolls and their neighbors, the Priddles, go off on vacation at the same time, both families are in for some surprises, including a wild, sheep-devouring beast and a scary local mystery. Simultaneous.
